## NEW GIRLS BASKETBALL COACH HIRED

Brian Richardson was hired as the new girls' basketball coach at the regular board of education meeting. Brian Graduated from Merritt High School in Elk City and then continued on to SWOSU obtaining a Bachelor of Science degree in Health and Physical Education. He is currently working towards a Master's in Educational Leadership at SEOSU.

For the past 17 years, Richardson has been the athletic director, and girls and boys head coach, and assisted in several Jr high programs at Sayre Public Schools.

Prior to teaching at Elk City Richardson was the head high school and Jr high girls coach from 2002 to 2006.

Brian's wife Jennifer was also hired as a new Elementary school teacher. She is currently teaching 5th grade at Sayre Public Schools.

Pictured, Jennifer and Brian Richardson with their twin 16-year-old boys Camdyn and Braedyn.

## MAJOR MAIN ST IMPROVEMENTS

This Sunday, April 2, 81 Grill & Bar started renovating the front of their restaurant. Starting with the rebuilding of the window framing, then preparing it for a fresh coat of black and orange paint. This matches their logo's flaming theme.

This is the second building on this block to have recently undergone a facade upgrade. Family Café just next door to the north just completed their remodel with an awning. When complete, the 81 Grill storefront will match their black and orange color scheme, with the 81 Grill name stenciled above.

## STACY CLINE ELECTED TO THE PIONEER BOARD

Last Friday, April 7th Pioneer held an election for the District-at-Large board position and named Stacy Cline as the winner. The candidates included Wendell Prim, Debbie Biehler, and Stacy Cline. There were 213 votes cast. Stacy Cline received 79 votes; Wendell Prim Sr. received 67 votes; Debbie Biehler received 66 votes; and one ballot was left blank.

PIONEER DAYS

If you were driving by the school today, April 11th, it looked like we stepped back in time. 61 Hennessey 3rd grade elementary students spent the morning experiencing what it was like back in the day. There were many activities like Horseback riding, roping a steer, washing laundry, and a land run. Kingfishers Chisholm Trail Museum conducted a cooking demonstration with their authentic chuck wagon.

LAND SOLUTIONS

Cale Blehm, a Hennessey graduate, has a passion for providing solutions to landowners. Cale graduated from Oklahoma State University with a degree in Agronomy. While in college he started his company, Ace 8 Land Solutions. He has been serving Kingfisher County and the surrounding counties with his services since 2019.

Ace 8 is fully equipped and ready to provide land solutions, from spraying yards and pastures to planting deer plots and even brush hog work. He states, "I can help provide a solution to problem areas that a landowner may have." He gives free estimates on any job. No job is too big or too small for Ace 8 Land Solutions.

Ace 8 Land Solutions is fully licensed commercially, for residential and agricultural use. License NO 9852. Call Ace 8 Land Solutions for more information or to get a quote at (580) 822-5525. Find them on Facebook at AceEightLandSolutions

## 3000 EGGS IN 30 SECONDS!

Saturday, April 8th, Several hundred children and their families lined up for a chance at 3000 colorful eggs filled with candy and prizes. This is the second year the Town of Hennessey has managed this fun event in Bullfoot Park. Shelley Burch with the town said, "This year we added some fun by including prizes to some of the eggs donated by the Lions Club, businesses, and individuals." Prizes included, bicycles, fishing poles, baskets of treats, and other gifts.

At noon the Hennessey police sounded the siren on a police car signaling the start of the hunt. It only took about 30 seconds for all of the eggs to be gathered up. The Easter bunny along with a miniature horse with bunny ears was on hand for photos.

If you would like to recycle your eggs please bring them to the Town Hall so they can be used again next year.

The annual Easter Egg Hunt was run by the Hennessey Lioness Club for many years and was turned over to the town two years ago.

## FIRST UNITED METHODIST CHURCH EASTER CARNIVAL

The second annual Hennessey First United Methodist Church Easter Carnival took place this Easter Sunday and drew a large crowd. Among the festivities for the whole family, there were live animals, kites, games, crafts, as well as food.

## HHS GOLF AT PERKINS

It was a 40 degree morning on April the 6th at Cimarron Trails in Perkins. The 2nd tournament in the golf teams 3 tournaments in a 7-day span run. The boys didn't have their best stuff today, but it wasn't too bad as a team. Their scores - Kevin Trillo - 80, Garret Vinson - 99, Joe Davis - 102, Taylor Ladwig - 105, Daxton Lee - 136

The lone girl, Kadee Meeker played in El Reno and had a pretty good day. At one point she was in 2nd place. She ended up with a 95.

The boys stretch finishes on Monday with a trip to Kingfisher.  
Story by Taylor Ladwig.

## SCHOOL DITCH WORK APPROVED

After several rounds of changes, the Hennessey School Board voted at a special meeting on March 29th to approve the plan that will fill in the deep ditch in front of the schools along N. Mitchell Rd.

The plan includes setting a 42-inch pipe from the intersection of E. Iowa and N. Mitchell south to about the middle school. The pipe will then scale down to a 36-inch pipe and split with one continuing south to Oklahoma Street and the second crossing Mitchell Rd and then going south to Oklahoma St. The Engineer explained that they couldn't continue with a single 42-inch pipe because the elevation would not allow it and it would cause a bump in the school driveways. This split will allow the drainage system to carry the water load properly during heavy rains.

This plan also includes completely covering the ditch and rebuilding the entire parking area in front of the Elementary and Middle Schools adding 60 new parking spaces. The bids will be sent out in 2 parts, one for the drainage and one for the parking and concrete work. The job will take about 150 days to complete.

## OUTDOOR ART SHOW 2023

The Hennessey Early Childhood Center held its 2023 Art Show in the Outdoor Classroom last Thursday evening. It was a beautiful night with beautiful art in a beautiful setting. Students displayed their work and took part in many art-related activities.

## INTEGRIS Health Medical Group Welcomes Megan Daniels, PA-C

Megan Daniels, PA-C, will soon join the INTEGRIS Health Medical Group family as part of INTEGRIS Family Care Enid, located on the second floor of the Bass Pavilion.

She received a Bachelor of Science degree in Health Sciences from Southwestern Oklahoma State University and then attended the University of Oklahoma Physician Associate Program. Daniels loves family medicine because it allows her to treat patients of all ages, while watching families develop and grow together.

Daniels believes in listening to her patients' concerns and working as a team to provide the most comprehensive care. "In my role as a family medicine physician associate, I strive to provide complete and comprehensive care by listening to my patients and looking at the big picture. I believe showing compassion, cultivating trust and creating relationships with patients fosters a more comfortable environment in which we can discuss diagnoses and options for treatment as a team."

Her areas of interest include family care, pediatrics, dermatology and women's health.

Daniels will begin seeing patients April 11. To schedule an appointment, call INTEGRIS Family Care Enid at 580-977-1910.

## THANK YOU from Richard Simunek

"I wish to congratulate Bert Gritz, Randy Bohnstedt, and Cliff Vogt on winning the election. Now that the election is over, it is important for all of us to continue to work hard, either as a Town Council member or private citizen, to continue to move Hennessey forward. I especially wish to thank my supporters for their continued encouragement. I am very excited about the organization of the Hennessey Historical Society and look forward to being of assistance in any way I can to preserve our historic buildings and sites, history, and legacy. Richard Simunek, Preservationist"
