TRAGEDY NEAR DOVER: 12-YEAR-OLD KILLED IN SIDE-BY-SIDE ROLLOVER

TRAGEDY NEAR DOVER: 12-Year-Old Killed in Side-by-Side Rollover
A Saturday evening joyride turned tragic for a group of young friends near Dover when a 12-year-old was killed in a rollover accident involving a Polaris side-by-side.

According to a report from the Oklahoma Highway Patrol, four juveniles were riding in the utility vehicle just before 5:30 p.m. about a mile south and west of town. The OHP reports stated the driver began spinning the side-by-side in a tight circle when it suddenly rolled.

The rollover trapped one of the passengers beneath the vehicle's roll bar. The Highway Patrol confirmed the victim's next of kin has been notified.

The report noted that none of the four riders, including the driver, were wearing seatbelts or helmets at the time of the crash. The other three juveniles were not injured.

The Oklahoma Highway Patrol does not release the names of minors in its reports; the child's identity has not been made public.

Dover Public Schools sends their condolences to the family, friends, and the Dover community. They have arranged for additional counselors to be available to speak with students, staff, and the community.

Please keep this family, school, and community in your thoughts and prayers.

JEWEL BABIAK'S 90TH BIRTHDAY CELEBRATION

Nearly 100 friends and family gathered at the Hennessey First United Methodist Church on Saturday, August 23, 2025, for what was originally planned as a celebration of Jewel Babiak's 90th birthday. The party had been organized months in advance, with invitations extended to much of the community.

Sadly, Jewel passed away on July 21st. With the plans already in place, the Babiak family chose to move forward with the gathering, transforming it into both a celebration of her milestone birthday and a remembrance of her life.

Pastor Sandy Shepherd led a short service, then family and friends shared stories, enjoyed music, good food, and fellowship, honoring Jewel in the way she would have loved. There were five veteran members of the Green Berets: U.S. Army Special Forces, present to pay their respect to Jewel and her family.

Happy Birthday, Jewel.

Where are they now? Larry and Chasity Fipps

by AAH Shelley Muzny

Larry “Pooh” Fipps was raised in Hennessey, OK, by his parents, Larry and Molly Fipps. He has seven siblings: Emanuel, Marla, Leslie, Laurie, Rhonda, Patrick, and John. Chasity (Shaw) Fipps also grew up in Hennessey, where her parents, Donnie and Patty Shaw, raised her. Both Larry and Chasity graduated from Hennessey High School in 1997.

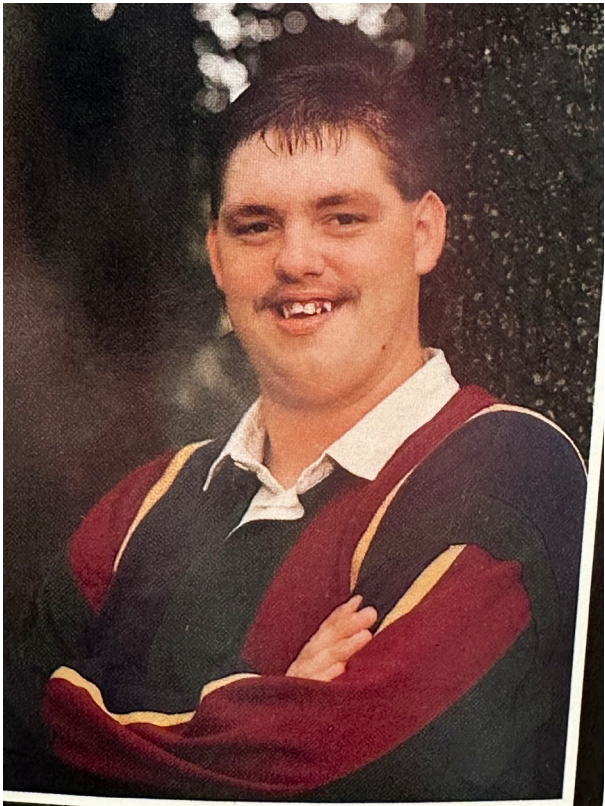

After graduation, Pooh began working as an over-the-road truck driver for Hobby Lobby, driving teams with his father. Chasity initially worked at Sonic before attending beauty school. Larry and Chasity were high school sweethearts and married on July 16, 1999. This past July marked their 26th wedding anniversary. Throughout the years, Pooh and Chasity have supported each other through the ups and downs of life, serving as a true example of love and partnership.

Together, they welcomed one son, Brady Fipps. Brady married Allison, and they blessed Pooh and Chasity with three granddaughters: Karsyn, age 10; Aspen, age 9; and Baylor, age 4. Pooh and Chasity cherish spending their free time chasing after their grandchildren to various activities. They enjoy camping, watching college softball (especially OU), and spending quality time with family.

