-HENNESSEY'S HOMETOWN NEWSPAPER-

FIRST BASEBALL GAME IN MEMORY OF JARRETT

Monday, March 4th was a touching moment as the Jarrett Smith memorial bench was unveiled at the first high school baseball game which coincided with what would have been Jarrett Smith's 16th birthday. The entire Hennessey Eagles Baseball team, family, and friends stood on the field during a brief ceremony.

Preston Smith, Jarrett's father, and Brandon McKay, stepfather honored their son's memory by simultaneously throwing out the first pitch, symbolizing Jarrett's enduring legacy and impact on all those who knew him. After the first pitch, everyone on the field released balloons in his memory.

A memorial plaque was placed in the outfield and a bench was placed at the field in Jarrett's memory with the statement "Life

doesn't always go as you planned, if it did, your fourth hitter would always be up when the bases are loaded."

To honor Jarrett, his brother Weston wore Jarrett's #4 uniform and the Pioneer team wore a decal with Jarrett's #4 on their helmets. The final score was Hennessey 3, Pioneer 10.

Sergeant Solis and his partner K-9 Kase

NEW ARMOR FOR KASE THE POLICE K-9

Sergeant Christian Solis of the Hennessey Police Department's K-9 unit, Kase, was recently gifted a protective vest by the non-profit organization Vested Interest in K-9s, Inc. This bullet and stab-resistant vest was generously sponsored by Leah A. Beale of Oklahoma City, OK, and is personalized with the message "This gift of protection provided by Leah Beale".

Vested Interest in K-9s, Inc. is a charitable organization founded in 2009 with the mission of providing protective vests and support to law enforcement dogs across the United States. These vests, made in the U.S. and NIJ certified, have been instrumental in safeguarding the lives of K-9 officers. To date, Vested Interest in K-9s, Inc. has distributed over 5,472 vests nationwide, valued at \$6.9 million, thanks to donations from individuals and corporations.

The program is available to K-9s in law enforcement who are at least 20 months old, actively on duty, and certified by relevant agencies. Even K-9s with expired vests are eligible for assistance. With an estimated 30,000 law enforcement K-9s in the U.S., donations toward the cause are essential. A tax-deductible donation of \$985 can sponsor a vest, which costs \$1800 and comes with a five-year warranty.

To contribute or learn more about volunteer opportunities, contact Vested Interest in K-9s, Inc. at 508-824-6978 or visit their website at www.vik-9s.org. Donations can also be sent by mail to P.O. Box 9, East Taunton, MA 02718.

THE PRIDE OF HENNESSEY HEADING TO STATE!

Our talented Hennessey Band secured their spot at the state band contest by receiving unanimous Superior ratings in concert performance and a Superior rating in sight-reading at the OSSAA District Band Contest held at NWOSU in Alva. The State Band Contest will occur during the last week of March at ECU in Ada.

CONSOLATION CHAMPS AND A TRIP TO THE BIG HOUSE!

The 4th-ranked Eagles had a rematch against the 11th-ranked Riverside Braves with a shot at state hanging in the balance. Riverside started out shooting the lights out, hitting 5 threes for their first points of the ball game, as the Eagles couldn't get it going from the perimeter. The Braves took hold of the lead and held on because of the beyond-the-arc shooting. Jael Torres was bound to bounce back, and he did. He put up a good 1st half but the Eagles trailed 29-23. In the 2nd half, the Braves hot hands cooled down. Still maintaining a lead, but the Eagles were waiting in the wings for their opening. It came to fruition late in the 3rd, good defense and hot hands from Camdyn Richardson and Hunter Weber allowed the boys to snatch the lead for the first time in the game. A lead they would hold onto for the remainder of regulation. Richardson, Torres, and Weber all had double-digit points as the Eagles will head to the big house today, Wednesday, March 6 at 9:00pm. Game times will be decided today, and if you cannot attend hennesseyeagles.tv will have a radio broadcast of the game. Final score 49-43. Story by Tayor Ladwig, Photos by Beth Curran.

