NEW VICE MAYOR SCHOOL DRAINAGE PROJECT ON HOLD

Hennessey Board of Trustees voted at their regular meeting on Thursday, May 11th making Harold Shaw the Vice Mayor. Shaw was nominated by David Jones, and seconded by Shaw. Jones, Shaw, and Clif Vogt voted yes. Bert Gritz and Randy Bohnstedt voted no. Shaw was elected unopposed in April 2021 for a 4 year term.

The vice-mayor's roll is to act as mayor during the absence or disability of the mayor.

Bids were sent out last month for the long-awaited drainage ditch improvement project and were broken into two sections. One for the drainage and another for the parking areas.

Superintendent Jason Sternberger told the school board at last week's meeting that they received bids on the parking area but none for the drainage portion of the project. Sternberger said, "No one wants to bid on the drainage part because there is a large waterline in the same ditch. This has to be moved before placing drainage pipes on top of the waterlines." Sternberger told the board that they need to put the project on hold until he can talk with the town about options.

MITCHELL ROAD DRAINAGE MESS

During last week's Hennessey Trustees meeting Bert Gritz said, "In my mind, all that money has been wasted, that project is not going to drain. Everything from 3rd South is going to hold water and be a big mosquito nest. This is how the engineer drew it up." Gritz was referring to the drainage project currently under construction on S Mitchell Rd.

After this week's rain, the entire area that has been completed so far is holding water and not draining. This project is being funded by a grant and has been under construction for about 2 months. Gritz said, "I don't blame the contractor, I think the engineer didn't do it right. I called them yesterday and they kind of blew me off."

There is an area north of 3rd St where the drainage was placed underground in front of several homes in the 300 block of S Mitchell and it is higher than the new drain system causing a blockage. Several board members agreed to meet with the engineer to discuss a solution.

CLASS OF THE 1980's REUNION

Hennessey, Oklahoma - The Hennessey High School Class of the 1980s is excited to announce the upcoming HHS Eagles reunion on May 20, 2023, starting at 11am at the Hennessey Mercantile and Vernost Wine Co. This reunion promises to be a fun-filled event for all alumni of Hennessey High School who graduated in the 1980s.

The reunion will feature a friendly competition between each class to see which 80s class can donate the most money in their class bucket. Not only will this competition bring out the friendly rivalry between classes, but it will also benefit the Hennessey community.

"We are thrilled to bring the Hennessey High School Class of the 1980s together once again," said reunion organizer, Larry Hampton. "This reunion is an opportunity for us to relive the memories and catch up with old friends. We also wanted to give back to the community that gave us so much growing up."

The Hennessey Mercantile and Vernost Wine Co. will be the perfect settings for this reunion. These historic buildings have been beautifully restored, with charm and character and Hennessey history. Both are located in the heart of Hennessey, making it easily accessible for all attendees.

"We encourage all alumni to come out and join us for a day of fun and reminiscing," said Hampton. "This reunion is a chance to reconnect with old friends and make new memories. We can't wait to see everyone there!"

For more information about the Hennessey High School Class of the 1980s reunion, please visit the Facebook group "Hennessey 1980s Alumni" or contact Larry Hampton at 405-203 6796, texts are preferable M-F from 8-5. Or email larryhampton1967@att.net.
