## HENNESSEY OPEN RODEO 2024

by AAH Shelley Muzny

It was a packed arena on both Friday the and Saturday nights August 16 & 17 at the Hennessey Rodeo. Over 900 spectators Friday night and more than 1,100 on Saturday night. Although it was hot, people had smiles on their faces, enjoying the rodeo action. Both nights started off with Mutton busting for the kids, but the kids' action didn't end there. Throughout the night, they participated in "The Greased Pig" and Calf Scramble. It was nice to see familiar faces as rodeo participants. Several young men found the strength and courage to try Steer Riding. As they rode, their classmates in the stands cheered them on. Not to anyone's surprise, that's the cowboy way...supporting and looking out for one another. Both nights were filled with Ranch Bronc, Tie Down Roping, Breakaway Roping, Steer Wrestling, Open Barrels, Junior Barrels, Team Roping, and Bull Riding. The bulls had the win both nights, with no one riding for 8 seconds.

The Hennessey Round Up Club has a few shirts for sale for \$20.00 each. The shirt is in memory of Colonel Derek Grimes. It has 28 stars in honor of his 28 years of service. The phrase "I want to be a cowboy baby" ..came from Derek being a graduate of Oklahoma State University, a huge Cowboys fan, and also loving the rodeo cowboys. If you are interested in a shirt, please contact Lacey Copeland by phone or email (405) 853-5126 or hennesseyrc@gmail.com photo by AAH Shelley Muzny  [\(to view all photos, please visit allabouthennessey.com\)](http://allabouthennessey.com)

## SHERIFF DEBATE TAKES PLACE AT OK2A MEETING

by OK2A Susan Henry

Oklahoma Second Amendment Association hosted a debate between Aaron Pitts and Jonathon Riedlinger, both candidates for Kingfisher County Sheriff. It was held Thursday, August 15, at 6:30 p.m. at Vernost Winery in Hennessey. Many were in attendance, including most of our regular members and many supporters of each candidate. Susan Henry, Kingfisher County Coordinator for OK2A, moderated the debate. Each candidate answered the same questions, taking turns answering first. They gave thoughtful answers, hoping to win your vote. The debate can be found online at [allabouthennessey.com](http://allabouthennessey.com). We encourage you to watch it before the election, as the sheriff is the ONLY elected law enforcement officer and the highest officer locally. Voting is a privilege, but it is also an obligation to maintain a healthy government. Local elections have a far greater impact on your lifestyle than federal offices do. I hope this debate helped you to make your choice. If you still have questions, either candidate would be happy to clarify them for you. Voting day is August 27th. photos by AAH Jack Quirk

## Where are they now? Gary Steinbring

by AAH Shelley Muzny

Gary Steinbring was born and raised in southern Illinois by Elmore Forrest "Frosty" and Virginia Grace Steinbring. Gary was one of five boys they raised. After graduating high school, Gary joined the Army. He was barely 17 years old at the time and served in the Army for three years. While in the Army in Milwaukee, Gary made ten parachute jumps. After being in the Army, Gary went to work for Humble Oil, which later became Exxon. He worked for Exxon in Illinois from 1962-1966, then moved to Oklahoma in 1993. Gary then moved with Exxon to California until he retired from Exxon in 1997. At this time, he came back "home" to Oklahoma. Exxon had a four-member team they sent to work in California on a \$2 Billion Project, and Gary was one of four members. They went to Santa Barbara, California. Gary also was picked

to go to Alaska when Exxon had the Valdez Oil Spill. In 1989, the oil tanker Exxon Valdez ran aground in Prince William Sound, Alaska, spilling 11 million gallons of oil. The ecologically sensitive location, season of the year, and large scale of this spill resulted in one of the largest environmental disasters in U.S. history.

Gary spent 1989-1990 in Alaska working. He stated the work duty was terrible; people hated us, but the views of Alaska were the best. Gary flew in helicopters to sign off on the beaches that had oil on them. Gary said he got to see views of Alaska that even people who lived there didn't see. Gary did get to bear hunt once and caught lots of fish! While Gary was in Milwaukee, Wisconsin, in the Army, he met a girl that caught his eye. Her name is Dandy, and she was in high school and worked at a bank. When Gary got out of the service, he told her, "You have two weeks to marry me, if you want to," and we did. Apparently, two weeks is long enough to know if you're in love because they celebrated 59 years of marriage. When they moved to Oklahoma, Dandy was a cook at Hennessey Public Schools. Within those 59 years, they welcomed two children. Kim who lives in Topeka, KS, and Gary Jr. Edmond, OK.

