## ICY START TO THE WEEK

The National Weather Service had been forecasting an ice storm for several days, scheduled to hit last Monday. However, Hennessey was on the outskirts of the storm, so not much was expected. Other parts of the state were predicted to receive up to ¾ of an inch of ice. On Sunday at around 8 pm, all schools in the area began to cancel classes for Monday, although it still seemed uncertain for us. Then, around midnight, a light mist began to fall, and the temperatures dropped, causing all surfaces, including roads and sidewalks, to become glazed with ice.

"It's like a skating rink out here," Jack Quirk reported in his live broadcast at 7 am. "If you can stay at home, please do so." The Department of Transportation had done a good job pretreating Highway 51 & 81, but everywhere else was extremely slippery, making even standing up a challenge. Many local businesses decided to close, and some opened late. However, by 11 am, the temperatures had risen above 32 degrees Fahrenheit, and things began to thaw out. Fortunately, this was not a typical Oklahoma ice storm where trees would be covered in ice. The Oklahoma Highway Patrol reported dozens of accidents throughout the county, most of which were caused by people skidding off the road due to the icy conditions.

## HENNESSEY BROTHERS EXPAND THEIR BUSINESS

Brothers Sonny & Yash Patel, owners of the Hennessey Eagle Mart are expanding their business to include a new location in Kingfisher. The Diamond Shamrock convenience store located on the west side of Kingfisher at the intersection of Hwy 33 (Broadway) and 13th St was recently purchased by the Patel Brothers.

The new name of the store is The 33 Express Convenience Store. The Patel's have a lot of experience operating convenience stores having operated the Eagle Mart in Hennessey for 12 years. There are plans to renovate the store with a new look, and will now offer Hunt Brothers Pizza. The store is located at 723 W Broadway (Hwy 33) on the west side of Kingfisher.

TOWN BOARD OF TRUSTEES HAVE LOTS OF QUESTIONS ABOUT ORDINANCES

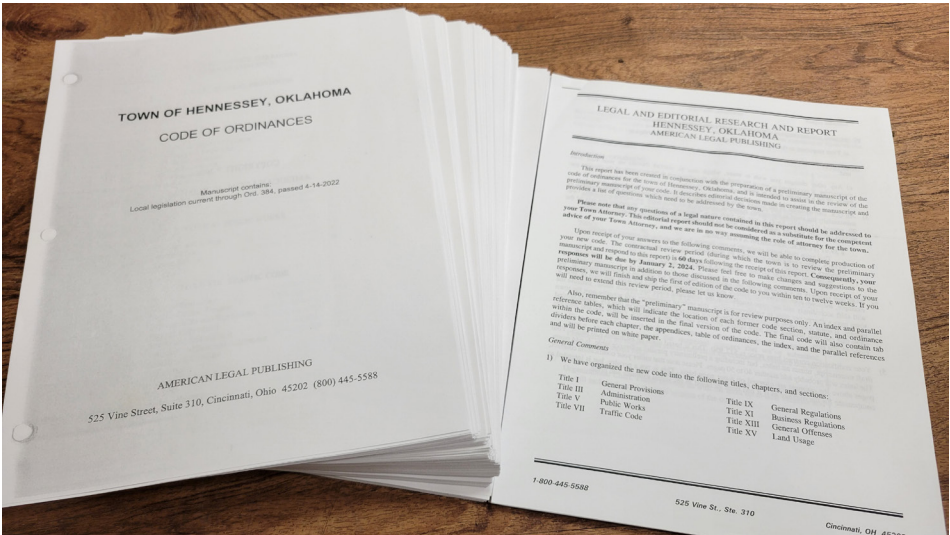

File photo of John Wynne current town attorney.

Last Thursday night's Trustees meeting, initially expected to be short based on the agenda, turned out to be a lengthy affair which will span multiple days. The primary agenda item was to discuss and approve the draft of the codification of ordinances from 2006 to 2022, which turned out to be a nearly 500-page document. This task required extensive work and raised numerous legal questions.

