## TWO FIRES AND HIGH WINDS WELCOME TO THE TEAM, SHELLEY!

by AAH Jack Quirk

Almost simultaneously, at about 1 pm, Friday, June 28th, two calls went out for Kingfisher and Dover firefighters to work separate brush fires. Kingfisher responded to a fast-moving grass fire just north of Kingfisher along Hwy 81 near Beebe Rd (770). The fire started in the ditch, and the smoke was driven by a 20-mph southeasterly wind that forced the highway to close until it was under control. Kingfisher Firefighters and several county departments had this under control in about 2 hours.

The fire Northwest of Dover was a different story. The wind-driven fire moved quickly from south to north along NS2830 (Loyal Blacktop) between 690 and 715 Rds. Dover crews called for help from all departments in the area and were assisted by Hennessey, Loyal, Big-4, Kingfisher, Okarche, Okeene, Cashion, Crescent, Deer Creek, Coyle, Langston and Twin Lakes.

The Kingfisher County Sheriff's Department assisted with logistics and traffic control with assistance from OHP. Kingfisher County Emergency Management kept the supply lines open, getting whatever the crews needed to work safely in these 100-degree-plus extreme conditions. Three firefighters were transported to Kingfisher Memorial Hospital by Kingfisher EMS, treated for heat exhaustion, and released.

Many volunteers brought the firefighters food and water, and LuGreg Trucking brought two semi-trucks full of fresh water to keep a steady supply for firefighting. Area farmers brought out tractors to help cut fire lines, along with the Kingfisher County Crews, who brought a bulldozer and grader.

At about 9 p.m., the fire command started releasing some of the departments that had been there since the beginning. These crews are being replaced with fresh firefighters. Kingfisher County Emergency Management said crews will be on the scene throughout the night, extinguishing hot spots.

The All About Network (All About Hennessey) is growing like a weed and we needed help keeping up with all of the events, activities, and news that happens in Hennessey. Shelley Muzny, also known as Nurse Shelley for those of you in the Hennessey school system has joined the All About crew.

Shelley was born and raised in the Hennessey/Lacey area and graduated from Hennessey High School in 1998. (For those trying to calculate... she is 44 years old). After graduation, she went to Redland Community College and obtained an LPN degree. While working as an LPN at St. Mary's, she continued her education and graduated from Northwestern Oklahoma State University with an RN, BSN. Shelley worked as an RN at St. Mary's Birthplace, Northwest Pediatrics, and is currently the Hennessey Public Schools Nurse (where yes, she will continue to be the nurse). Shelley is also a certified Red Cross CPR Instructor.

Shelley said, "My biggest and greatest accomplishment in my life are my three boys. Wyatt 15, Cole 13, and Brett 11." You can find her following them around supporting all their activities. "I like photography- it gives people memories to look back on and talk about keeping the memories alive." She plants flowers (when the grasshoppers are not eating them), and enjoys spending time with her family and friends. Shelly said, "This opportunity is giving me the chance to capture memories for others to share in their lifetime." So if you see Shelley out taking photos, say hi! She may take your photo and make you famous! Welcome Shelley!

Words we love on these hot days: NO BAKE DESSERT! Especially when that dessert is only 4 ingredients and one of those ingredients is Oreos!

Fourth of July is this week meaning it's time for BBQs, fireworks and patriotism! Time to celebrate all the things that make America... well America. And, what' more American than diabetes? (Jokes!)

### Oreo Madness

#### Ingredients:

- 1 package of Oreos
- 1 jar of hot chocolate
- 1.5-2qt vanilla ice cream
- 1 big container of cool whip

Mash up Oreos. Set some aside to sprinkle on top. Put the rest in bottom of 9x13 dish. Add layers one by one. Sprinkling Oreo crumbles on top to finish. {Pro-tip: (and by pro we mean our cousin @carissamillerdesign\_co who introduced us to this deliciousness) Freeze layers between. This will make a prettier presentation. \*Also, she uses two packages of Oreos to make it extra yummy}

Remove from freezer to soften a little before serving.

Sorry not sorry. We have no funny stories or wisdom to drop on ya this week. We both have new babies which means we're short on sleep. Autumn had her baby, Lenox, on May 8th. Summer got a new fur baby, Doug, just 2 weeks ago. We know we did this to ourselves but maybe say some extra prayers for us. Haha.

Happy Fourth of July!

Enjoy your family time...and your cool desserts!

Let us know when you try this dessert! Try it, love it then get creative with different ingredient combos like golden Oreos and caramel with cookie dough ice cream or whatever masterpiece you come up with!

Don't forget to drink your water and call your mom. You can thank us later.

Stay safe, fam

Love, okseasonedsisters

## REDLEVE DANCE ATTENDS DANCE NATIONALS

by AAH Ivan Cabral

Hennessey's dance studio, RedLevé Dance, participated in the Encore Performing Arts National Dance Competition on June 26th and 27th in Las Vegas, Nevada. The event lasted a week, starting on Sunday, June 23rd, and ending on Thursday, June 27th. Over a thousand performances took place, featuring dancers from various age groups and dance companies from all over the U.S. RedLevé showcased 3 group performances in the Contemporary, Hip-Hop, and Jazz styles, as well as seven solo routines in Hip-Hop, Lyrical, Contemporary, Jazz, and Acro.

Their group performances achieved placements in the Top 10 for their division, with their Jazz routine placing 5th, Contemporary routine placing 6th, and Hip-Hop routine placing 7th. Their Hip-Hop performance additionally received the Nationals Encore Spirit Award. Each solo performance received Ultra High Gold or High Gold recognition, and Nataly Valles received a special Judges award for bringing the sass! Senior dancer Karci Vadder placed 9th overall in the senior division.

This was the studio's first national dance competition, allowing their dancers to perform on a bigger stage and compete at a higher level. Despite being a small studio from a rural community, they successfully showcased their talent alongside dance companies from across the U.S.

### STORMS CAUSE DAMAGE AND POWER OUTAGES

by AAH Jack Quirk

Just after sunset last Tuesday night, June 25th, strong straight-line winds swept through central Oklahoma, causing widespread power outages and out-building damage. Mike Wood's shipping container and carport blew over 10 miles east of town, and Tim Taggart lost the roof on an outbuilding five east of town. The city of Cashion was without power for several days due to heavy powerline damage. Areas south and east of Hennessey also lost power for several hours. Photo provided.

### CLOSE ENCOUNTER by AAH Amy Smith

On the evening of June 25th, Alicia Johnson and her husband Blake were cruising eastbound on Highway 51 when they encountered an unexpected and unforgettable storm. Alicia was captivated by the night sky lighting up with nature's fury, so she whipped out her phone and started snapping photos, hoping to capture an epic lightning shot. Unbeknownst to her, the photo she had captured was closer than she could ever imagine. Alicia expressed that she had never experienced weather the way she did that night. She stated, "Here I was, just snapping some photos because the sky looked pretty when lightning struck. This was horrifying. My poor husband didn't know I had the capability to cry like that. I am fully convinced we drove into a tornado." Less than 5 minutes later, they found themselves driving directly into their misery. Blake and Alicia had to pull off the highway because the wind was so powerful. After the storm passed and a good adrenaline rush, all was safe. They will forever have a great story to tell with evidence to back it up. Photo by Alicia Johnson
