## SALES TAX RENEWAL

Kingfisher County Voters: Important Sales Tax Renewal Information  
There's been some confusion about the upcoming Kingfisher County sales tax vote on Tuesday, November 11th. After speaking with the Kingfisher County Election Board, several fire chiefs, and the County Commissioners who called for the election, the All About Network has confirmed this is not a new tax.

The ½-cent county sales tax began in 1991 and has been renewed every five years since. Voters are being asked to continue it again. If passed, the overall tax rate will stay the same, only how the money is divided will change.

### Here's the proposed distribution of the tax:

**Road Resurfacing:** Was 28% → Now 19%  
**Fire Departments:** Was 13% → Now 15%  
**OSU Extension & 4-H:** Was 8% → Now 7%  
**Free Fair:** Was 6% → Now 3%  
**Museum:** Was 4% → Now 5%  
**Libraries (Kingfisher & Hennessey):** Was 2% → Now 3%  
**Sheriff's Office:** Was 15% → Now 10%  
**County 911:** 9% (unchanged)  
**General Government:** Was 15% → Now 7%  
**Jail Trust Authority:** 22%

Before this tax was established, many county services struggled to operate. For example, many rural fire departments had outdated equipment and no funds for repairs or replacements. Since the tax was implemented, those departments have been able to modernize and lower their ISO ratings, which in turn reduces homeowners' insurance costs.

This tax renewal helps keep essential services running across Kingfisher County.

## COMMUNITY RALLIES TO SUPPORT SUSAN MCCARTNEY

by Beth Berkenbile

Saturday evening, October 25th, the Community Action Team (CAT) once again brought neighbors together for a powerful cause, this time to support Susan McCartney with her medical expenses. Friends, family, and supporters came together for an evening filled with great food and generosity. Guests enjoyed a meal of onion burgers, chili dogs, and a wide selection of homemade desserts.

Susan, 42, experienced a sudden and life-threatening heart attack earlier this year. On April 3rd, Sally discovered her collapsed near her car at the end of the workday. Thanks to quick action and ongoing medical care, Susan is now on the slow but steady road to recovery. The journey has not been easy, but with continued prayers and generosity from friends and neighbors, Susan has been making remarkable progress.

The fundraiser that evening raised an impressive \$7,444.00, but the outpouring of kindness didn't stop there. Donations have continued to come in from near and far, bringing the total amount of support to \$9,694.00. Contributions have poured in through

## PRAYING FOR PAISLEY: A BIRTHDAY FULL OF HOPE

by Angela Bruner

In July of 2024, ten-year-old Paisley went in for what was supposed to be a routine check-up with her doctor. But when her labs came back, her creatinine levels were dangerously high. Her doctor immediately told the family to take her to OU Children's Hospital for further testing.

On July 2, Paisley was admitted, and after several days of tests, doctors determined that her kidneys were no longer functioning properly. Her family was faced with a difficult decision to start her on dialysis.

Just a few weeks later, on July 26, Paisley had surgery to have a port inserted and began dialysis the next day. What started as twice-a-week treatments soon increased to three times a week as her blood pressure became harder to manage. Then in November, her medical team made another hard call that Paisley's kidneys were doing more harm than good. In January of this year, she underwent surgery to have both removed.

Today, Paisley lives without kidneys. She continues dialysis three to four times each week depending on how her blood pressure holds up. On September 10, 2025, she was officially added to the kidney transplant list, and now the family waits for the call that will change everything.

Through it all, Paisley's strength has inspired everyone around her. She's faced every challenge with courage, faith, and a smile that brightens the room.

And this past Saturday, October 25, her community made sure she knew just how loved she is. Come rain or shine, about fifteen cars lined up for a special birthday parade to celebrate Paisley. Balloons, honking horns, and smiling faces filled the street as friends, family, and neighbors drove by to wish this brave girl a happy birthday.

Because of her health, Paisley couldn't have a traditional party with her friends, but the parade brought the celebration right to her doorstep.

If you missed Paisley's parade but would still like to brighten her day, she has a special wish list where you can send her something directly: <https://shorturl.at/MFUie>.

Every message, gift, and prayer means the world to Paisley and her family as they continue this journey filled with hope, love, and the promise of better days ahead. photos by AAH Cam Griffin.