After approximately an hour and a half of deliberation, the board realized that to handle this matter correctly, the presence of the town attorney was necessary

to address the legal queries associated with each item. Town Administrator, Tiffany Tillman, informed the board that she had received information suggesting that John Wynne, the current town attorney, might be contemplating retirement.

Following this revelation, the board considered reaching out to The Oklahoma Municipal League for assistance in finding an attorney specialized in ordinances who could guide them through the process. Recognizing the need for professional help in this matter, the board adjourned until arrangements could be made for the presence of an attorney.

Town Board of Trustees discusses ordinance code

EAGLES MAKE QUICK WORK OF THE LONGHORNS!

The Lady Eagles matched up against the Chisholm Lady Longhorns Monday, January 15th. The Eagles got out to a hot start, with their defense playing extremely well and limiting Chisholm to 1 point in the entire 1st quarter. The Longhorns got it going in the 2nd and cut their deficit, but it wasn't enough and they trailed going into halftime. They would never surmount the Hennessey lead, as the Lady Eagles had Emma Copeland, Kadee Meeker, Star Torres, and Ally Painter all go for double-digit points. They shot very well from beyond the arc en route to their 53-28 win over Chisholm.

The 5th-ranked Eagles had what would prove to be a tight game against the Longhorns. Neither team got much going in the 1st and momentum wasn't established for either side. The Eagles started to pull away in the 2nd courtesy of Jael Torres being a force down low, and they went into halftime with a lead. It continued to be a very back-and-forth affair, with neither team ever being able to establish a potent attack. In the 4th, as the clock winded down the Eagles had a double-digit lead, but Chisholm's leading scorer had other plans. He knocked down tough shots to cut it to just a one-score deficit. The boys would hold on though, and win 53-48.

WRESTLING AT THE EAGLE EVENT CENTER

Six teams went head to head Saturday, January 20th for a round-robin duals style tournament. Each team wrestled 5 duels against all 5 of the other schools. The tournament champion was the 6A US Grant, who garnered an undefeated 5-0 record. Cashion, Mount St Mary's, and Hennessey all lost 1 to each other and 1 to US Grant, meaning there was a 3-way tie for 2nd that needed to be decided via points. MSM had 153, Cashion with 154, and your Hennessey Eagles with 180 and a solo second-place finish! Photos by Jack Quirk and Raeanna Fuksa, Story by Taylor Ladwig.

## SPEECH AND DEBATE COMPETE IN ALVA TOURNAMENT

## YALE TOURNAMENT CHAMPIONS!

The Hennessey Eagles played in the Yale Tournament these last few days looking to get their second tournament win this year. After dominating the first game. They won once again by 17 points to send them to the championship game against a familiar Frontier opponent, ranked #4 in class B. Frontier jumped out to a big-time lead, but the Eagles clawed their way back. Just in time though, for another run for Frontier as things looked bleak for the 5th-ranked Eagles. They finally grabbed the lead in the 4th quarter after slowly gaining ground in the 3rd, they never let up, taking down Frontier once again in a close game 50-46 and winning the Yale Tournament!

## HENNESSEY GIRLS FINAL

The Hennessey Lady Eagles Girls lost in the final game of the Yale Tournament. The final was 58-30, Hannah Swart was the leading scorer with 7. Story by Taylor Ladwig, Photos by Raeanna Fuksa.

## HENNESSEY SCHOOLS FEATURE INTERNS

The All About Hennessey POST Features 2 students from the Hennessey High School intern program each week. This week's students are Amey Haymaker and Brooke Sims.

**Amey Haymaker**, an HHS senior is an intern at Wheatland Vet in Kingfisher under Dr. James Matousek.

Amey is a Hennessey native who has attended Hennessey schools from the time she started school. In 10th grade, she was inducted into NHS and FCCLA. She was a member of 4H for four years and is currently in her fourth year of FFA. She served as secretary her sophomore year and this year she is president.

Amey began showing pigs when she was only eight and for several years showed sheep as well. In 2022, she won Overall Swine Showmanship in the junior division at the Oklahoma Youth Expo and was awarded a significant college scholarship.

It shouldn't be a surprise that Amey has committed to becoming a veterinarian after all of her experience with animals. She secured an internship at Wheatland Vet in Kingfisher under Dr. James Matousek creating the opportunity for a lot of hands-on experiences.

