## PUMPING UNIT BLOCKS HIGHWAY

On Thursday, February 20th, at approximately 11:20 a.m., a pumping unit slid off a flatbed truck and landed across the two southbound lanes of Hwy 81 at 1340 S Main St, in front of Liberty Lift. According to the Hennessey Police report, the unit was loaded and securely strapped down, but a sheet of ice on the trailer caused it to slide off and land on the road. The truck was not owned by Liberty Lift. The southbound lanes were blocked for around 30 minutes while the pumping unit was cleared from the roadway. Both Hennessey Police and Oklahoma Highway Patrol (OHP) responded to the scene. There was minor damage to the highway, and the Oklahoma Department of Transportation (ODOT) carried out the necessary repairs.

## SMOKE INCIDENT AT AUDITORIUM

On Tuesday, February 25, at around 11 a.m., Hennessey Fire was called to the Hennessey Auditorium at a particularly inconvenient time. The funeral service for Joyce Holder had just concluded, and attendees were leaving when a school custodian noticed a smoky haze in the seminar room and hallway, prompting a call to 911. Hennessey firefighters responded quickly, utilizing their thermal imaging camera to identify the source of the smoke as a heating unit on the roof.

## A New, Very Different Fire Truck

A unique vehicle has arrived at the Hennessey Fire Station this week, looking quite out of place among the red fire trucks. This 1990 BMY M923A2 6X6 Army truck will soon become the newest addition to the Hennessey firefighting fleet. According to Fire Chief Brandon Scott, this truck will enable firefighters to access areas that the smaller brush trucks cannot reach.

Several nearby fire departments, including Dover, Loyal, Okeene, and Drummond, also use similar former army trucks. These vehicles, with their six-wheel drive, are particularly effective in navigating rough terrain, such as riverbeds and heavily wooded areas.

Scott explained that a committee of five Hennessey firefighters including Dustin Grellner, Cris Pribyl, Jake Streck, Levi Copeland and James Matousek conducted the research and developed a plan to purchase and equip the new truck. Singer Oil generously donated their plane to fly the team to Dallas to inspect the truck before the purchase was finalized. The truck was acquired and will be outfitted using Kingfisher County Sales Tax funds, meaning no Hennessey Town funds were used for this acquisition.

The truck will be sent to Myder Fire Support Services in Chickasha, where it will be converted into an extreme brush fire truck. It is expected to be ready for service in about 90 days. Notably, the new truck will feature a 1,500-gallon water tank, which is significantly larger than the 500 gallons that the smaller trucks hold. Additionally, it will have a remote-controlled water monitor on the front and various hose sizes on the back for tackling different types of fires.

Once the outfitting is complete, the truck will be painted red, and Hennessey's Royal Signs will install the graphics.

# HAJEK HELPS WITH MOTORSPORTS HISTORY

by AAH Jack Quirk

As the recognized home for NASCAR's history, heritage, and family traditions, the NASCAR Hall of Fame utilizes authentic artifacts, memorabilia, and vintage NASCAR race vehicles to present compelling exhibitions. Since its opening in 2010, the Hall has borrowed countless race cars from race teams, collectors, and museums throughout the country. This year to honor the Class of 2025 Inductee Ralph Moody they are featuring Hajek Motorsports Museum's 1969 Ford Torino Talladega built by Holman Moody and raced by David Pearson for that year's NASCAR Championship. "Displaying the actual cars our inductees such as Moody, utilized brings their story to life for our guests," says Kevin Schlesier, the Senior Director of Museum and Industry Affairs at the NASCAR Hall of Fame. "The Hall is grateful for the generosity of museums such as the Brent Hajek Motorsports Museum—which has lent us several cars for multiple different exhibitions—for allowing us to borrow such priceless vehicles as the Torino to let us bring history to life for our guests."

Brent Hajek's Museum, located in Ames, Oklahoma has 86 historic race cars in the collection! 26 of the cars are on loan between Peterson Museum, NASCAR Hall of Fame, Henry Ford Museum, or are at Holzman Race Cars and other shops around the country for updates and repairs.

The Hajek Motorsport Museum is located at 105 E Corporate Dr, Ames, OK and is open by appointment by calling (580) 753-4611

# FROGGING

My friend Katie Soudek, who is in her twenties, is truly an old soul. Several years ago, I taught her how to crochet, and I periodically receive pictures of her finished creations. Recently, she messaged me asking for help teaching a crocheting class she was hosting. Unfortunately, I couldn't attend due to the polar vortex—Mother Nature's way of saying it's really cold!