## MUSTANG DONATES SAFETY EQUIPMENT TO HENNESSEY FIRE DEPARTMENT

On Wednesday, October 22, members of the Hennessey Fire Department toured the Mustang Gas Plant located on E650 Road (Exxon Road) south of Hennessey. The visit included a walkthrough of the plant and its training facilities, followed by dinner hosted by Mustang.

During the event, Mustang presented the department with four, multi-gas monitors. These handheld devices simultaneously measure oxygen, carbon monoxide, hydrogen sulfide (H<sub>2</sub>S), and combustible gases. The monitors are vital for ensuring safety in hazardous environments such as tanks, silos, and confined spaces, providing real-time air quality readings and alerting users through audible, visual, and vibration alarms when danger is detected.

Firefighters attending the tour included Terry Berkenbile, Dustin Grellner, Dustin Munroe, Cris Pribyl, Kyle Keeton, Tyson Copeland, Skylar McCall, Sergio Gomez, Randy Gregory, Levi Copeland, and Fire Chief Brandon Scott.

Chief Scott expressed his appreciation for the donation, saying, "These monitors will help protect our citizens as well as our firefighters, not only in the oil field but also in homes and businesses." He also thanked Mustang for their generosity and the valuable training experience. Photo provided.

## FULL BELLIES, WARM HEARTS AT DOVER FIRE DEPARTMENT BENEFIT DINNER

The Dover Volunteer Fire Department sure knows how to draw a crowd, and feed them! A big turnout filled the station Saturday evening, October 25 for the annual benefit dinner, where the smell of smoked hog and sizzling burgers greeted guests long before they made it to the serving line.

Tables were packed with locals and plenty of out-of-towners who came to show their support, swap stories, and share a few laughs over plates piled high with good food and all the fixings. It was small-town community spirit at its best, good eats, good company, and a great cause. Photo by AAN's Jack Quirk.

## BRATS, BURGERS & BIG THANKS!

Hennessey NAPA threw a Customer Appreciation cookout Friday, Oct. 24th, brats, hamburgers, and all the trimmings you could pile on a plate.

Folks left with full bellies, big smiles, and plenty of NAPA swag, hats, cups, pens, and even key chains.

NAPA extends a big thank you to the community for your continued support, it's what keeps them going!

BONUS: Don't miss the NAPA tool sale happening now through October 31st!

### McCartney fundraiser continued..

local banks and private gifts, each one a testament to the strength of this community's giving spirit.

We are truly blessed to live in a town like Hennessey. People here don't just talk about caring, they show it. The sentiment echoes the words of the late Governor George Nigh, who, during a 2010 banquet in Hennessey, reminded residents how important it is to keep our "spot on the map" special through cooperation, care, and community involvement.

The CAT fundraiser was a perfect example of that message in action. The evening not only helped Susan but also inspired others to continue supporting local causes. To keep this happening, it takes us all! Two additional fundraising events are already planned for the coming weekend, one benefiting Tommy Bohnstedt at The Concept Center, and another for Forgotten Ministries, founded by Hennessey graduate Jeremiah Herrian.

We all have a purpose in our community, and great things happen when we work together!

## HENNESSEY TEACHER RECEIVES SCIENCE GRANT

Heather Russell, a kindergarten teacher at Hennessey Early Childhood Center, received funding through the FUTURE Grant from Continental Resources to support hands-on science learning in her classroom.

With this grant, Russell will purchase a sensory table, a greenhouse, and books about habitats, helping students explore science through interactive, real-world experiences.

## New Vision at the Hennessey Senior Center

The Hennessey Senior Center is entering a new chapter with changes in leadership and staffing aimed at streamlining operations and improving services for local seniors.

New Board Chair Teresa Dillon explained the new structure for the center. Shannon Miller will serve as the single on-site lead, managing both administrative and day-to-day operations under the direction of the board. Due to budget limitations, the board determined

that combining the director and operations roles into one position was the most practical solution. Dillon noted that Miller will "handle everything from directing to cooking," describing the position as a true "cook and bottle washer" role.

Miller brings extensive dietary and food service experience to the job, having worked in hospital and university kitchens, including the University of Arkansas and Mercy Homes. She also has a background in caregiving, giving her valuable insight into senior nutrition and menu planning.