One of the most unusual things she has seen is an infected claw on a cow. Dr. Matousek took the time to explain step by step the "how" and "why" to each part of the procedure in treating the animal. The most important part of the learning process for her is the exposure to the vocabulary that she is learning from Dr. Matousek which will serve her very well once she starts her veterinary program.

After graduation, Amey plans to get an Associates degree in Animal Science from Redlands Community College and then apply to Oklahoma State University's College of Veterinary Medicine.

**Brooke Sims** is a senior at HHS and is in her second year of the internship program at the Eagle Nest Daycare on the HPS campus. She will be pursuing a career as a pediatric nurse. Brooke originally from Henricho, Virginia, moved here at the beginning of her seventh-grade year. Brooke was active in track and cross country during her freshman and sophomore years and has been a cheerleader for the past four years, and a member of FCCLA for two years.

Brooke applied and was selected to be a Prom Ambassador this year through the Prom Shop in Enid. She will participate in modeling formals and attend regular meetings with other ambassadors to discuss formal fashion trends and fashion advice.

Most of her summers have been spent working. The summer after her sophomore year she worked for Vadder Mercantile, then a lifeguard at the Hennessey Aquatic Center, and she currently works at the Vernie Snow Aquatic Center in Kingfisher.

Since she also has a love for children, she has decided on a career as a pediatric traveling nurse. Last year she was an intern under the HPS school nurse, Shelley Muzny. Under Nurse Shelley, she was able to see up close the job of a school nurse.

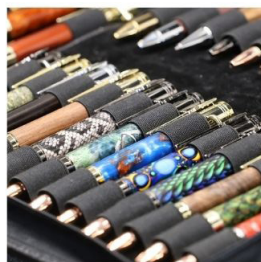

This year she chose to work at the Eagle Nest Daycare on the HPS grounds working under Carol Roller, director of the daycare. The experience of being around small children has allowed her to get a general idea of what to expect as a pediatric nurse. After graduation, Brooke will attend UCO in Edmond where she will begin working on a degree in nursing and minor in Psychology.

Both Amey and Brooke are part of the Hennessey School Career & Internship Program. This program, directed by Kim Hallmark matches students with business allowing them to experience real-life day-to-day operations in a career field they have an interest in.

## Mary Josephine (Browne) Bullis Obituary

Mary Josephine (Browne) Bullis was born in Hunnewell, Missouri on August 3, 1940, to Loretta Rose (Montgomery) Browne and Charles Chapman Browne and died Thursday January 18, 2024 at Homestead Assisted Living in Kingfisher.

Mary Jo had five siblings Sue, Bill, Mike, Eileen, and Charlie. The family moved from Hunnewell to Kingfisher in 1949 after Charles had taken a job working for a telephone exchange that would later become Pioneer Telephone. Mary Jo attended Saints Peter and Paul Catholic School and graduated from Kingfisher High School where she was active in FHA, Pep Club, Choral Quartet, and was a cheerleader. After graduating from Kingfisher High School Mary Jo continued her education at Texas Women's College in Denton, Texas and Mount St. Scholastica in Atchison, Kansas.

On October 29, 1960, Mary Jo married Ray Allen Bullis.

Mary Jo and Ray moved to the family farm where they farmed with Ray's parents Wilbur and Lucy Bullis and later their son Chris. Mary Jo and Ray had four children, Elizabeth Ann (Beth), Marcella Marie (Marcy), Christopher Kenton (Chris), and John Robinson (Rob). Mary Jo was an accomplished homemaker, mother, grandmother, and great grandmother. Mary Jo rarely missed an event that her children, grandchildren and great grandchildren participated in. It didn't matter if it was a livestock show, Jr Miss, 4-H competition, basketball game or baseball game, Mary Jo was always there. She got to enjoy watching her children and grandchildren participate in and win several different state tournaments.

