## MOTORCYCLE ACCIDENT

On Saturday, October 26, Jaxson Parkinson 17, was involved in a motorcycle accident while traveling two miles east on Highway 51 and 1/2 mile north. Jaxson hit an object on the road, which caused his motorcycle to go into a dangerous wobble, throwing him into a ditch. Following the accident, Jaxson was airlifted to OU Medical in OKC, where he initially required ICU care. Thankfully, Jaxson is now in stable condition and recovering in his own room. It is worth noting and emphasizing that Jaxson's decision to wear a helmet at the time of the incident likely played a crucial role in mitigating potential injuries.

## SPECIAL MEETING FOR TRAFFIC SAFETY

The recent special meeting of Hennessey's Board of Trustees, held on October 23, aimed at enhancing safety and accessibility in the downtown area. The primary focus was angle parking on both sides of Oklahoma and 1st streets, and ADA handicap spots were added on all four corners.

Jones emphasized the need to evaluate handicapped parking spaces across the town to ensure compliance with accessibility guidelines.

During the meeting, Mayor Harold Shaw brought attention to a specific area where a "No Parking" sign near a handicapped parking spot needed to be removed.

Trustee Bert Gritz recommended the removal of parking spots at intersections on select streets and the adjustment of side street angle parking to 45-degree angles. These changes would improve driver sight lines and contribute to overall safety in the area.

Additional discussions included the necessity of expanding downtown parking facilities to accommodate the increasing number of businesses in the area. The potential for re-purposing vacant spaces was also discussed as a solution to the growing demand for parking spaces.

Town Administrator Tiffany Tillman mentioned using state-approved paint for the parking project. This decision was made following feedback from Trustee Gritz regarding the durability of the town's previous paint.

The Board approved resolutions to enhance the town's electronic water meter system through a grant application. The purchase of remote antenna and reader systems will streamline meter readings, improve leak detection, and provide greater efficiency in water management.

The Board acknowledged the importance of providing adequate handicapped parking spaces and ensuring that existing spaces are clearly marked in accordance with ADA regulations. Trustee David

## A WONDERFUL DAY

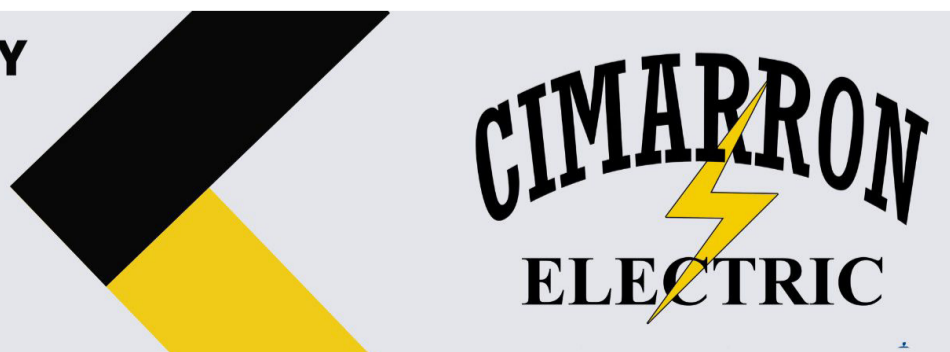

Friday, October 25th, All About Hennessey celebrated the open house of our new office building. We so appreciate all of our visitors who took time out of their day to see the new All About Network corporate offices and to meet our team. It has taken us seven months to restore the 100-year-old building, creating a modern office with a retro feel. Be sure to check out the series of videos we created highlighting how we got to this point at AllAboutHennessey.com

## Eduardo "Lalo" Dominguez Cervantes Obituary

Eduardo Dominguez Cervantes known as "Lalo" or "Eddie" of Hennessey, Oklahoma, passed away on Wednesday, October 23, 2024 in Hennessey at the age of 21.

Lalo was born on Friday, January 3rd, 2003 to Emmanuel Hernandez and Azucena Dominguez in Mexico. Lalo grew up in Mexico, Texas, Stroud and Hennessey, graduating from Hennessey high school in 2021. Following high school, Lalo started working at a local tire shop in Hennessey. Lalo loved to socialize with every person he came across. A little over a year ago, Lalo became a father to a beautiful little girl that became his world. He never met a stranger and there was never a dull moment around him. He left a lasting impact with his acts of kindness that people will forever remember.