Gary has two grandchildren and two great-grandchildren. Gary loves hunting and fishing. He has hunted in Alaska three times, but his favorite place to hunt is his Lacey Farm. Gary also likes to cook and bake. While doing water walking at the town pool, he brings cookies to the children he has made. Faith and family are two of Gary's priorities. Gary and his brothers had made a pack to always get together annually to see each other. They have held up to their word and have met up in Colorado, Mexico, Arkansas, and Illinois so far. Gary is also a member of the St. Joseph's Men's Club and served on two different city boards- The Board of Adjustment and the Planning Commission. When asked what his best accomplishments were in life, without hesitation, Gary said, "Dandy and I raising two excellent children. I'm proud of them". Gary never met a stranger and continues to live life to the fullest on Meramec Street here in Hennessey. Advice Gary would give is, "Love each other, God loves you, and I love you!"

# WATER WARS 2024 by AAH Angela Bruner

It was another epic water battle this year with the Hennessey firefighters and the kiddos of Hennessey. The streets were packed this year with eager youngsters, and even some parents got into the game ready to drench the firefighters. And you could tell from the huge grins on their faces that the firefighters were in on the fun, too!

Michele Enoch of Belle Plaine, Kansas with Chief Brandon Scott

This year's water wars marked the third year of this tradition, which has grown in popularity and become the talk of the town not only in Hennessey but also catching the attention of fire stations from other states. Last year's HFD Water Wars video, with over 4 million views, went viral, garnering the attention of Fire Departments in the United States and overseas. Michele Enoch made the journey from Belle Plaine, Kansas, just 30 miles from the Oklahoma border, to observe and learn from our firefighters as they planned and prepared for the water fight. Michele is looking to bring a similar event to her city, and they had concerns about implementing water balloons, so she came to witness our team in action. Chief Brandon Scott, driving truck R1, made sure that Michele had a front-row seat and provided her with all the necessary information to replicate the experience back home. After the event, with a big smile, Michele stated, "This was more fun than I have had in a long time."

The Hennessey Lion's Club also played a vital role at this event, purchasing and filling up balloons and setting up stations for the excited little people to toss.

Chief Scott had this to say "We absolutely love the community participation and the smiles on everyone's faces! We truly are sorry that we didn't get to everyone and we will try to do better next year. Please remember to not get in the street or approach the trucks. Thank you again for the community support and we hope it continues to grow! Special thanks to The Hennessey Lion's club for the balloons and setting up the stations and the All About Hennessey crew for the awesome coverage!!! photos by all of our AAH photographers

# SOAR EAGLES

Hennessey Eagles have returned to school. Some are just starting their journey, and others ending their time at HHS. All are unique in their own way, but one thing they have in common is that they are all Eagles. T-shirts and hats are being printed. Classrooms are prepared, buses are checked, menus are planned. Janitors have the buildings ready. All play a part in the young Eagles journey. The littles are watching and observing the good, the bad and the ugly. This will impact their journey long after they leave the halls of Hennessey Schools.

Eagles are a symbol of strength, courage, and freedom. Their vision is 4 to 8 times stronger than humans. They can fly up to 30 mph and dive up to 100 mph. The female eagles are larger than the males, weighing 10 -14 pounds, and have a wingspan of 6 1/2 to 7 feet. Males usually weigh from 8-10 pounds and have a 6 to 6 1/2-foot wingspan. They share incubation duties for 35 days. The male Eagles hunt and provide food, while the females primarily incubate the eggs and guard the nest. After the eggs hatch, both parents feed the chicks. Both parents will teach hunting skills for weeks. When you see an Eagle soaring, you can't help but think of their spirit of freedom and strength. The Bible says in Isaiah 40:31, But those who hope in the Lord will renew their strength. They will soar on wings like eagles. They will run and not grow weary. They will walk and not be faint. The memories in those school walls will linger in the young Eagle's hearts for many years.

I can't write this without thinking of Jack Funderberg. Jack was the only principal my class of 1978 ever had. He led a pack of so many Eagles that influenced our journey. Even after his retirement, he was still a major figure in the school system! His legacy lives on in our memories. There are different leaders now, but the concept is still the same. May your Eagle legacy soar!

