EASTER EGGS, PRIZES & LOTS OF FUN

Hundreds of children and their families stormed across the starting line Saturday, March 30th as the fire truck sounded its siren.

What took The Lions Club, with lots of help, months to set up took the children about 30 seconds to gather the thousands of eggs. Once picked up, parents and children scrambled to open eggs to find a prize number. Eggs with numbers corresponded with gifts that ranged from a gift basket to fishing poles.

Gerardo Villarreal won the grand prize of an XBOX. Dak Wymore and Rodrigues Munoz won bicycles. The event was held in Bull Foot Park, south of town, where the Town of Hennessey grounds crew worked hard mowing and trimming things up to get ready for the event. Parking for the event was provided by Doll ar Transportation in the area to the south of the park.

HWY 81 CLOSED FOR SEVERAL HOURS

In the early morning hours of Sunday, March 31st emergency crews responded to a 2 vehicle accident 3.5 miles north of Hennessey on Hwy 81. At about 1 am two pickups traveling north from Hennessey collided sending a black Chevy pickup into the median rolling several times and coming to rest in the southbound lane of Hwy 81. The accident just north of Farmers Electric and just north of E590 Rd blocked the southbound highway while officials routed traffic in both directions using the northbound lane.

Hennessey's LifeEMS checked out all 5 of the occupants and determined there were no serious injuries. None of them were transported and all refused further treatment. The Oklahoma Highway Patrol worked the scene but did not respond for details about the involved or where they were from.

The accident occurred just over the Garfield County line and Waukomis Fire was first on the scene with Hennessey Fire assisting. Waukomis Police assisted with Traffic control. No further details were available. Photo by AAH Jack Quirk

EASTER CARNIVAL WAS EGG-CITING

First United Methodist Church's annual Easter Carnival was a lively and festive event on Saturday, March 30th!

The church playground at the corner of S. Cherokee and E. 2nd St was transformed into a carnival of fun and excitement for families to enjoy. From spirited sack races to whimsical face painting, creative art projects, and even a challenge to toss a ring on the bunny ears. There was no shortage of entertaining activities to enjoy.

New School Parking Approved

The Hennessey Public Schools Board of Trustees met on Monday, March 25th, for a special meeting on March 25th to discuss the open bids for the paving of 2 parking areas. They decided to move forward with the Base Bid which would create additional parking at the old tennis courts to the north of the football field and the west of the baseball/softball fields. The bid was awarded to Hembree and Hodgson Construction LLC from Ponca City.

This new parking area will tie into the town-owned parking for the pool to the north and will match in appearance and lighting.

Work is estimated to begin this summer and be completed before the 2024 - 2025 School Year starts. It was decided to hold off on the 2nd parking area south of the Field House along the street fence line. It was discussed that they may be making changes to the football field house that would affect the south parking area so it would be best to hold off on that project for now.

Scriptless in Seattle: One-of-a-Kind show comes to Enid

Enid, OK (April 13, 2024) – Scriptless in Seattle, live touring comedy show will be performing at the Stride Bank Center in Enid, Oklahoma as part of its 2024 tour. The show audiences will witness has never been performed before and will never be performed again. Every line, sound, and motion is made up entirely on the spot. The show itself is unique, even among improvised theatre. "I've been touring with this show for years and doing improvised comedy shows for even longer," says tour manager and emcee Justin Folger. "The real fun is of the hundreds of shows I've put on, not one of them was even similar to the ones before it. We like

to say that the show that audiences will see is one that has never been performed before and will never be performed again—and we mean it! The guys always have something new based around the audience in the room that evening in that city, wherever it may be." Folger has been in front of crowds without a script for seven years now. "I love looking out at the audiences, seeing everyone from families with young kids to couples that have been together 55 years on a night out, and knowing that every one of them will leave with a smile on their face," says performer James Trombka. Trombka has been touring with the group since its infancy and has established himself as one of the most memorable parts of the show. Audience members will get to play an active role in the show, building scenes with their suggestions and coming up on stage to be a part of the scenes. This allows the crowd to at times directly influence the trajectory of the scenes. "The people of Enid should expect high-quality family-friendly entertainment." says Charlie Hubbell, comedian with Scriptless in Seattle. "We take suggestions from the audience and use them to create improvised musicals, film noirs, game shows, and we'll even serenade individual members of the audience—all composed on the spot!" The group draws inspiration from the hit British and American TV show, Whose Line is it Anyway. Many of the sketches will be familiar to audience members familiar with the show. "If you like 'Whose Line,' you're in for a real treat!" said Hubbell. Scriptless in Seattle fills a unique niche of family-friendly improvised sketch comedy, in settings unique to the craft. This national tour includes stops in Ohio, Tennessee, New Hampshire, West Virginia, Michigan, New York, Indiana and more. The event will be held at The Stride Bank Center at 7:00pm on Saturday April 13th. Tickets are on sale now can be purchased at www.stride-bankcenter.com

