END OF AN ERA

After 58 years in business, family-owned Hennessey Auto Supply Inc. has sold, allowing Alyce and Mark Bregenzer to retire. For many in the community, and often from surrounding communities, the store was a Main Street fixture for generations, providing reliable service for all customers.

Lewis and Alyce Bregenzer opened their original auto parts store in April 1965 across the street to the west of it's current location. Lewis Bregenzer's first introduction into the auto parts business was as parts manager for Willard Watson Chevrolet in Hennessey. Then during his service in the Korean Conflict he also served in the U.S. Army motor-pool. Upon his return home he took a job as parts manager for a Chevrolet dealership in Weatherford, OK. When

things got slow there, Lewis took a voluntary layoff and moved to Enid where he took a job at Humphrey Chevrolet (now Northcutt Chevrolet) as parts manager. While there, he met and married his wife Alyce, who was the cashier.

It was 1965 when the Bregenzer's came back to Hennessey and opened their own parts store across the street from where the current building is located.

In 1971 the Bregenzer's had the opportunity to purchase the current building, previously known as the Watson Chevrolet building. Lewis remained active in the business until 2015 when he retired at the age of 87.

Alyce Bregenzer has served for the entirety of the 58 years as secretary and bookkeeper for the business. Many things have changed through the years where the bookkeeping has been concerned as well. Making the transfer from hand-done card files to full-on computer inventory management has been a challenge. But through it all Alyce has maintained her double entry bookkeeping system. There has never been any question as to who kept things "balanced" at Hennessey Auto Supply.

Mark said, "For me, it started in about 3rd grade when I used to ride my bike here, lean it against the wall and go to work. In about 6th grade, instead of going to the pool in the summer, I came to work full-time. I've been here ever since." Upon graduating from high school in 1976 Mark has been a full-time fixture at Hennessey Auto Supply.

Hennessey Auto has always been good at dealing with the oddball stuff. Mark said, "I hate telling people no. We try to find it or figure it out. Although everything is now on computers, we still have dozens of old-school parts books

El financiamiento fácil está disponible y tienen un proceso de aprobación fácil. ¡Dale una visita a Carter Chevrolet y pregunta por Miguel!

End of an Era continued....

to look up things if needed. It's kind of a lost art. Lately, the challenges have been getting parts. It used to be, you ordered the part and got the part. Now you never know if or when you will get it. Costs have escalated, and a normal price increase used to be 2 or 3%. Now it isn't uncommon to see a 10 to 30% price increase overnight."

Mark said, "The list of people that have worked here is too long to say. Our current employees, are Linda Pribyl and Curtis Best. Linda is retiring after having been here for 16 years and Curtis, who has been here for 11 years, will stay and work with the new owner." Mark, got emotional saying, "I have a lot of dads in this town. They all have seen me grow up here, I'm going to miss the people."

The sale of the business was completed making the Bregenzer's last day Friday, March 31st. The new owners Landon and Emily Harak, and Colby and Destinie Robertson reopened the store on Saturday, April 1st. Landon and Emily Harak also recently purchased Eagle Auto Supply when its owners retired. The two couples also own R and H Trucks and Autos in Hennessey.

When asked what are you going to do now?, Mark said, "To start, I will do a whole lot of nothing, but I will quickly get bored. I want to spend time with family and I'm a tinkerer so I have some projects I want to do."

Hennessey Auto Supply....the building, the people, the business...is very near and dear to the hearts of the Bregenzer family. It will be missed in so many ways.

On Friday, Mark's sister Patti Jones posted on her Facebook page. "Today is bittersweet. It's the end of an era for the Bregenzer family. Dad opened the store the first business day of April 1965 and today, March 31, 2023, is the last day of ownership. Thank you, Hennessey, for 58 years of support! We bless those who are carrying it forward!!!"

HAPPY 97th BIRTHDAY TO JUDGE BOB LOVELL!

Wednesday, March 29th, lawyers, judges and friends came together for lunch at the Hennessey Mercantile to celebrate judge Lovell's birthday. All enjoyed a delicious lunch, chocolate cake and pie while reminiscing about the good ol' days.

POLE DOWN

Last Friday, March 31, the 35 mph plus wind storm snapped a power pole at the intersection of N. Mitchell and Iowa St. in front of the school campus. Hennessey Police officer Bryan Birch was in the area and witnessed the pole break at about 12:30 pm. The police blocked off the area for about 3 hours while OG&E replaced the pole. The school had to get creative and redirect parents to pick up their children behind the auditorium to avoid the area while repairs were being made. The repairs were complete and the road reopened at about 4 pm.