### HENNESSEY QUALIFIES AS A PURPLE HEART CITY

by AAH Angela Bruner

Elaine Johns, Executive Director at Woodring Wall of Honor and Veterans Park and a proud Hennessey Graduate, recently spoke at the August Board of Trustee meeting to inform Hennessey that it qualifies to be designated as a Purple Heart City. To obtain this designation, an official proclamation drafted by the town lawyer must be approved by the town Trustees and presented to the local chapter of the military order of the Purple Heart. Once approved, the town will receive Purple Heart City signage for its entrances and a plaque. An official ceremony will be held to mark the designation.

Elaine Johns speaks to our Town Trustees

Becoming a Purple Heart city is more than just honoring our Purple Heart recipients. It shows that our town supports and honors its veterans who sacrificed for our freedoms, some paying the ultimate price.

Hennessey has several veterans, including three-time Purple Heart recipient Jack Toney, who served in the Vietnam War. Toney received his first Purple Heart for a shoulder wound but returned to duty after being patched up. He earned his second Purple Heart from a mortar attack that injured his chest and his third Purple Heart from a grenade thrown into an enemy bunker, causing injuries to his leg. Toney was present for this announcement at the board meeting and received a round of applause.

# Blue and White Football Scrimmage

by AAH Shelley Muzny

Hennessey High School Football Team had their annual blue and white scrimmage this past Saturday, August 17. The Hennessey Community has a lot to look forward to. These young men have been working hard every day, lifting, conditioning, and running plays. Putting in the time and effort to make a great season happen. This was seen on Saturday; the determination, leadership, commitment, and brotherhood these men have are top-notch. You don't have to look far to see the examples these young men have to look up to. The football coaches are just as excited, determined, and committed and have set high goals and expectations for this team. The expectations the coaches have for the young men on this team are the same as they have for themselves. You will not find another coaching staff that is more committed to seeing this team win and succeed. This not only applies to the football field but also in life. The Blue and White Scrimmage was a success; the young men learned where they needed to better themselves, and the coaches were able to assist the team in sharpening their skills. Get ready, Hennessey.... Time to pack the stands full and give The Hennessey High School Football Team the support they have earned and deserve! Let's Go Eagles!! Photos by AAH Shelley Muzny

The officer located the vehicle and identified the individuals involved as Chance Choate and Frankie Buckner. Chance was uncooperative, aggressive, and under the influence of alcohol. Despite resistance, Chance was arrested and taken to jail. Chief Aaron Pitts advised a personal recognizance bond, but the arresting officer decided to charge Chance with obstruction and transported him to the Kingfisher County Jail. Chance made threats on the life of the officer during transport but no charges were pressed. No charges were pressed against Frankie. Chance was later bragging about drinking and driving, but police couldn't prove it due to illegally tinted windows. The arresting officer declined to press further charges and concluded the report.

According to reports on August 17, 2024, an officer responded to a call from the Assistant Manager of Casey's in Hennessey, OK, reporting that Steffani Ramirez had purchased alcohol for an underage female, Hayli Cross. The officer located Cross and confirmed that she had received alcohol from Ramirez. He then had Ramirez return to the scene and charged her with contributing to a minor. Cross was charged with minor in possession and the seized alcohol was held in evidence at the Hennessey Police Department. Ramirez was also trespassed from Casey's premises.

On According to reports on 08/15/2024 at around 20:03 hours, an officer requested assistance for a fight at the intersection of 4th and Cheyenne. Ryon Gilmore and Matthew Herrera were involved, with Gilmore reporting an incident involving Herrera's daughter scolding a dog in the street. This led to a confrontation between Gilmore, Matthew, and Chrystal Herrera, resulting in Gilmore striking Matthew. The situation was deescalated by the officers, and they cleared the scene. Later, Gilmore was reported to have been causing disturbances and using profanities towards the Herreras, leading to charges of Assault and Battery, Disturbing the Peace, and Disorderly House against Gilmore.

## POWERLINES HIT BY TRACTOR

Businesses and homeowners were without power for a few hours in the area of 14138 E 650 Rd. (Exxon Rd) Friday, August 16th at about 5:30 pm. A tractor pulling an implement struck a low-hanging powerline. The tractor operated by Cris Pribyl cleared several low-hanging powerlines in the area but struck the last one breaking off 2 poles. OG&E responded and replaced both poles restoring power. Hennessey Fire, OHP, and Kingfisher County Sheriff Dept. redirected the traffic while repairs were made. Photo by AAH Jack Quirk