There will be a send-off today, Wednesday, March 6 at 5:45pm on Main Street. They will head south.

VADDER WINS AT AG MECHANICS SHOW

Vandin Vadder, HHS Freshman won for the second year in a row last week in the Wood Only Division of the Ag Mechanics Show on Wednesday, Feb. 28, at the 2024 Northwest District Junior Livestock Show in Enid.

Vandin competed in the ag mechanics competition and won for his desk project. He also placed third in the Overall Showmanship category which included about 100 competitors.

Two other HHS students won in the showmanship competition including, Kaden Kennedy and Kaden Moulton, came in seventh place with their custom up-down bars. The group is led by Hennessey Ag direction Jorge Huizar.

Vadder won with his customized maple desk that included a galaxy-themed solid epoxy top. The desk was designed using SketchUp, a 3-D modeling program, then imported it to a CNC machine used to cut the parts. To bring the galaxy-themed top to life he added LED lights. Photo provided

HENNESSEY'S CAM GRIFFIN PAGES FOR REP. DOBRINSKI

OKLAHOMA CITY – Cam Griffin, a senior at Hennessey High School, paged in the office of Rep. Mike Dobrinski, R-Okeene, during the week of Feb. 12.

House pages run messages to legislators while they are in the chamber, and they help in their Capitol offices. Pages also participate in a mock session, in which they learn legislative procedure and how to write legislation.

"Cam did an amazing job as a page," Dobrinski said. "He asked fantastic questions. He got involved in learning about the legislative process. He was engaging and a quick study. It was an honor to have him serve in this capacity. I know he'll do well in his future."

Cam is the son of Patrick and Jan Griffin of Hennessey. He plans to attend Oklahoma State University to get his masters in mass communication. He plays football and baseball all while singing in his school's choir and acting in drama class. Cam was named to the Oklahoma All-Area Football Team by leading his team in tackles as a defensive linemen.

He also was named to the Oklahoman Little City Football Team and was named an outstanding soloist. His community projects include working for the Mercy House homeless shelter, Friends of the Library and at his church, First Baptist of Hennessey. He said one of his lifetime goals is to be able to provide for his family.

HENNESSEY SCHOOLS FEATURED INTERNS

The All About Hennessey POST Features students from the Hennessey High School intern program each week. This week's students are Kimber Smith & Karci Vadder

Kimber Smith is a senior at HHS. She is an intern at Wheatland Veterinary in Enid. Kimber was born in Kingfisher and has lived in the Hennessey area her whole life. She was on the track team her sophomore year and was a member of the Prom Committee her junior year. When she was a member of the junior rodeo association she won a buckle in the goat tying event.

Kimber has been interested in becoming a veterinarian since she was in elementary school. Her grandfather had a farm and she was exposed to farm animals at a young age. Her dad competed as a bull rider in the rodeo and Kimber started competing in barrel racing and goat tying when she was in the Junior Rodeo Association.

Kimber just started her internship this semester but she has already observed and learned a lot in her short time there. She has many mentors there between five vets and several more vet techs. She likes the fact that the mentors take time to describe the procedures by taking it step by step so she gets a full understanding of what is happening in real-time. The most interesting thing she witnessed was a surgery on a dog who had an abscessed hip. For hands-on experience, she has been taught how to draw up the medicine and prepare prep trays. She is looking forward to the rest of the internship and hopes to gain more knowledge and exposure to workings inside the clinic.

After graduation, Kimber plans on attending Murray State College in Tishomingo, OK. From there she hopes to attend veterinary school at Texas A&M, in College Station, TX.

Karci Vadder is a senior at HHS, and is interning with Vadder Real Estate and Auction. Karci was born in Enid and has lived in the Hennessey area all of her life. She has been very active the past four years in cross country and track. She is a member of the National Honor Society and has been very active in the student council each year serving as vice-president, reporter, and representative. She is also a senior class officer. Outside of school, she is part of the youth group at Okeene Methodist Church in Okeene, OK.