Mary Jo took great joy in rearing her family with Ray. Whether it was teaching her daughters how to sew and cook or helping her sons with projects, she showed her love every day. She was an accomplished seamstress that was a perfectionist and sewed many of the clothes that her daughters wore during their school years. Mary Jo spent countless hours listening to speeches, traveling to events, and supporting her family in their various activities. She was always eager to take meals to the field during harvest and kept the books for the farming operation. In 2006 Mary Jo began writing stories about her and Ray's childhood and married life for the grandchildren. These stories unfortunately stopped when her memory issues began in 2018, but they are a treasured reflection of the loving and talented grandmother that Mary Jo was.

Mary Jo was very active in her community and in her faith. She served on the Dover Board of Education and was a tireless volunteer for Dover Schools. She led efforts to continually improve Dover Schools including helping raise funds for items such as new stage curtains, can drives for library books, assisting with eye screenings for students, serving on the Dover Education Foundation and the Dover Booster Club. Mary Jo was a member of St Joseph Catholic Church in Hennessey. She taught Catholic education classes and was a member of the St Joseph Altar Society. Mary Jo was involved in Home and Community Education where she held multiple offices at the local and state level. Mary Jo was acknowledged as the Homemaker of the Year on both the county and state level.

Mary Jo is survived by her husband Ray of the home, daughter Beth Evans and husband Andy of Kingfisher, Marcy Eldridge and husband Steve of Deer Creek, Chris Bullis and wife Cheryl of Dover, and Rob Bullis and wife Tyree of Enid. Mary Jo's grandchildren include Jennifer Farrar and husband Chase of Kingfisher, Krista Peck and husband Matt of Kingfisher, Abby Briscoe and Charlie Forster of Fort Worth, Caleb Eldridge and wife Devin of Piedmont, Haley Eldridge of Oklahoma City, Lucy Bullis of Enid, Lyla Bullis of Enid, and Mandy Gulley and husband Clint of Canute. Mary Jo's great grandchildren include Collin and Cal Farrar of Kingfisher, Palmer and Parker Peck of Kingfisher, and Peri Gulley of Canute. Mary Jo's surviving siblings include Mike Browne of Houston, sister Eileen Radunzel of McCloud, brother Bill Browne of Dallas, and sister-in-law Mary Francis Streller of Edmond. Mary Jo also had numerous friends, nieces, nephews, and cousins that will greatly miss her. Mary Jo was preceded in death by her parents, granddaughter Shea Briscoe, sister Sue Dixon, brother Charlie Browne, and brother-in-law Gene Streller.

In lieu of flowers the family asks that donations be sent to St Joseph's Memorial Fund 211 N. Cherokee, Hennessey OK 73742; Dover Education Foundation PO Box 154, Dover OK 73734; Russel-Murray Hospice PO Box 1423, El Reno OK 73036. The family would like to express thanks to the caregivers of Homestead Memory Care Unit. The sweet and gentle care given to Mary Jo during her time at Homestead is greatly appreciated and has been a true blessing to our family.

Wake Services to be held at 7:00 PM Tuesday, January 23 at St Joseph's Catholic Church Hennessey. Funeral Mass to be held at 10:00 AM, Wednesday, January 24 at St Joseph's Catholic Church with interment following at Calvary Cemetery under the direction of Cordry-Gritz Funeral Home.

ON FROZEN POND

No, I'm not talking about the old Henry Fonda movie. This is about the resident Canadian Geese that live on Hennessey's Bull Foot Park Pond. The extreme cold we have had over the past few days has frozen the pond solid so the geese are sitting on the ice waiting for it to warm up. Hopefully, this will happen later this week.

FIRE AND ICE

Hennessey Firefighters braved the cold last Tuesday (January 16th) at about 8:30 am to fight a truck fire near 650 Rd. and 2930 Rd, east of Hennessey. With temps in the single digits they had to circulate the water in the trucks on the way to the fire and then keep the water moving when they arrived so it wouldn't freeze up. The truck was a total loss and no one was injured.

Thank you

FROM THE FAMILY OF  
JIM BRUNER

The Bruner family would like to express their heartfelt gratitude to everyone for their prayers, kind words, support, food, cards, and flowers. We would also like to thank Hennessey Nursing and Rehab and St. Mary's hospital for the care Jim received during his stay. Your acts of kindness during this difficult time were truly appreciated.
