PLANT A SEED AND WATCH IT GROW FLATLANDS MARKETPLACE

Ross Hardin long-time Hennessey resident traveled to Canton, TX many times to attend their first Monday Trade Days which is the largest upscale flea market held in the United States. After going trip after trip, he was amazed at just how large, and wonderful this market was. He thought to himself, that he'd sure like to see something like this in Hennessey Oklahoma. It was then that the dream began to take root. Ross could not get the idea of bringing some kind of trade days to Hennessey out of his head, thus bringing to life FlatLands MarketPlace.

Ross wants to be able to gather locals as well as vendors from near and far to set up shops in one big building. He welcomes all vendor types, from the homemade goodie makers to at-home businesses, crafters, creators, antiques, and everything from the unique to practical. Ross knows it's going to take patience and time but with some hard work

Powder and String Club: Where Community Friendships Begin

By Sara Jane Richter

In the 1960's, the Lacey community some eight miles west of Hennessey saw a group of men interested in hunting and fishing who met periodically in the old Lacey School building. Once the school closed, the club disbanded until these hunting aficionados decided to regroup in a new place, with additional members, in Hennessey. Thus, the long-standing organization renewed itself in 1968, and soon after, the club became known as the Powder and String Club.

Early members included Darrel Mauck, Bob Lovell, Dale Melendy (still club members today), and the late Harold Bullis among others. The men would bring their sons with them to the meetings, and while the meetings had the men sharing tips on lures for successful fishing and the reloading shells for upcoming hunting seasons, they also brought their children into the fold with instruction regarding hunting, fishing, proper gun handling, and field activities.

The Powder and String Club still meets the second Thursday of each month these many decades later, and its focus continues to be youth education, especially regarding the shooting sports and hunting. They meet at the Maple Grove School west of Hennessey. Currently, the club has nearly 30 men and women interested in the outdoors. Family memberships are typical. Melvin Pospisil serves as president with Delbert Torrey as vice president, and Mike McGee as secretary/treasurer.

At the Maple Grove School site, the club maintains two trap houses, one for nighttime trap shooting. In addition, the club leases a pond exclusively for members to fish. To continue their tradition of bringing young people into the shooting and fishing world, they offer 4H gun safety and trap shooting instruction and legitimate 4H trap shoots. Members Tanner Choate and Mike McGee are both certified 4H coaches.

The club provides upkeep for the school and its grounds as well as support for 4H members interested in shotgun sports, so in order to accomplish that, they host fund raisers. For example, they host fun shoots the first Sundays of each month at \$10 per round of trap. In the spring, they hold a fishing derby. This year, 20 participants came to tempt the fish who weren't biting too well that day, but they enjoyed a fish fry afterwards anyway. The club hopes for more cooperative fish this upcoming spring.

They would like to re-institute their annual Game Feed Banquet which has fallen from the club calendar due to a small and aging membership, a lack of venue, and the Covid epidemic. The Game Feed Banquet served wild game taken by club members and enjoyed by ticket holders. Sometimes, the serving line boasted some exotic meats, such as bear, boar, and turtle. Unfortunately, calf fries never made it to the serving line as the cooks gobbled them up in the kitchen. A guest speaker like perhaps a National Rifle Association

executive or an official from the Oklahoma Wildlife Conservation office might be the evening's speaker.

The Powder and String Club proudly supports the local 4H members and offers solid instruction in hunting and gun handling skills, all vital to the shooting sports and outdoor life. The 4H club actually meets in the Maple Grove School courtesy of the club. Powder and String members have always made connections with its community and calls the club a community-minded friendship organization with a sincere interest in the education of young people who will inherit the use of the outdoors and should be able to respect and utilize it properly.

People are encouraged to join by contacting Mike McGee; individual memberships cost \$25 per year while family memberships are \$50. Keep the outdoors alive and well by participating in Powder and String, help educate young people, and learn to work as a team and enjoy Mother Nature while doing so.

Plant a Seed and Watch it Grow continued...

and the community's help, he sees this growing into something big for Hennessey. Ross says "This building is a building of love because everyone under this roof is sharing something they love. We have this giant building with 10,000 feet of indoor space, acres of parking and outside vendor space, along with self contained vendor camping, it's time we put it to good use" FlatLands MarketPlace, where vendors meet shoppers and shoppers find unique treasures.

The first Hennessey FlatLands MarketPlace will happen on Friday, Saturday, and Sunday, December 8th through the 10th and will be open 10 am to 6 pm on Friday and Saturday, and 10 am to 3 pm on Sunday.

It is located at 1100 N. Mitchell Rd. This is about ¼ north of 4Ts on Mitchell Road. This will be an ongoing event and will be held the 2nd weekend of every month. If you would like to be a vendor contact Ross at 405-412-0800

OVER 500 PARTICIPANTS HENNESSEY VOCAL FESTIVAL 2023

Sixteen Oklahoma schools descended on Hennessey Thursday, November 16th bringing a mega choir of over 500 students. This event was coordinated by Hennessey Vocal Music Director, Riley Faulkner, her staff, and a team of volunteers.

The clinicians for the day were Cristi Miller and Kenneith Stock, respectively. They are tasked with being the guest conductor of the day and leading students through intensive rehearsals. Students rehearsed with their respective choir's clinician for over 6 hours perfecting the music for the evening concert.

Riley Faulkner said, "Hennessey Vocal Festival has many moving parts and would not be possible without the help of my parent volunteers who step up in a huge way in order to make the event successful and run smoothly throughout the day. Also, a big thanks to our local food establishments, Gaviota's, Eat It Up, and Golden Chick for their willingness to serve students lunch! The food was fantastic and the service was professional. Thank you!"