Karci has been in dancing for many years and that paved the way for her to get a job at Redleve Dance Studio here in Hennessey. She assists the owner, Sadye Cabral, with the classes three times a week, and once a week she teaches a private class of her own. Her favorite thing to do in her spare time is play the piano.

While Karci has an interest in real estate, she plans to attend college to pursue her long-term goals. For now, she is learning all that she can from her dad about the real estate business. She always enjoyed tagging along with her dad as he showed homes to prospective buyers. Then last year she became more serious about learning the business. She is currently learning how to research investment properties to purchase for profit. She is also getting instructed on how to be an auctioneer. In the near future she will be taking courses to prepare for the real estate exam. She intends to work as a realtor while she attends college.

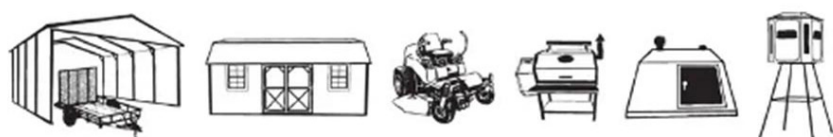

After graduation, Karci plans on attending Oklahoma City University where she will pursue a B.S. Degree in Entertainment Business and then work toward a law degree.

Both Kimber & Karci are part of the Hennessey School Career & Internship Program. This program, directed by Kim Hallmark matches students with business allowing them to experience real-life day-to-day operations in a career field they have an interest in.

DELICIOUS TREATS TO THANK OUR BRAVE FIREFIGHTERS!

Snack bags were put together by the Kaleo Foundation, a faith-based non-profit in Oklahoma City, to show appreciation for firefighters across the state following last week's wildfires. Lane Buckley, a representative of Kaleo, delivered 50 snack bags to the Hennessey Firefighters on Thursday, February 29th, along with distributing them to other firefighter units statewide. (Photo provided)

HENNESSEY FIREFIGHTERS BENEFIT

Because of all of the recent wildfires, there have been many requests as to how to donate to the firefighters. They decided to make it fun and offer a prize also. If you can't make it to the upcoming annual open house dinner you can purchase a ticket from any firefighter to be included in the benefit raffle. Tickets are \$5 each, or 5 for \$20. You could win a Pit Boss Pellet Grill, and the drawing will be held during the open house, on Saturday, April 6th at 7 pm. You do not need to be present to win.

PIPE DREAMS: DOWELL PLUMBING

Jarod Dowell, a Hennessey native, had two crucial role models within his upbringing, his dad, and Grandpa. Growing up he spent much of his time watching them make something out of nothing. They showed Jarod what dedication, hard work, focus, and determination could accomplish once you put your mind to it. Jarod says, "They would cover all the basics to ensure they could handle what was needed to build a sturdy house." This amazed young Jarod to watch a home pop up before his eyes, it's that very house that he calls his home today. Jarod, a father of three, Jaryn soon to be 16, Adler 9, and Kennedy 4, wants to show his children the value of having a good work ethic and setting a solid foundation for them, as it was his Grandpa Murl and father Kenny who built the man he is today.

Kenny started Dowell Plumbing in 1985. After many years of assisting his dad with plumbing jobs, Jarod quickly learned what it would take to become a plumber. As Kenny approached retirement, Jarod was eager to continue the legacy making him the 2nd generation of Dowell Plumbing, receiving his journeyman license in 2015. The transition from father to son owner was easy considering they worked closely together and dad was always a phone call away.

Jarod expresses "It's being around people and meeting new customers that I enjoy about my job", but where there is good there's sure to be a bad side. What many might not realize, their plumber is claustrophobic and hates snakes! Two of which come up quite often in his line of work, he explained, "I just don't look at what's around me, I put my focus on the task at hand, and that's what gets me through."