HENNESSEY FIREFIGHTERS ANNUAL FUNDRAISER

This past Saturday Hennessey Fire Department cooked up a wonderful dinner and served it to the community for their annual fundraiser. Several hundred attended the event and enjoyed music by Mathew Streck and give-aways. This is the last event held in the fire station before demolition begins for the planned major addition and remodel. The improvements are funded with a portion of county sales tax dedicated to fire departments. The plan is to add a ladder truck to the fleet of firefighting equipment. There have been several structure fires recently where a ladder truck would have helped firefighters access areas unreachable with just a hose and ladder.

STORM CLEAN-UP

Saturday morning a small yet mighty Community Action Team gathered at the home of Maggie Russell. Within an hour a large tree that had fallen next to her house was cut up and hauled off. The tree blew over during Fridays wind event and caused some damage to her home. This team consisted of Ethan Munroe, James Simms, Kim and Cass Hobbs, Tony Blackburn, and Jimmy Berkenbile. Another community project is in the planning stages. Everyone is always invited to participate and to be a part of our community-caring spirit. Always stay tuned to All About Hennessey for the next opportunity!

DESIGN FOR DISASTER

Recently, Scissortail Play Productions, directed by Tammy Berry presented "Design for Disaster", a melodrama. Hosted by the Wellness Mercantile of Hennessey, the dinner theater was a roaring success. Berry, a seasoned actress and director, hosted the show to benefit Hennessey High School's Speech and Debate team.

Scissortail Play Productions formed in Enid. Berry started the group, "to bring enjoyable theatre to your venue while helping fundraiser for the organization of your choosing. The goal is to provide good entertainment while having fun and to help with fundraising goals of the group or organization we serve".

The cast had some seasoned actors with Leslie Mooers, Brice Donaldson, and David Yirka steadying the ship. It also had some newcomers to the stage with Cindy Tubbs, and Hennessey's own Kim Gritz and Ish Engle. Berry did a wonderful job with the help of Mooers who did double duty as Assistant Director. The cast grew close and had a wonderful time preparing for the show.

The plot is simple and had many of the surprise turns you would expect. The story follows Kay Arkay, founder and owner of Arkay Fashions, Inc., who has a group of investors willing to become her partners. But the investors turn out to be the Corduroy brothers, Smert, Skip and Eddy and her problems are just beginning. Will evil Smert manage to gain total control of Kay's company? Will brother Skip follow Smert down the path of crime? Can beautiful Hyacinth Smith win Skips heart? Is Cocoa Ferragamo, Kay's trusted pal, able help Kay overcome Smert's foul intentions? And what about Eddy? We found out the unexpected answers in: DESIGN FOR DISASTER!

HHS Baseball v. Alva 3/27/23

After being "one hit away" from a series sweep against the Chisholm Longhorns one week ago, the Hennessey Eagles baseball squad found themselves just "one pitch away" from a double-header District sweep of the Alva Goldbugs Monday night at Hatfield Park in Alva.

2nd Baseman Westyn Hopkins, the Eagles' leading hitter with a .414 batting average, knocked in the tying run and scored the go-ahead run via a bases-loaded walk by Jarrett Smith in the top of the 6th inning, and held that 9-8 lead into the bottom of the 7th, when Alva tied the game 9-9 with a 2-out double to center field, sending the game to extra innings.

The Eagles took the lead again in the 9th when Senior Center Fielder Seth Simunek stole home with 2 outs – 1 of 4 stolen bases for Simunek in the game.

Once again with the lead, and needing 3 outs for victory, the first two Goldbug batters walked, and with one out in the bottom of the 9th, Alva's short-stop Burgin delivered his first base hit of the game, a 2 RBI double to center, giving the home team the come from behind 11-10 walk-off win in extras. Simunek went 1 for 2 from the plate, walking once and getting hit by pitches 3 times, scoring 3 runs. Hopkins finished the game with 2 hits, 1 sacrifice bunt, 2 runs scored, and 1 RBI. Sophomore Left Fielder Kevin Trillo scored 3 runs on 2 hits, and 1 walk. Jarrett Smith (2-2) took the loss on the mound in relief. The Eagles defense committed 6 errors while the offense left 11 runners on in the loss.

Game #2 of the District 3A-1 DH saw the Eagles bats come alive, pounding out 4 runs in the 1st, 2 in the 3rd, and finishing the Goldbugs off in run-rule style with a 6-run 4th, giving the Eagles a 12-1 win and a series split in the nightcap.