Transitions by Bonny Flesher

Now that I've gotten that off my chest, let me return to my story. I learned to crochet when I was around six years old. My longtime friend, Pam Joseph, took it upon herself to teach me. Even though I was left-handed and Pam was right-handed, and despite my short attention span, she was determined to help me learn. I eventually learned to crochet right-handed. Over the years, I fine-tuned my skills by making Barbie doll clothes, afghans, and various projects I like to call "quick fixes." It's been a joy to exchange tips and techniques with fellow crocheters. I've encountered bank presidents who crochet baby blankets for their grandchildren, and friends who are experts at reading patterns and keeping track of stitches. As for me, I'm still working on the patience needed for those intricate projects. I can create my own patterns,

but when it comes to crocheting a pair of items, the challenge lies in getting them the same size.

I'm very familiar with the term "frogging," which refers to ripping out stitches to fix a mistake that you didn't notice. In my case, my frogging often comes with extra words!

The great thing about

learning to crochet is that once you master the basic chain stitch, you can progress and make the craft your own.

I hope Katie will host another crochet class for show-and-tell so that those who didn't brave the polar vortex can attend. Sharing and comparing our work is part of the fun. I actually crocheted bookmarks for the group and even came up with a name for us. Katie doesn't know this—well, she might now—but I named our little group "The Hookers." I thought it was catchy!

One of the best things about crocheting is its ripple effect: Pam taught

me, I taught Katie, and now she's passing on the craft to others. Along this journey, many homemade gifts are shared and cherished, along with the love crocheted into each stitch. The smiles shared during this process are truly the best gift. I'm proud to be part of "The Hookers," but just a warning—don't judge my yarn stash!

**Smoke at the auditorium continued...**

Hennessey Fire Chief Brandon Scott was present in the building during the service and joined the other firefighters on the roof to address the issue. The power to the heating unit was turned off, and a service technician was called to inspect and repair the unit.

The auditorium was used as overflow for Joyce's service, which was held at the Catholic Church a few blocks away.

## ODOR INVESTIGATION

Last Sunday, February 23rd, Kingfisher County 911 received numerous calls from residents reporting a smell of natural gas outdoors. The Hennessey Fire Department, Kingfisher County Emergency Management, and the Kingfisher County Sheriff's Office have determined that there was no gas leak. According to Kingfisher County Emergency Management, the Department of Environmental Quality (DEQ) was notified, and the source of the odor is currently under investigation. No additional information is available at this time. Officials advise that if you smell gas inside your home, you should call 911 immediately in case there is an actual gas leak at your property.

## Where are they now? Kevin & Karen Choate

by AAH Shelley Muzny

This week's "Where are they now?" segment highlights a couple for the first time. Kevin grew up in Lacey until he was 7 years old, when he moved with his siblings and parents, Max and Wanda (Thompson) Choate, to Norco, California, where they lived for 10 years. In 1974, Max and Wanda returned their family to Hennessey to be closer to relatives.

Karen was raised in Hennessey by her parents, Virgil and Carol (Murray) Johnson. Kevin grew up with four siblings: Kenny, Kyla Norman, Kelly, and Kyle.

Karen has one sister, Linda (Johnson) Choate. When Kevin returned to Hennessey from California in 1974, he met Karen while they were both juniors at Hennessey High School. They both had Study Hall together, and what began as friendship blossomed into high school sweethearts.

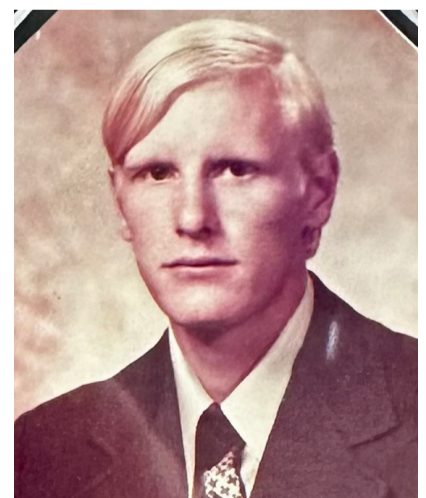

Kevin and Karen graduated from Hennessey High School in 1975. Later that same year, they got married and will be celebrating their 50th wedding anniversary on April 18, 2025. After their wedding, Kevin worked for his uncle, Mike Schwartz, at Hennessey Ready Mix. He then went on to work at Petro Lewis and later at Kirkpatrick Oil Company. Eventually, Kevin transitioned into full-time ministry and moved their family to Albuquerque, New Mexico, in 1986, where they both served as Youth

Pastors at First Baptist Church.