Additionally, Pooh loves to hunt and fish, and he occasionally visits the casino if he feels lucky. Chasity is an active member of the Hennessey Lions Club and the Hennessey Mother’s Club. Both Pooh and Chasity are also members of the Hennessey Round Up Club.

The saying goes, “Life is short; spend it with people who love you and bring you happiness.” Pooh and Chasity embody this sentiment. They are best friends who truly enjoy each other’s company; where you see one, you are sure to see the other. Both have radiant smiles and kind, beautiful hearts. Pooh has never met a stranger and would give anyone the shirt off his back. Chasity genuinely cares about others, and together they love the Hennessey community.

From their teenage years in love to 26 years later, what a beautiful life they have built.

CITIZENS MEET REGARDING CITY MANAGEMENT AND OPERATIONS

Dozens of Hennessey residents gathered Wednesday, August 20, for a citizen-led meeting to raise concerns about town management, utility billing, and financial oversight. Organizer Kelly Bullis stressed that the gathering was not an official board meeting but a forum for residents who felt unheard during formal sessions.

Three town trustees—Mayor Randy Bohnstedt, David Jones, and Harold Shaw—attended, along with Town Administrator Tiffany Rowen and Public Works Director Alyssa Kubat. However, because the event was not an official meeting, the town's attorney advised them not to speak. Under the Oklahoma Open Meetings Act (25 O.S. §§301–314), trustees may attend and listen at such gatherings but cannot comment or act outside a posted meeting.

Pool Management Complaints

Ashley Zielny read statements from former lifeguards outlining concerns about past pool operations. Allegations included staff being ordered to handle chemicals without proper training, accusations of theft, underpayment for hours worked, and denial of breaks. Some lifeguards said they had to buy their own drinking water. Poor maintenance and insufficient chemical levels allegedly left the pool operating illegally at times.

Water Meter Concerns

Another focus was the town's newly installed iPerl water meters, manufactured by Sensus. Resident Korey Vendetti, with professional experience in flow measurement, criticized the decision to purchase these meters. He noted that Sensus has faced lawsuits in other cities and replaced tens of thousands of faulty units.

Vendetti presented data showing repeated usage patterns—such as 44 to 48 gallons registering during overnight hours when no water was used. His family of five received a \$240 bill despite relying on a private well for outdoor watering. He argued the town should have researched the purchase more thoroughly, especially since Sensus has already released a replacement model.

Financial Oversight Questions

Residents also raised questions about accountability. Allegations included city employees and vehicles being used for nonprofit work during city time, poor oversight of expenditures, and a controversial bid award that caused a \$75,000 cost overrun. Other concerns included debit card usage, unexplained purchases, and maintenance problems at the water plant and cemetery.

"20 Questions" for the Town

Bullis read a list of 20 questions submitted by residents. Among them:

Were staff working on the Reserve Police Officers' Christmas project at Town Hall during office hours, and are there records of donations and gifts?

Why have treasurer's reports not been presented to the board?

Bullis said: "I see that All About Hennessey is paid each month. What exactly is that amount for? It is my understanding that All About Kingfisher, Okeene, and Enid do not bill their towns for similar pages, so why is Hennessey being charged?"

Editor's Note: The town is not paying All About Hennessey. KJ FilmWorks has a contract with the Town of Hennessey to operate the town's Convention and Visitors Bureau, known as Discover Hennessey. These funds come from the Hotel Tax and may only be used for outbound promotion, signage, event planning, and branding. KJ FilmWorks also has contracts with Kingfisher, Enid, and, for the past three years, Stillwater. A full presentation will be given at the next board meeting.

Trustee Speaks Out

Trustee David Jones voiced personal frustration, saying he has been threatened by employees, laughed at during meetings, and ignored when offering new ideas. A special Town Trustees Meeting is scheduled for Wednesday, August 27, at 6 p.m. at Town Hall to specifically address concerns with the town's water meters.

HENNESSEY TOWN-WIDE GARAGE SALE SET FOR SEPTEMBER 20

Get ready to clean out those closets and garages. Hennessey’s Town-wide Garage Sale is happening Saturday, September 20! This event always brings bargain hunters from all over, so it’s the perfect chance to turn your extra stuff into a little extra cash.

Live out of town but still want to join in? Stacy Cline at Hennessey Mercantile is blocking off Oklahoma Street next to her shop and opening it up for sellers. To reserve a spot, call Stacy at 853-5454.