Seniors Langston Smith and Sebastian Gonzalez led the way with 2 hits and 2 RBI each, with Smith scoring twice and Gonzalez scoring 3. Sophomore Catcher Hunter Weber went 2 for 3, scoring 1, and knocking in 3 RBI. The Eagles stole 4 bases, including Seth Simunek's team-leading 14th of the season. Simunek also got on via 1 hit by pitch, his team-leading 9th HBP so far. Gonzalez (1-0) got the win on the mound, pitching all 5 innings, giving up only 1 run on 4 hits, striking out 7 'bugs.

The Eagles (5-5, 2-2) now turn their focus to the upcoming 39th Annual Hennessey Baseball Tournament this coming Thursday, Friday, and Saturday at Jack Funderburg Field in Hennessey.

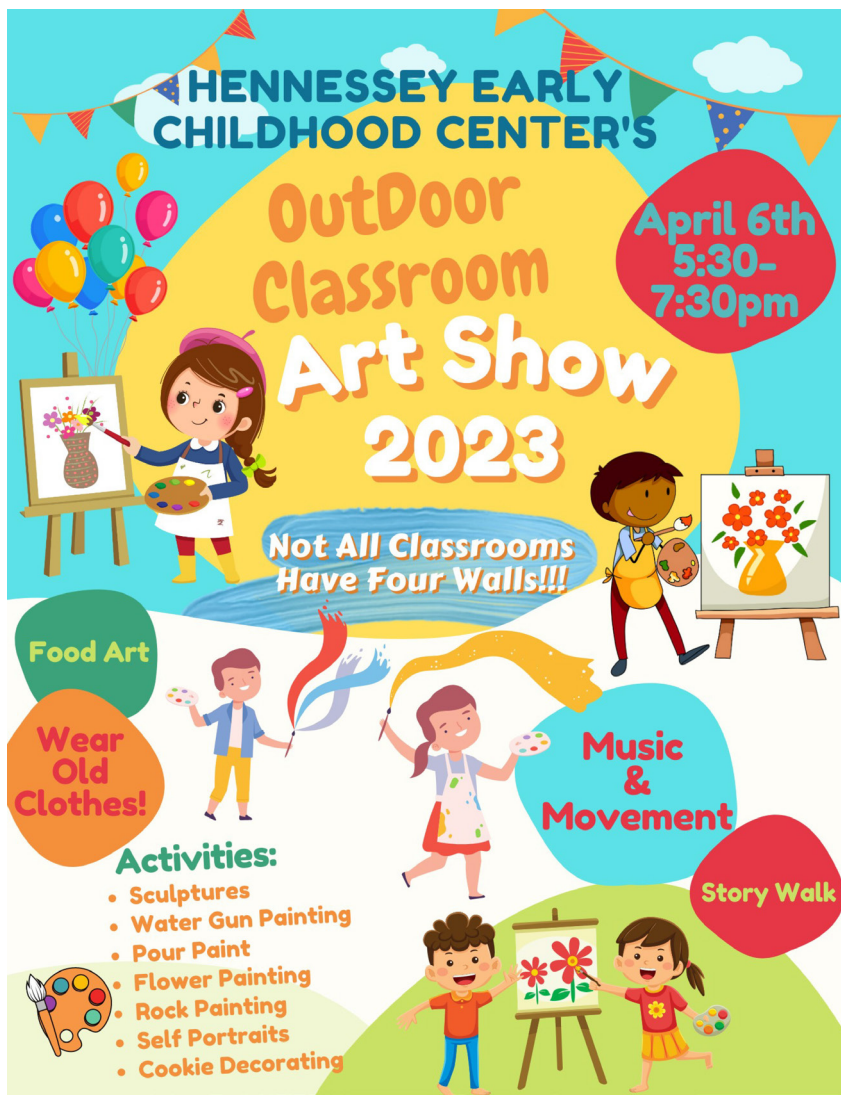

39th Annual Hennessey Baseball Tournament

The 39th Annual Hennessey Baseball Tournament gets underway this coming Thursday, March 30th, at Jack Funderburg Field at the Hennessey Schools Athletic Complex in Hennessey.

Teams from Cashion, Oklahoma Bible Academy, Fairview, Stillwater, Alva, Chisholm, and Crescent will join the Hennessey Baseball Eagles in the 3-day double-elimination tournament beginning with the first pitch at 12:00 pm on Thursday as the Eagles host the Cashion Wildcats in Game #1.