He is survived by his mother Azucena Dominguez and his father Emmanuel Hernandez; his wife Christina Ramirez; his daughter Guadalupe Dominguez; his siblings Brithney, Mishell, Emmanuel Jr, Leonardo, and Emiliano; his grandparents Julia and Eduardo Dominguez; his uncles Juan Carlos and Jesus Adrian Dominguez; his aunts Julia Guadalupe and Claudia Verence Dominguez; and more extended family and friends.

Services will be held at 1:00 pm on Tuesday, October 29, 2024 at Parks Brothers Funeral Service, Stroud, OK. A guest book is available to share your memories on-line. Please visit [www.ParksBrothers.net](http://www.ParksBrothers.net). Services are under the direction of Parks Brothers Funeral Service in Stroud, Oklahoma.

## FROM THE PULPIT ~ First Christian Church Ish Engle

One of my favorite sayings is, "If you can't laugh at yourself, you don't get the joke!" We are created in the image of a God who made many strange and wonderful things including a mammal that lays eggs! Alone among God's creatures, we can laugh. We are created in the image of the God of Isaac: and Isaac means "laughter"!

Too often these days we take ourselves too seriously. We are so worried about being the best, or about making the most money, or about getting the next promotion. Have we forgotten that "all work and no play makes Jack a dull boy"? Don't get me wrong, a strong work ethic is important. But so is a strong play ethic.

Playing helps us to grow mentally. Playing improves our imagination. Playing improves our mood and our overall mental health. Remember, God stated that we should not work on the Sabbath, but that we should re-create: play. Play, especially imaginative play, makes us better workers, too.

It is far too easy to get caught up in the current of life's flow. It is easy to get swept away and drown in that stream. But, with a little bit of creativity and imagination, it is also easy to float on that same stream. Play, rest, laughter, family all make you a better person. They also help you to better understand and grow close to God.

This month, I encourage you to enjoy the Sabbath. Create beautiful, laughter-filled memories with your family. And remember to honor the God of laughter.

## SALLY SCARECROW

Sally Scarecrow jumped into Kingfisher this morning. Had to stop by Talking Headz to have Angie spruce up her makeup and add more straw! The next stop was Mrs. Hagar's pre-k class. We read "Scarecrow Scarecrow What do you see?" "The class

made masks so Sally Scarecrow saw pumpkins, bats, and cats. They share what they planned on dressing up as at Halloween. Sally gave them some scoop on Ursula hanging out with friends BeetleJuice and Poison Ivy at Talking Headz during the town-wide trick-or-treating. As Sally was walking out another teacher caught her in the hall so Sally went to her class. The class was just as excited to share their costume visions! As Sally left the building she had flashbacks of several years ago when she and another friend transformed into clowns. We'd go to different schools in the area putting on an hour-long assembly talking about manners and safety

with a few magic tricks thrown in. The clowns were Buttons and Bow Bow. We decided one year ago to attend the Special Olympics as Huggers. I cried all the way home, those guys gave me so much more than I gave them that day. Unconditional hugs! I remember before we left Hennessey, Buttons wanted to get some cash so we went through the drive-thru at the bank. You would think the teller would recognize us but I guess she didn't. Nervously she asked Buttons for her ID and seemed relieved when she realized Buttons was just Buttons! I was just amazed watching Buttons drive in the car in her clown shoes. They were huge!!!! I always have to smile when those memories come to mind. We added so many bloopers from noses falling off to magic tricks going wrong. Life can be the same and no one is perfect in what character they portray. Laugh at the bloopers and keep moving! Some little ones are always watching and taking notes. Hopefully, they will pass the smiles and pass them on to the next generation!! Have a fun and safe Halloween.

