## NEW STORM SIRENS HENNESSEY DISPATCH MOVES TO 911 CENTER

Hennessey Town Trustees voted last week at the regular meeting to issue a request for a bid to replace all of the storm sirens in town that were installed in 1956. This was originally voted on in September 2018 but was not acted upon because an OG&E plan was needed. Mayor Bert Gritz said, "This will replace all of our storm sirens. There are currently 5. The siren on the water tower is not functioning. It has been there for 67 years. The ones near the school and on Oakwood Dr. were installed in 1973, the others in town were bought used from Stillwater and are about 20 years old." This new plan will replace several and relocate others to offer better coverage.

### Siren Locations

The proposed locations include 625 N. Arapaho, the SE corner of Iowa and Walnut St. (replacing existing sirens), E 2nd St on the Senior Citizen property, the SW corner of the 200 block of W. 6th St., and the W end of Ike's Ave. in Ike's Acres. A different electronic siren would be placed in the 100 block of West 1st St. This one can play chimes at noon and also be a public address speaker during events.

Gritz explained that the current system is activated with a phone line and is subject to outages. The new system is activated via wireless radio and would have battery backup in case of power outages. Gritz said, "It will do a self-test daily without making a sound. The system could be activated via 2-way radio from the field by police or fire if needed.

The conversation got a little tense at last week's Hennessey Trustee meeting as they started discussing moving the Police dispatch to the 911 center in Kingfisher.

Hennessey resident Barb Walter started with, "As you know at the last meeting I was not excited about you all making the change. And since then several people have come forward and said that they weren't. I worry about the safety of our police officers and of our town."

Currently, all 911 calls go to the 911 Kingfisher dispatch, are transferred to Hennessey dispatch, then an officer is dispatched. The new plan will connect the 911 dispatcher with the police, fire, and EMS directly.

Police officer Matt Bruner said, "The problem here is, and I think what the misunderstanding is, it's not the dispatcher at the police department that's the problem. What we need is another officer on duty to make us safe." Bruner explained if he needs help at 2 am all his backups live in Kingfisher or Ames.

Currently, Hennessey Police cannot talk directly to the Kingfisher County Sheriff's Department because their radio systems are not compatible. The contract will reprogram the Hennessey radio system to be compatible with Kingfisher.

At last month's meeting, Ryan Deatherage, the 911 Director told the board about the technology they have available such as tracking, caller location, and language translation.

The new 911 contract will cost \$41,000. Dispatch is currently costing Hennessey \$140,000

All calls to the police phone number 853-4444 will be forwarded to the 911 center. There will be someone in the police department during business hours doing administrative work but will not answer the calls or dispatch.

## EAGLES VS TROJANS BOYS

The Hennessey Eagles faced off on Friday against the OBA Trojans. It also happened to be homecoming! The coronation kicked off the night at 6:00, followed by the boys game and the girls.

The #3 ranked boys led by the Hoco King, Layton Choate, started off slow, once again. A 7 point 1st quarter with no real highlights to show. The scoring kicked off for the eagles in the 2nd quarter though, scoring 19 points led by the hoco king. Layton finished with his first double double of his career and his best night of the season, with an impressive, 18 points, 10 assists, and 4 steals. The hot streak continued with a very strong 3rd quarter for the Eagles, led by Jael Torres who had a respectable 10 points and 5 boards. The 4th quarter turned out to be just a solid close, Garrett Vinson hit back to back 3's and ended with 9 points going 3 for 3 from downtown. **Final score Hennessey Eagles 57 - OBA Trojans 43**

## LADY EAGLES VS TROJANS

The Friday night game flipped the schedule with the girls playing after the boys because of homecoming.