SPECIAL MEETING TO DISCUSS BOARD OF TRUSTEE MEETING DATE CHANGE

To accommodate the attendance of the Town Attorney at board of trustee meetings, a special session was held on Wednesday, March 27, 2024 to consider rescheduling upcoming Regular Town Board of Trustees meetings. During the meeting, concerns were raised about the necessity of the attorney's presence at every meeting, with Mayor Clif Vogt explaining that legal advice and guidance from the attorney were crucial for ensuring the legality of decisions and motions made during the meetings.

Trustee Bert Gritz pointed out that previous town attorneys had attended all meetings for similar reasons. The trustees (excluding Randy Bohnstedt, who was absent) discussed potential alternative meeting dates that would align with the availability of the newly appointed town attorney, Jared Harrison. After considering various options, it was agreed that the second Tuesday of each month would be suitable, although this might conflict with the schedule of Clerk Kelley Vaverka, who works as a shift manager at Love's Country Store.

Kelley expressed her willingness to discuss scheduling adjustments with her employer to accommodate the meeting dates. Despite initial concerns about potential conflicts with her work commitments, it was decided that Kelley would approach her employer to seek flexibility in her schedule. Trustee Bert Gritz emphasized the importance of setting meeting dates based on the town's needs rather than external factors.

To allow Kelley to address the scheduling concerns with her employer, a decision was made to recess the meeting and reconvene for a special session on Tuesday, April 2, at 11:45 am to finalize the future meeting dates. The Town Trustees met again on April 2, and clerk Kelley Vaverka informed the group that her employer would accommodate her schedule. A decision was made to schedule meetings for the 2nd Tuesday of each month.

TOWN SIREN TEST!

The town of Hennessey conducted a test on the new tornado sirens Monday, April 1st at 1:30 pm. Engineers were on site to install the new system and performed a complete test to ensure proper functionality.

While most residents heard the sirens, those in the vicinity of West 1st Street near the new pavilion and Oakwood Drive/Ikes Acres area did not hear them sound.

Currently, two sirens are without power and will not be operational for around two weeks until they are connected.

Vonda Vincent Obituary

The funeral for Vonda Lee (Turner) Vincent, 85 will be at 10:00 AM Monday April 1, 2024 at Dover Christian Church officiated by Grant Curtis and Jimmy Berkenbile. Burial will follow at Dover Cemetery under the direction of Cordry-Gritz Funeral Home. The service will be live-streamed on Dover Christian Church You-Tube Channel.

Vonda was born on the family farm in Loyal on May 30, 1938 to Orville and Marci Garms Turner and died Wednesday March 27, 2024 at St. Mary's Regional Hospital in Enid.

She was a member of Dover Christian Church and was very active in the church and community. Vonda was a Sunday School teacher and led funeral dinners at the church, often feeding 80 to 100 people at a time. She served on the Kingfisher County Election Board for over forty years. In addition, she was a volunteer and served as a Teacher's Aid at Dover Public School and was very active in the booster club.

Vonda is survived by her husband James Max of the home; two sons Clay Vincent and wife Jill of Hennessey, Max Vincent and wife Bana of Dover; grandchildren Katie Barrett and husband Shannon of Houston, Cody Vincent and wife Mollye of Hugo, Kendsy Vincent, Bailey Wagnon and husband Tyler, all of Dover; great-grandchildren Avery and Jack Barrett, Miles Wagnon, Ezra Hardin, and several nieces and nephews.

She was preceded in death by her parents, one son Mark Vincent, and one sister Margie Thompson.

Memorial donations may be made in her name to Dover Christian Church with the funeral home serving as custodian of the fund.