Longtime staff member LaVon O'Brien will retire on Friday, October 31, but will continue to serve as an advisor to the board during the transition.

The updated board now includes Teresa Dillon, Teresa Helm, Pamela Joseph, Barbara Walters, and Shirley Coons, with LaVon O'Brien serving in her new advisory role.

Originally from Arkansas, Shannon Miller has lived in Hennessey for the past five years. Her husband works for Kingfisher County, further strengthening her local ties. The board expressed confidence that Miller's combination of experience and community connection will help lead the Senior Center into a new phase of service and stability. Photo by AAH Jack Quirk.

## EMBRACING THE SPIRIT OF FALL: A FUN-FILLED HALLOWEEN ADVENTURE!

The signs of fall are finally starting to appear, and I was beginning to wonder if it would ever arrive. I've pulled out my sweatshirts for the cool mornings, and I've noticed the leaves changing color. Today, I have deer stew simmering on the stove and peach cobbler baking in the oven. With my chores done, I plan to spend the afternoon painting.

Last week, I ventured over to story time at the library, wearing my pumpkin costume to celebrate the fall season. After the library, I rolled and bounced my way to Mrs. Hagar's pre-k class, where we read a couple of pumpkin-themed books. The kids excitedly shared their Halloween costume ideas and pumpkin carving adventures.

Just so you adults know, this week is Halloween! This year, at the request of my friend Violet, I will be dressed as Winfred, along with Sarah as Violet Snow and Mary as Val Snow, the Sanderson sisters. Our costumes are ready, complete with Winifred's teeth! A photo shoot has been planned, and Mary will be bringing her vacuum, Sarah will have her candy cauldron, and I will be carrying the eye book.

I'm looking forward to strolling down Main Street to see all the creative costumes everyone comes up with. Back in Mrs. Hagar's class, the pumpkin lady asked if the little ones are listening through their noise or listening through their ears. That was one valuable lesson I learned from attending Pre-K last year, and I was assured that the whole class is indeed listening through their ears.

Here's to a week filled with smiles and treats! Have a safe and happy Halloween!

Transitions by Bonny Flesher

## FIRE DESTROYS BARN WEST OF HENNESSEY

A large barn west of Hennessey was destroyed by fire Monday afternoon, October 20th.

The Hennessey Fire Department was dispatched around 2:30 p.m. to 11778 E. 630

Road, the property of Tom and Becky Holder. When crews arrived, the barn was already fully engulfed in flames. The wood-framed structure, covered in metal siding, had begun to collapse from the heat and intensity of the blaze.

It was determined the safest course of action was to allow the structure to burn down under controlled conditions rather than risk injury attempting to extinguish it. Thankfully, no animals were inside the barn at the time, and no injuries were reported.

The Dover Fire Department provided mutual aid with a tanker to help support Hennessey crews at the scene. Photos by Amy Smith

## Golden Chick Serves Up Sweet Support for Hennessey Schools

Golden Chick is making it easy for Hennessey residents to satisfy their sweet tooth and give back this fall. Now in its third year, the restaurant's Mini Funnel Cake fundraiser has become more than just a seasonal treat—it's a way to directly support local students and teachers.

From now through January 4, 10% of every Mini Funnel Cake purchase will be donated to schools in the Hennessey area. Those funds help cover the cost of classroom supplies, field trips, and other campus projects that make a big impact in small-town schools.

Golden Chick's effort reflects its commitment to community and small-town spirit. The Texas-born brand has already raised more than \$300,000 for schools across its communities in just two years, proving that a simple sweet snack can make a meaningful difference close to home.

"We love seeing families stop in, enjoy a treat, and know that they're helping their local schools," said a Golden Chick representative. "It's our way of saying thank you to the towns that have supported us for so many years."

Hennessey residents can grab their Mini Funnel Cakes at the local Golden Chick location through the holiday season and enjoy a dessert that gives back.

## EXXON ROAD REOPENS

October 21, County Commissioner Mike Sparks announced that 650 Road (Exxon Road), from Mitchell Road to US Highway 81, would be temporarily closed for repairs. Thanks to the swift work of David Fuksa with F5 Construction, drainage improvements near Miller Heights on Exxon Road were completed ahead of schedule.