## Where are they now? Jan Handley

By AAH Shelley Muzny

Jan Handley, son of A.S. and Lillian-Semrad Handley, came to Hennessey when Jan was in high school. A.S. and Lillian raised three boys: Terry Handley (77) lives in Edmond, OK; Jan; Gary Handley (66) lives in Edmond. While in high school, Jan played basketball and ran track, was involved in FCA and FHA, and was voted class favorite, Jr.-Sr. Prom Server, FCA Secretary, and FHA Beau. Jan graduated from Hennessey High School in 1974. After graduation, Jan continued to pursue his basketball career. He was an Oklahoma All-State and Honorable Mention All-American in high school and was hoping to go to the University of Oklahoma. Jan's basketball career plans changed when OU changed coaches. He decided to go to The University of Central Oklahoma, mainly because Dana Amata was there playing football. After a year, Jan was not where he felt he needed to be, so he transferred to Murray State College and played for Wayne Cobb. He played there for one year, was recruited to The University of Texas, and played for the legendary Abe Lemons in Austin, Texas. At the end of Jan's junior year, a series of injuries ended his time at Texas, and this was when he transferred to Oklahoma Christian College. Jan played his final year of college for Jerry Jobe and graduated with a teaching degree and master's degree in education in 1980. Jan started his coaching career as an assistant coach with Jerry Jobe at OCC. He was at OCC for 5 years and then took a coaching job at Tuttle, OK. He was at Tuttle for one year and chose to take a coaching job at Murray State College in Tishomingo, OK. Jan was there for 5 years as the Athletic Director, Head Men's and Women's Coach, fitness center director, and full-time teacher in the PE department. Jan married Cindy Bowman in 1980. Cindy was from Kansas City, Missouri, and they chose to move closer to family. The move led Jan to be a coach at Wyandotte High School. He took the team to the state tournament and won third place game in the state tournament. After being there for 5 years, he took the Head Basketball position at Fort Osage High School in Independence, Missouri. Jan was there for 10 years and then went back to coach in college at William Jewell College in Liberty, Missouri. He was there for two years as an assistant coach and then took the Head Basketball and Assistant Athletic Director position in Pratt Kansas at Pratt Community College. Jan was there for four years and came back to Kansas City to coach the Kansas City Knights, a professional basketball team in the ABA professional league. The team folded after two years, and he went back to coaching in high school at Raytown, Missouri, a community within the Kansas City Metro area. Jan taught PE and Health and was the Head Girls' Basketball Coach for 14 years. Jan retired from teaching in 2019; this came after coaching and teaching for over 40 years. He is currently still coaching golf at Raytown High School and has a summer basketball program called the Kansas City Spurs Basketball Club. Jan has been coaching his club for 18 years, from 2006

until now. He continues to coach the Spurs and helps run the organization. Jan and Cindy raised two beautiful daughters. Brandi Handley (38) is an English teacher at Park College in Parkville, Missouri and lives in the Kansas City area.

Brooke Handley Shull (40) coaches basketball in the Kansas City area at Rockhurst College. Brooke is married to Ethan Shull, and they have three children: Cooper and Ryley, who are twin 16 year olds, and Teagan, who is 9 years old. In 2012, Jan divorced and then married the love of his life, Sheila Mahan Handley. Jan and Sheila currently live in Lees Summit, Missouri, in the Kansas City area. While Jan was a star basketball player in high school...all those titles he won do not hold a candle to the title of Grandpa! Jan loves spending time with his family. Jan came back to Hennessey this month for his 50th class reunion.