The students had never performed together until the final concert in Hennessey's Eagle Event Center with all 500 plus students. Approximately half of the students are middle school and the other half are high school age. Photos by Jack Quirk

FUNDRAISER FOR ALFIE DAVIS

Alfred Davis, affectionately known as Alfie, a lifelong resident of Hennessey, spent many years working for the town until his retirement. Alfie is an avid fisherman and a dedicated husband, father and grandfather. He enjoys spending time at Howdy's with friends, chatting and sipping coffee.

During his time in Hennessey, Alfie has been actively involved with the "FOG" group, alongside Mark Henry, Greg Luper, and Bill Norman. Together, they have served food for fundraisers, ministries, the nursing home, church youth groups, back-to-school bash events and more. Now he is in need of our help.

On November 6th, Alfie was involved in a collision at the intersection of Hwy 51 and N. Mitchell Road. His vehicle was struck on the side at the intersection. He was trapped inside the vehicle and had to be rescued by Hennessey Firefighters. Accompanying him in the pickup were his two granddaughters, who were taken to OU Medical Center in Oklahoma City by Kingfisher with minor injuries. Alfie was transported to Howdy's Travel Plaza by LifeEMS and then airlifted by AirEvac Helicopter to OU Medical Center for further medical attention.

The Community Action Team is going to hold a fundraiser dinner Friday, December 1st at 5:00pm at The Concept located south of Hennessey at 17172 E Conoco Rd. We will serve pork, beans, potato salad, coleslaw, drinks and desserts. After dinner there will be an auction. There is also a fund set up at Community State Bank through the Community Action Team put "Alfie Davis" in the memo.

HENNESSEY SCHOOLS FEATURE INTERNS

Abigail Holsten Abigail is a junior at HHS. She is interested in the field of education. Her mentor is Amanda Luper, the kindergarten teacher at Hennessey Early Childhood Center.

Abigail has been attending HPS since fifth grade. She is currently in FCCLA (Family, Career, and Community Leaders of America). Abigail chose to be in the program to develop leadership skills. She is also a member of YAH (Youth Action for Health Leadership). This is a leadership program that promotes healthy behaviors and specifically targets the use of tobacco.

She expressed how important it is to her that her peers are educated about the dangers of tobacco. She is currently working at Sonic and her favorite pastime is playing video games and spending time on the TikTok app. It was last year, when Abigail was a sophomore, that she first became interested in the field of education. She recalled hearing so much about teacher shortages in the news, and that led her to do her own research in the field of education. She decided to become an intern this year so that she could observe and have some hands-on experience working with the students in the classroom.

Her favorite thing about the internship is getting to know each student on a personal level and discovering that each one has their own unique personality. Abigail credits Mrs. Luper for modeling what good classroom management looks like. Her favorite activity has been watching and helping the students with handwriting. When asked to comment on Abigail, or Ms. Abby as she is known in the classroom, Mrs. Luper stated, "When Ms. Abby enters the classroom, she always greets us with a kind smile. Her approach with my kinders is gentle and caring whether she is redirecting undesired behavior, waking up a student from rest time, or helping with academic centers. My students adore her and shower her with hugs every chance they get. I am very thankful for the way Ms. Abby has been a blessing to our class this year."

Abigail intends on participating in the internship program again next year. After graduation, she plans to attend Northern Oklahoma College in Enid for two years, then transfer to the

University of Oklahoma, where she will focus on completing a degree in Elementary Education.

Jaret Matthews Jaret is a junior at HHS.

He is an intern under Drew McElhaney, youth pastor at FBC (First Baptist Church) in Hennessey. He plans on pursuing a career in the ministry. Jaret was born in Wichita, Kansas. His family moved to Hennessey where he began HPS as a first grader. Jaret is a member of the speech and debate team and a member of the Hennessey choir. In his sophomore year he was an executive reporter for STUCO (Student Council) and he regularly attends youth group at FBC on Wednesday evenings. He has had various small jobs throughout high school. He has been a babysitter, and dog-sitter, mowed lawns, and currently works at Pizza Hut. In his spare time, he enjoys rollerblading and swimming. He has a certification in CPR and is also certified to be a lifeguard.

Jaret credits his biggest fan, his father, for inspiring him to become a minister. His father has supported him, been a role model for him, and been someone he could always count on. His father holds the position of elder at the Dover Christian Church where the family attends services each Sunday. It was the summer after his ninth-grade year that Jaret came to the decision to go into the ministry. He was attending Falls Creek Youth Camp at the time with the Hennessey FBC Youth Group. During that week, he felt led by God to the ministry, and upon returning home, he began researching what a degree in ministry would entail. Under the guidance of Drew, Jaret has learned about the importance of developing a bible reading plan that is tailored just for him. He has discovered how to look inward when reading scripture and figure out how the scripture is meaningful for him and his life. He is currently working on a devotional to share with the residents of the Hennessey Care Center on Sunday, Dec. 10. His devotional is based on the scriptures in Luke 2:1-20.

Jaret plans on continuing in the internship program again next year, and after graduating from HHS, he intends to attend Ozark Christian College in Joplin, Missouri. He will work on a Bachelor's Degree in Theology or Christian Ministry.

Both Abigail and Jaret are part of the Hennessey School Career & Internship Program. This program, directed by Kim Hallmark matches students with business allowing them to experience real-life day-to-day operations in a career field they have an interest in.