Dowell Plumbing works with its customers making each job as affordable as possible. They specialize in new builds, service calls, remodels, repairs, commercial, and residential traveling around 60 miles for a job, and will give estimates when needed. For all your plumbing needs call or text Dowell Plumbing at 580-747-0112.

New Restroom Facilities Unveiled at Hennessey Cemetery Pavilion

The Hennessey cemetery pavilion was built several years ago with donated funds and is a wonderful addition to the property. Although provisions were made for a restroom, it was never completed until this week. The Hennessey Board of Trustees recently approved a proposal from Hennessey contractor Keith Dobbs to complete this project. The structure now includes a restroom as well as a garage area for storage as well as a heated utility room.

A water well will soon be drilled that will provide water for the restroom and there are plans to install inferred heaters in the seating area. The final rock work should be underway this week that will complete the outside of the improved areas of the building. Photos AAH Jack Quirk

Kathleen Lydia Olsen Krystal Obituary

January 12, 1948 – January 13, 2024

On Saturday, January 13, 2024, Kathi Olsen Krystal, beloved partner, mother and grandmother, passed away at age seventy-six in Hennessey, Oklahoma. She is survived by her spouse of 48 years, Robert Buswell, son Sage Krystal, daughters Laurel Kromer, Camomile Buswell and Ginger Buswell, seven grandchildren, and many nieces and nephews whom she adored. The youngest of seven siblings, Kathi was born in Santa Barbara to Herbert and Gladys Olsen. She is preceded in death by her parents, brothers Arthur, David, John and Roy, and sisters Anne and Clara.

Kathi was a resident of the Monterey Peninsula for more than 40 years and lived in Seaside, California from 1973 to 2016. From 1979 to 1993 she ran a delivery route for the Monterey Herald, distributing newspapers to the Carmel Valley community daily for nearly 15 years. In 1993 she became an owner-operator taxi driver, and drove with Monterey Yellow Cab and Carmel Taxi for over a decade. Kathi was a favorite driver of many Peninsula locals who would request her when calling a taxi. In 2005, she and Robert opened their own cab company, Associated Taxi, which they operated together until her retirement in 2016.

Ever compassionate and kindhearted, Kathi will be remembered by many for her numerous gifts, volunteer work and generous donations. A lifelong lover of animals, people, and the environment, she was a frequent donor to charitable organizations, and made monthly and annual donations to the ASPCA, The Salvation Army, Help Heal Veterans, Habitat for Humanity, and Arbor Day Foundation, among others. Over the years, she rescued and cared for countless cats and stray animals, covering the costs of food and veterinarian bills until being able to place them in homes.

From a young age, Kathi was creative and bright, and she remained keenly interested in the world around her, developing a rich variety of talents and interests throughout her life. She was a skilled fiber artist, who made many cherished, unique crocheted and knitted gifts for family and friends. She was an amateur geologist with an impressive collection of rocks and crystals. She was a naturally talented musician, an avid reader and book lover, and an admirer of arts and crafts, photography and film. A charismatic storyteller, Kathi shared her enthusiasm, wonderful sense of humor, and appreciation for the joys of life with everyone she knew. Her memory continues to be a blessing to all of her loved ones.

There will be two Celebration of Life Services:

A Celebration of Life will be held at 11AM on Saturday April 6th at the Interbank Community Room, 320 N Main St. Kingfisher, OK.

A Celebration of Life will be held at 11AM on Saturday May 4th at the American Legion, 1110 Veterans Dr. Monterey, CA. This will be followed by a sunset beach gathering at Carmel Beach starting at 4PM.

HAPPY 90TH ADA RUTH!

Ada Ruth Haymaker was surrounded by a large gathering of loved ones as she celebrated her 90th birthday on Sunday, March 3rd at the Berkenbile family's "Gathering Place." The venue was filled with well-wishers who enjoyed cake, a variety of delicious snacks, and refreshing beverages during the come-and-go celebration.