In August 1988, Emmanuel Baptist Church in Enid, Oklahoma, called Kevin to join their staff as one of the associate pastors. They accepted the call and moved to Enid, where they have lived for the past 36 and a half years. Kevin retired from Emmanuel in 2020 and began attending World Harvest Church in Enid in 2021. Both Kevin and Karen are actively involved in various ministries there, with Kevin serving as one of the executive associate pastors.

Kevin and Karen have one daughter, Sharon, who lives in Colorado with her husband, Dave Kline. They also have a granddaughter, Sedona, who currently attends college in Colorado and is deeply loved by her grandparents.

In addition to church events and ministries, Kevin and Karen enjoy their individual hobbies. Kevin spends his time at The Choate Ranch, enjoys shooting, and loves reading. Karen enjoys antiques, going to estate sales, and crafting. She has a booth at The Broadway Antiques Mall in Enid, where she has made many friends over the years. They both cherish visiting their daughter and her family in Colorado and spending quality time with family and friends.

# ENEL PRESENTS CHECK TO HENNESSEY UNITED LEADERSHIP CLASS

by AAH Angela Bruner

Hennessey United expressed gratitude to Enel North America for their generous donation supporting this year's HHS Leadership class. This contribution, along with several local supplements, enabled students to visit significant sites such as the OKC National Memorial & Museum, the state capitol, and the Oklahoma History Museum, complete with lunches for each trip. The funds also allowed for the purchase of HHS shirts for every student, gifts for ten Reserve Angels, and a selection of candy treats distributed weekly. In addition, the program will provide a few scholarships.

Students received valuable information regarding school, city, county, and state government, along with lessons on income tax, W-2s, and 1099s. Appreciation was also expressed for the support of Mrs. Parrish and Mr. Faulkner in integrating this initiative into the curriculum.

# DISTRICT CHAMPIONSHIP FOR THE EAGLES

by AAH Taylor Ladwig

The Lady Eagles faced the Blackwell Lady Maroons in a rematch for the district championship. In their previous match-up, Blackwell struggled, failing to score for the first six minutes. However, this time they started strong and kept the game close in the beginning. Despite this, the Lady Eagles quickly took and maintained the lead. In the second quarter, their defense excelled once again, disrupting the Lady Maroons' offense by jumping passing lanes and forcing multiple turnovers. This allowed the Eagles to pull away significantly, establishing a 17-point lead by halftime. Although Blackwell showed improved offensive play in the second half, the Lady Eagles remained focused and never allowed the game to become competitive again, ultimately winning the championship with a final score of 54-32. They will face Alva in their first regional match-up on Thursday night.

On the boys' side, the Eagles were also looking for redemption after a close loss to Blackwell in their last encounter. The Maroons maintained the lead for most of the first half, thanks to strong defense from both teams and poor shooting from beyond the arc by the Eagles. Blackwell's rebounding allowed them to hold a slight advantage, and they headed into halftime with a score of 23-21. After the break, Blackwell scored first, but the Eagles fought back and took the lead. The second half was highly competitive, with both teams playing tightly. Freshman Hagen Copeland hit a clutch three-pointer with less than a minute remaining, tying the game at 38-38. However, Blackwell managed to secure the last shot of the game, sinking a difficult off-the-dribble three-pointer to win the district championship with a final score of 41-38. The boys will face Perry in their regional opener.

## Luke 6:27

Luke 6: 27-36 says: "But I say to you who are willing to hear: Love your enemies. Do good to those who hate you. Bless those who curse you. Pray for those who mistreat you. If someone slaps you on the cheek, offer the other one as well. If someone takes your coat, don't withhold your shirt either. Give to everyone who asks and don't demand your things back from those who take them. Treat people in the same way that you want them to treat you.