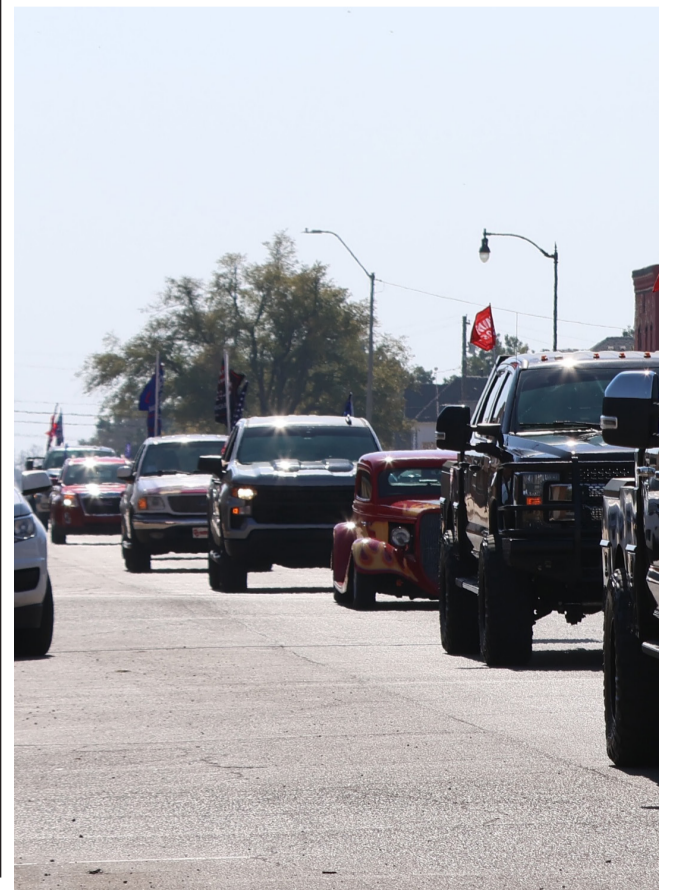

## OK2A HOLDS A FLAG PARADE

The Flag Parade and Rally on Sunday, October 27th, was a display of unity and patriotism. Participants from various cities and towns came together to celebrate their love for their country, proudly showcasing flags on their cars as they paraded through the streets. The sight of so many flags waving in the breeze was a reminder of the values and principles that bind the community together.

The rally that followed the parade was a gathering of like-minded individuals who shared a common goal - to promote civic engagement and encourage active participation in the democratic process. Speakers at the rally included Don Spenser, OK2A President, Rep Mike Dobrinski, Kingfisher County Commissioner candidate Mike Sparks, and newly elected Kingfisher County Sheriff Aaron Pitts. Each one emphasized the importance of voting and being informed citizens.

OK2A's next meeting is on November 7th at Vernost Winery, 110 N Main Street in Hennessey. The guest speaker will be Chris West, Canadian County Sheriff. Chris has been to the border, worked with border patrol, and been trained in anti-terrorism in Israel. Everyone is invited to come and hear him speak.

## KINGFISHER COUNTY COMMISSIONER DISTRICT 2 CANDIDATE

As your County Commissioner, my main goal is to be out there, meeting with you and making sure your needs are met. This job is more than just a title or a paycheck—it's about truly caring and being committed to our community.

I've spent 22 years working for the county, took a break for 14 years, and have been back for the last 4 years. This gives me a unique perspective on what needs to be improved. When storms hit, I'm the kind of person who gets out there before the complaints start rolling in because I genuinely want to help.

Communication is key, and I plan to improve it by having weekly meetings with different departments at the courthouse. I'll be working hand-in-hand with the county barn employees to create a collaborative environment.

I'm all about combining tried-and-true methods with fresh ideas to build better roads. I'm not afraid to ask for advice and think outside the box. I've always told county employees to ask themselves, "If I lived here, would I be happy with the work I just did?" This ensures we deliver quality work.

We'll also be cross-training on equipment to boost efficiency and get jobs done faster, all while keeping safety, communication, experience, and transparency at the forefront. Plus, I'll always consult with the courthouse and with ACCO for any legal issues and advice.

I'd love to have your vote on November 5th. Together, we can make our county even better. Thank You & God Bless, Mike Sparks

\*This ad was approved and paid for by Sparks for County Commissioner 2024.

# Friday, October 25th, 2024 DISTRICT SLUGFEST

By Eagle Voice

Friday night's 2AII-District 1 slugfest between the Luther Lions and the Hennessey Eagles was, at times, one of the worst and greatest high school football game those lucky enough to be in attendance had the pleasure of experiencing.

The worst, with 22 accepted penalties, 7 total turnovers, and 11 punts between the two teams. The best, with 5 lead changes, including 2 pick-6's, a game-winning field goal, and for the Hennessey Eagles – victory! Hennessey 22 – Luther 20.

With neither team scoring in the 1st quarter, Junior Placekicker Luis Montoya got the Eagles on the board first with a 38 yard Field Goal into the north wind.

After the Eagles shut the Lions out in the first half (the second time in as many weeks the Hennessey Defense has not allowed a first half score), QB Gunnar Holder extended the lead in the 3rd quarter with a 1 yard dive and a 2-pt conversion run. 11-0 Hennessey.