Next, the County will begin resurfacing the road by grinding the existing asphalt, relaying it, and applying a double chip and seal treatment. This work is part of a broader effort to improve several roads in the area.

## Autumn's Return: Finding Comfort in the Familiar

by Libby Seiger

There's a certain sigh the world lets out when autumn returns. The air softens, the sky deepens, and life seems to exhale after the long, buzzing heat of summer. The cicadas fade, the leaves begin to whisper, and suddenly everything feels slower, calmer, like the earth itself is settling back into its favorite sweater.

For me, fall has always felt like coming home. Maybe it's the rhythm of routine returning after summer's wildness, or the way the air smells faintly of nostalgia- crisp, smoky, and full of memory. The first mug of hot coffee on a cool morning feels like an old friend. The crunch of leaves underfoot, the flicker of a candle, the golden light through the trees- all familiar, yet new each year.

There's comfort in the repetition of it all. We know what to expect: pumpkins on porches, football games on Fridays, and soups simmering on the stove. But somehow, it never feels ordinary. Each autumn reminds me that the familiar isn't boring - it's grounding. It's proof that no matter how much life changes, some things stay beautifully the same.

Maybe that's what I love most about this season - its gentle reminder that slowing down isn't the same as stopping. That there's beauty in routine, warmth in repetition, and peace in knowing that the world still turns, quietly and faithfully.

As the trees let go of what no longer serves them, I'm reminded to do the same - to release, to rest, and to trust that what's meant to return always will. Autumn doesn't rush. It simply arrives, year after year, teaching us that comfort can be found not just in what's new, but in the lovely, familiar things we already know.

## HENNESSEY CROSS COUNTRY WRAPS UP STRONG SEASON AT STATE

The Hennessey Eagles Cross Country teams capped off their 2025 season with solid performances at the Class 2A State Meet, showing grit and teamwork on the course.

The Lady Eagles had a great day, with six runners crossing the finish line. Leading the way was Emma Copeland, finishing in 13:23 for 30th place overall. Right behind her were Jocelyn Matousek (13:49, 45th) and Julianne Matousek (13:55, 47th), a strong showing from the Matousek sisters. Also finishing for Hennessey were JoHanna Matousek (16:06, 123rd), C'Anna Marin (17:04, 131st), and Faith Martinez (17:21, 133rd), rounding out an impressive team effort.

On the boys' side, Asher Ward led the Eagles, clocking 19:57 to earn 67th place overall. He was followed by Seth Sims (20:58), Mauricio Gonzalez (22:13), and Rogan Choate (22:38), with Tryton Moreno rounding out the squad. The boys turned in a consistent and determined performance to close their season.

**A special congratulations goes to Emma Copeland and Jocelyn Matousek for earning Cross Country Senior All-Star Honors**, a proud recognition of their dedication. Photos by Hennessey's Lacey Copeland and Coach Baxter.

## EAGLES FLY HIGH WITH 21-8 VICTORY OVER LUTHER by AAH Cam Griffin

The Hennessey Eagles celebrated an impressive 21-8 win against Luther, thanks to strong performances on both offense and defense. The game began with a big play from Levi Ferrell, who intercepted a pass in his first game at safety. Ferrell quickly turned that momentum into points, rushing for a 10-yard touchdown to put the Eagles ahead 7-0.

Luther responded with a rushing touchdown and a two-point conversion, bringing the score to 7-8. But Ferrell wasn't done, alongside Mario Lopez, he led the team on a 10-play, 52-yard drive, scoring another touchdown on a 5-yard run, making it 13-8 after a missed PAT.

In the third quarter, Ferrell connected with Beau Vinson for a 12-yard touchdown pass and rushed in a two-point conversion, extending the lead to 21-8. The Hennessey defense stepped up, forcing turnovers and stopping the Lion offense with big sacks from Esteban Blanco and Luis Macias-Montoya.

Ferrell dominated the game with 155 rushing yards, 2 rushing touchdowns, and 1 passing touchdown, while Mario Lopez added 77 yards, capped with a crucial 36-yard rush to seal the victory. With the win, the Eagles extend their winning streak to 6 for the first time since the 2015 season, and secure their spot in the Playoffs! With the District Championship on the line, the Hennessey Eagles will travel to Stroud to play the Tigers on Halloween night. 7:00 pm kickoff. photo by AAH Shelley Muzny