"If you love those who love you, why should you be commended? Even sinners love those who love them. If you do good to those who do good to you, why should you be commended? Even sinners do that. If you lend to those from whom you expect repayment, why should you be commended? Even sinners lend to sinners expecting to be paid back in full. Instead, love your enemies, do good, and lend expecting nothing in return. If you do, you will have a great reward. You will be acting the way children of the Most High act, for he is kind to ungrateful and wicked people. Be compassionate just as your Father is compassionate

Bishop Rev. James Nunn, who was the overseeing bishop of the Oklahoma United Methodist Church, told us for a solid year that our calling as Christians is to

1. Love God
2. Love People
3. Make a Difference
4. Make Disciples

Loving God seemed easy as a Christian. I am a Christian because of the love of God and my belief in Jesus Christ as my savior. Loving people was a different story. People are sometimes hard to love. In our world where we are more connected than ever we are also more and more being forced apart due to our differences, From the churches we attend, to how we vote, to even how we each decide to care for our medical needs are being used to make all of us feel like there is always an "us verse you."

But then I look at the rest of the list and I really feel overwhelmed. Making a differences in our world can feel very daunting. But what Jesus tells us is that when we choose love and choose to be good then we will make a difference. Choosing love, the way Jesus tells us to love, is the way to make a difference in our world. Dare I say that Loving our neighbors the way Jesus tells us to love our neighbors may even help us to bridge those gaps in differences we see today.

In the UMC we sing a hymn called "They will know we are Christians by our Love." the words state that we are "one in the Spirit, one in the Lord...and we pray that all unity will one day be restored, and they'll know we are Christians by love.." When we chose that love we will begin to make disciples who know the love of God that brings us, and them, to know Jesus. It is hard to fathom that loving each other may be the key to changing our community, our churches, even our world. But what if Jesus is right in that love is the greatest commandment and the second is like it, to love God and love one another.

## Joyce Elaine Holder Obituary

Recitation of the Rosary for Joyce Elaine Holder, 57, will be Monday, February 24, 2025 at 7:00 PM at St. Joseph's Catholic Church. Mass of Christian Burial will be on Tuesday at 10:00 AM at St. Joseph's officiated by Rev. Edward Menasco. Cremation will follow with Cordry-Gritz Funeral home handling arrangements. There will be no viewing at Joyce's request, however the funeral home will be open Monday from 9:00 AM to 6:00 PM for those wishing to sign the register book.

Joyce was born in Enid on May 2, 1967, to Jim and Carolyn Taggart Harnsberger and passed away Friday, February 21, 2025, at her home surrounded by her family.

Joyce graduated from Hennessey High School in 1985 and obtained her bachelor's degree from Oklahoma State University.

She married Randy Holder in Hennessey on June 28, 1985 at St. Joseph's Catholic Church.

Joyce taught school at Villa Teresa Catholic School in Oklahoma City for over twenty years. Coming out of retirement, she was a substitute teacher at Chisholm Middle School in Enid and also taught at Hennessey Elementary for one year. She was currently teaching at St. Paul's Lutheran School in Enid.

Joyce is survived by her husband, Randy, of the home, two sons Chase Holder and wife Brandi, Gunnar Holder, all of Hennessey; two daughters Skylar Holder and fiancé Jake Johnson of Fort Worth, Gracie Holder and fiancé Mason Morland of Dallas; two granddaughters Kinslee and Addi Lou Holder, her mother Carolyn Deaton; and one brother John Harnsberger, both of Hennessey.

She was preceded in death by her grandparents Dee and Kathryn Taggart, father Jim Harnsberger, and mother Lena Blanche Foster.

The family has asked that in lieu of flowers that donations be made in her name to the Hennessey Senior Citizens Center with the funeral home serving as custodian of the fund.

Joyce's life embodied selfless servitude. Through marriage, motherhood, teaching, and community involvement, Joyce's legacy echoes as one of humility and self-sacrifice. Even during her last few months on this earth, Joyce's chief concern was the well-being of those around her. Joyce cared deeply about her loved ones, and we are grateful she now feels the same love and care she gave on earth in the arms of her Heavenly Father.

### INCIDENTS:

02-15-25 Welfare check

02-19-25 The Hennessey Police Department responded to a domestic assault call at The Sleep Inn involving a male, his granddaughter, and her boyfriend. The argument stemmed from a gun found at the deceased father's residence, causing concern for the male who is a convicted felon. The male allegedly pushed the boyfriend against a wall after an argument. The boyfriend confirmed this and the altercation and injuries were documented. All parties eventually resolved the issue peacefully, and the male victim chose not to press charges.

2/21/25 - According to report police received a report of harassing social media posts from a person at the Sawmill Motel. It was found that the posts were a case of mistaken identity, as the person making the posts had confused her with someone else. The issue was resolved after communication with the individual posting the messages.