Luther got their first score late in the 3rd on a 49-yard run by Colt McCaslin, but Jessin Hardin's solo tackle on the conversion attempt kept the damage to a minimum, with the Eagles holding on to an 11-6 lead going into the final frame.

And then..., the 4th. The quarter's first lead change happened on a 28-yard interception return by the Lion's McCaslin (one of four INT's thrown by Holder on the night). Yet, once again, the Eagles D stood tall, with Braedyn Richardson and Titan Root stopping the conversion attempt short of the goal line. Lions now lead 12-11.

After both teams traded punts and Hennessey turned the ball over in their own territory, the Lions took possession with a short field, seemingly ready to ice the game with another score.

Then, the Eagles FIRST play of the game occurred. After getting knocked to the ground by a pulling offensive tackle, Senior DE Hunter Weber got to his feet just in time to step into the passing lane on a RB screen, snatching the pass and returning it 55 yards for his first career interception return for touchdown. After Jakob Johns made the 2-pt conversion reception, the Eagles retook the lead 19-12, but with lots of football still to play.

Following a flagrant face mask on a long kickoff return, the Lions proceeded to march the field in six plays, retaking the lead 20-19 on a 3-yard run and a 2-pt conversion run with 1:55 to play in the game.

With their backs against the wall, into an autumn wind, with 62 yards to go, on their opponent's Senior night, the Eagles put together the drive of the season, exhibiting their growth, maturity, and tenacity that this coaching staff has instilled in them. Despite throwing 4 interceptions previously in the game, with only 10 completions for 69 yards to this point, Senior QB Gunnar Holder put his team on his shoulders and led the Eagles on a 9-play game-winning drive, going 6 for 7 for 57 yards passing, converting 3 first downs – one of which was the Eagles SECOND play of the game.

On 4th down and 7 on the Luther 45 yard line, inside :30 to play, Holder hit fellow Senior Kevin Trillo on a 31-yard seam route, bringing in the fingertip catch at the Lion 14. Following an 8-yard throw to Richardson, Holder then ran for 2 more yards, setting up Luis Montoya in the middle of the field for a 21-yard field goal try.

Having had 3 PAT's blocked just one week prior at Kellyville, Montoya spent the week shortening his approach and quickening his stride. That work paid off, when Luis' game-winning field goal split the uprights giving the Eagles the come-from-behind District win – 22-20.

With the victory, the Eagles move to 5-3 overall on the season, 4-1 in District play, sitting in 3rd place behind Alva (4-1) and Stroud (5-0). The Eagles need at least one more win or a Luther loss in the next two games to secure a playoff spot. Hennessey can do just that this Friday night as we host the undefeated District leader Stroud Tigers. Kickoff on Friday, 7 pm, at Eagle Stadium.

Fall baseball is always fun, but it is great when the team goes undefeated. Carter Weimer and Crew Charmasson are two Hennessey 4th graders who play on the Enid Bandits baseball team. It was the first season for this team to be in 10U and kid pitch. The Enid Bandits went 8-0, going undefeated in the EJRT Fall League 10U. It was not luck that brought these boys to where they were. Each and every one of them puts in lots of hours of practice, hard work, and dedication. The Enid Bandits are coached by Dusty Seiger and Chad Hobbs. Congratulations to Carter, Crew, and the Enid Bandits team! Job well done. by AAH Shelley Muzny

## INCIDENTS

**10-25-24** According to reports, Officer Charles Logan Blackburn from the Hennessey Police Department was informed by Sergeant Christian Solis about a report from the Middle School principal, Ricardo Tarango, regarding two juvenile girls allegedly vaping in the school's locker room. Mr. Tarango found the vape in a bucket in the locker room and brought it to his office. Sergeant Solis confirmed the presence of marijuana in the vape using field test kits. The vape was seized, secured.

**10-25-24** Officer Brandon Mooney of the Hennessey Police Department observed a SUV driving erratically on South Main St. The driver, identified as Eduardo Roman, was swerving within his lane and almost hit the curb twice. Officer Mooney initiated a traffic stop and detected the smell of alcohol coming from the vehicle. Eduardo Roman showed signs of impairment and was arrested for suspicion of driving under the influence. Despite attempts to conduct sobriety tests at the county jail, Eduardo Roman refused to comply.