Want your sale on the official map? It’s easy. Just drop \$5 by the All About Hennessey office at 300 S. Main. That money goes straight to Hennessey United . If you can’t make it inside, no problem. Faith, Law, and Survival: Ryan and Valerie Watson Share Their Life-Altering Ordeal

Ryan and Valerie Watson sat down at the Gathering Place in Hennessey Sunday afternoon to share their remarkable story of survival, faith, and resilience after being detained overseas.

On April 12, 2024, the couple's family trip to the Turks and Caicos Islands turned into a nightmare when airport security discovered four bullets in their luggage. Under newly toughened laws, they faced a possible 12-year prison sentence, a fate that has trapped other unsuspecting American travelers.

Their arrest was chaotic, with hours of interrogation, uncertainty about legitimate officers, and a warning that they would stay in jail unless a local put up a \$1,000 asset within the hour. Their driver, Reuben Missick, offered his car, securing their release on bail. Still, the Watsons paid \$50,000 each for legal representation.

Through it all, the couple leaned on faith. Valerie's church created a round-the-clock prayer room, while supporters across the country joined in nightly vigils. Ryan compared the experience to Peter's imprisonment in Acts 12, saying their testimony shows "how God can move through the darkest of places." Prayer, scripture, and song sustained him during three days in a sweltering 6x6 jail cell.

International attention grew quickly, with congressional leaders and UK officials pressuring island officials. By June 19, 2025, the mandatory sentence was repealed. Though freed, the Watsons shouldered over \$251,000 in costs.

Rather than retreat quietly, they chose to testify openly, distributing 315 Action Bibles to island children and working on a forthcoming book and documentary.

"This wasn't about bullets," Ryan said. "It was about faith, community, and God still moving mountains when His people pray."

FROM BRANSON GETAWAYS TO HOMETOWN HOMES

by AAH Amy Smith

If you've ever vacationed in the Ozarks or Branson, chances are you've crossed paths with someone from the Hennessey area. It's a favorite getaway for many locals, and one of the area's best-kept lodging secrets is owned by a local herself: Daphne Marshall.

Daphne owns and manages Marshall Condo Rentals in Branson, MO, with charming 1, 2, and 3-bedroom units tucked inside the sought-after Pointe Royale community. Just 10 minutes from the famous Branson Strip (yes, the one with the Titanic attraction) and only 5 minutes from Table Rock Lake and Dam, the condos are perfectly placed for both excitement and relaxation. Some units even sit right on the shores of Lake Taneycomo.

Guests at Pointe Royale enjoy all the perks of resort living: an indoor pool, tennis, golf, spa, fitness center, Woodyball, grills, and more. Whether you're after a peaceful lake view, a front-row seat to Branson's entertainment, or something a little different, there's a Marshall Condo perfect for you. Explore available rentals at condorentalsbranson.com or call Daphne at 405-853-6929 to secure your spot.

But Daphne's work doesn't end in Branson. She also runs Small Town Home Rentals, currently with eight properties (and more on the way), ranging from cozy in-town homes to spacious farm stays. She offers a unique option for property owners: if you're not quite ready to sell, she can manage your home as a rental in the meantime, and when you are ready, she partners with Cobblestone Realty Partners in Enid to handle the sale.

Real estate is a natural fit for Daphne. She loves meeting people, hearing why they're moving to the area, and learning the stories behind their journeys. "Everyone has a story," she says, "and my part is to play a small role in helping them create memories in a home, office, or on land they've always dreamed of having."

Whether she's welcoming guests to the Ozarks or helping locals find their perfect home, Daphne brings warmth, experience, and a knack for making people feel right at home no matter where they are.

A VERY DIFFERENT CAR SHOW IS COMING TO HENNESSEY

SEPTEMBER 13, 2025

Get ready for some rolling, bouncing, and full-on car dancing, the first annual Hennessey Hood & Hydraulics Car Show is hitting town on Saturday, September 13th!

For the uninitiated, a hood and hydraulics show is part car show, part performance. "Hood" means engines on display, gleaming chrome, wild paint jobs, and enough custom detailing to make any gearhead swoon. "Hydraulics" means cars that can hop, drop, tilt, and bounce in time with the music. Think lowrider ballet, but louder.

This high-energy, colorful event comes with serious bragging rights and \$3,000 in prize money from Big Dog Kustoms. Competitions include Street, Super Street, and Radical classes, plus Top 10 Sweepstakes and Best of Show cash prizes.

Fuel up with food vendors, enjoy live music from El Junior & los de la Sierra, and check out the Hopper Show at 8:00 pm. Gates open at 6:00 pm, the show kicks off at 6:30 pm, and the band cranks it up at 9:30 pm. Beer garden available for the 21+ crowd.

Location: 1100 N. Mitchell Rd, Hennessey (just north of 4T's Market)
Info: Harold Shaw at 405-853-1905 or Ashley Zielny at 405-853-0077
