His contributions and leadership have inspired countless entrepreneurs and businessmen worldwide, making him a worthy recipient of an honorary doctorate in 2023.

## Congratulations Barry!

Friends, Family, and coworkers gathered Monday, March 18th in the lobby of the Kingfisher County Justice Center (Friday, March 22nd) to wish Undersheriff Barry Reilly a happy retirement.

Starting as a part-time dispatcher/jailer in 1984, Reilly worked his way through the ranks to serve as Kingfisher County Undersheriff. As he leaves his office at the end of this month, he'd like to be remembered as someone who cared deeply for the residents of Kingfisher County, who did the right thing, and who worked for the good of the county. Barry's lifestyle will radically change and calm down once he retires. He plans to do things that he wants to do on his own time. He intends to tackle a few home improvements and clean his shop to turn it into a man cave featuring carpentry tools. Of course, his seven grandchildren will play an even more important role in his life. Barry and his wife Kathi will enjoy each other's company and travel to US locations they've never experienced and learn some history along the way; both are history buffs. Photos by AAH Jack Quirk

### Hennessey Eagles vs. Putnam City North Panthers

Hennessey had their highest-scoring game of the season on Saturday, March 23, pulling off a thrilling 16-15 victory against the Putnam City North Panthers. This win was a much-needed relief for Hennessey, ending their four-game losing streak.

Hennessey Eagle Bradley Gallia wears many hats.

Westyn Hopkins was a standout player, excelling both on the mound and at the plate. He pitched two innings, allowing no earned runs off just one hit and one walk. Hopkins has been consistently effective in his recent pitching performances. In addition, he contributed offensively by scoring a run, stealing a base, and going 2-for-5 at bat.

Hunter Weber had an impressive game, going 3-for-5 with five RBIs, two doubles, and a run. Weston Smith also played a vital role, scoring three runs, stealing a base, and reaching base in four out of five plate appearances.

With this victory, Hennessey improved their record to 3-9 while Putnam City North struggled with losses in five of their last six games, affecting their season record of 2-8.

Looking ahead, Hennessey will have a home game against Cashion on Monday at 5:00 p.m. Cashion's strong pitching staff, which has allowed only 1.6 runs per game this season, will pose a challenge for Hennessey's hitters. Putnam City North will play away against Edmond Memorial on Monday at 5:00 p.m., aiming to build on their recent trend of increasing run production in each game.

## Happy Spring! Happy Easter!

No matter your preference from our last article (Daylight Savings Time) the days are getting longer and soon the days will be warmer too. In the not too far off future, we'll be complaining of the Oklahoma heat. lol

But for now, hopefully, you have warm weather and loved ones to celebrate with during this season. Spring. Easter. Baby showers. Graduations. Mother's Day (seriously, y'all, don't forget Mother's Day!). Cookouts. Severe Weather watch parties- Okies know what we mean. Haha! Whatever you have to celebrate; we have an easy, healthy-ish yet oh so yummy fruit dip recipe for you.

### Fruit Dip

- 1- 32oz tub of Oikos Triple Zero Vanilla Greek Yogurt
- 1- 8oz cool whip

•Stir/whip together then serve as a dip with your favorite fruit.

We have deliciously used this fruit dip with apple slices, grapes, bananas, blueberries, & strawberries. But if you have another fruit that is your favorite, then give it a try! We use vanilla flavored greek yogurt but there are other flavors of this yogurt and you may just discover something amazing.

\*You can also stir the fruit in then top with a little brown sugar and pecans to make it more of a fruit salad. This would be a great idea for your next church pot luck. So very Spring-y of you!

Enjoy the Spring you guys. Because in Oklahoma it only lasts about 3 weeks. Approximately one week longer than our Fall season ;)

Blessings!

## The Agent Who Goes Above and Beyond for Every Client

Katie Grellner's story is not just inspiring, it's fascinating! Imagine this: A small-town girl from Okarche, Oklahoma, with a big, loving family who took a leap of faith and entered the world of real estate.

It's a story that could have gone either way, but Katie had something special: the trust in her dad's advice and the determination to succeed. In 2011, she began her journey working alongside her Aunt Bobbi at The Dillard Group.

From day one, she knew that this was the path she was meant to take. She threw herself into the work, learning everything she could about the industry and building relationships with clients that would last a lifetime. But don't let her professional demeanor fool you -

Katie is also a woman of many passions. When she's not showing real estate, you might find her loving on her nieces and nephews, wrangling her highlanders cattle, or teeing off with friends on the golf course. Her positive outlook is contagious, and it's clear that she brings that same energy to everything she does. And that's what makes Katie such a fantastic realtor. She's not just an expert in the field - she's a person who genuinely cares about her clients' needs and goals. She understands that buying or selling a home can be one of the most stressful experiences in life, and she's there to guide you every step of the way.

Moreover, Katie is willing to travel up to 100 miles to help her clients achieve their goals. So, if you're looking for someone who will go above and beyond to make your real estate dreams a reality, look no further than Katie Grellner at Chalk Realty. You can contact her at 405-593-0661.

## Marilyn Walker Obituary

Marilyn Diane Walker was born on October 3, 1947, in Norton, Kansas, and passed away on March 17, 2024, at Integris Hospital, Enid, Oklahoma. She passed peacefully, surrounded by her family.

Marilyn was raised in Northwest Kansas. When she was young, she spent summers with her grandparents in Edmond, Kansas. She married Pete Graham in August 1963. They had three children sons Ray and Korbi Graham and daughter Rochelle O'Neal. Pete worked for the Pepsi Cola Company and she earned her LPN degree at Colby Community College in Colby, Kansas, where they resided.

Marilyn married Elwood Walker on April 21, 1983. He had two sons, Rodney and Shawn. The family raised horses and bottle calves and participated in Playdays. She worked full-time and had a busy household full of teenagers. Marilyn had to make plenty of homemade noodles to feed this crew. She worked at Okarche Hospital until it closed, then went on to work in Home Health, and finally worked at Kingfisher Regional Hospital until her retirement. She loved her patients and formed lasting friendships with some of her co-workers.

When she wasn't working, she loved to grow flowers, tend to her goldfish pond, and feed the wild birds. She also loved to collect things and shop with her daughter and daughter-in-laws. Her sons were always there to take care of her and her place.

She was preceded in death by her husband, Elwood, her parents, Joe and June Slipke, and her grandson, Logan. She is survived by her children, grandchildren, and great-grandchildren, her brother, Steve Slipke, and sister, Debra Vanatta. A memorial service will be held service date and time will be announced later.