The Lady Eagles faced off against the Lady Trojans who are coming off a 2nd place finish in the 3 rivers tournament. In one of the more uneventful games of the season so far, the ladies trailed from beginning to end with a few flairs to light the Trojans offense into a short fire, pulling away each time. The Eagles got a good game out of the Hoco Queen, Noelle Pollard, she finished with 10 points and knocked down a pair of 3s. The sophomore star Katie Kennedy didn't have her best game but still managed to lead the Eagles in points with 11. **The final score: Hennessey Lady Eagles 35 - OBA Lady Trojans 59.**

The team's head to Okarche in what will be a tough team for both the boys and girls next Tuesday. That game will be broadcasted live on [hennesseyeagles.tv](http://hennesseyeagles.tv)! for photo gallery visit [allabouthennessey.com](http://allabouthennessey.com)

## HENNESSEY VS WATONGA

Your Hennessey Eagles faced off against the Watonga Eagles Tuesday night at home. The Lady Eagles came off a consolation bracket final loss against Watonga in the Three Rivers Tournament Saturday night. In a similar fashion to that game on Saturday, the lady eagles held a lead going into halftime led by the hot hand of Kadee Meeker. Kadee Meeker finished the game with her best performance of the season, a stat line of 17 points, 7 rebounds, and 1 steal. Unfortunately, the Lady Eagles lost their lead in the 2nd half due to the ultra-hot Aubrey Bridges who finished her night with 30 points, at one point making 4 straight 3s. The Katie's, (Kadee Meeker, and Katie Kennedy) had a combined 33 of the Ladies 42 points. Katie Kennedy coming off a very good Three Rivers Tournament had a respectable: 16 points, 3 rebounds, and 3 steals. The final score: Watonga Lady Eagles 59 - Hennessey Lady Eagles 44.

The boys, the number 3 ranked boys' team in class 2A via OSSAA, had a shaky performance against the Watonga Eagles. The game started off incredibly slow, the boys eventually racking up 12 points at the end of the quarter. Following an impressive alley-oop slam dunk by Laron Whiteshield, who finished with an impressive 22 points and 3 dunks, the momentum was in the Watonga Eagles favor. What proved to be a difference maker was the defense by the eagles, led by Seth Simunek's incredible: 7 rebounds and 9 steals. Offensively, the boys relied on the big center Jael Torres who was the only eagle to score double-digit points, finishing with 16 points, 5 rebounds, and a block. The boys eventually went into a slugfest back and forth, but they pulled away following a Hunter Weber 3 from the corner (which was the first made for the Eagles, who went a combined 1-11 from beyond the arc), and 2 Layton Choate free throws that proved to be the dagger. ## Obituaries

### Harold Glenn

HENNESSEY On January 11, 2023 the Heavens opened and Harold Glenn was able to see Jesus sitting at the right hand of God. He died peacefully surrounded by his wife and loved ones Wednesday January 11, 2023.

Harold was born on February 3, 1937 in Plainville, Kansas to Ralph and Erma Glenn. He was the youngest of three children. Harold learned to work hard at a young age. As a young boy he delivered newspapers and worked at a bakery.

He lived in Brush County and Rawlins, Wyoming growing up. In his teens he moved back to Plainville, Kansas to live with his aunt and uncle. It was then that he met Lorna Harrison whose bubbly personality swept him off his feet.

He and Lorna were married March 5, 1955. They raised two daughters together Cheryl Denise and Cathy Dawnette.

Harold was a man of integrity. He was very straight forward. He said what he meant and meant what he said.

He loved to take trips on his motorcycle. He and Lorna practically saw the whole country on his bike. Harold loved the Oklahoma Sooners but most of all loved his family.

He leaves behind his wife Lorna; one daughter Cheryl Vaverka and husband Jesse of Hennessey; one son-in-law Jay Culp of Cushing, one brother of Rawlins, Wyoming; six grandchildren and eleven great-grandchildren.

Harold was preceded in death by his parents, one sister, and his beloved youngest daughter Cathy.

Funeral services will be at 11:00 AM Monday January 16, 2023 at First United Methodist Church officiated by Rev. P.J. Stewart and Jimmy Berkenbile. Burial will follow at Hennessey Cemetery under the direction of Cordry-Gritz Funeral Home.

Memorial donations may be made in his name to the First United Methodist Church with the funeral home serving as custodian of the fund.
