COUNTY ROAD IMPROVEMENTS ALMOST COMPLETE

Kingfisher County District 2 has been busy this past month with multiple road improvement projects happening simultaneously across the county. Over the last 30 days, County Commissioner Mike Sparks has overseen miles of progress, completing several major projects including the Dover–Crescent Road and others in that area.

In the past two weeks, crews have focused on several large resurfacing projects in the Hennessey area, including approximately two miles of South Mitchell Road, as well as Exxon and Conoco Roads, and nearly four miles of Cemetery Road.

Commissioner Sparks noted that while there's still some finishing work to be done, most of the projects are nearing completion. He expressed appreciation to residents for their patience during the construction process.

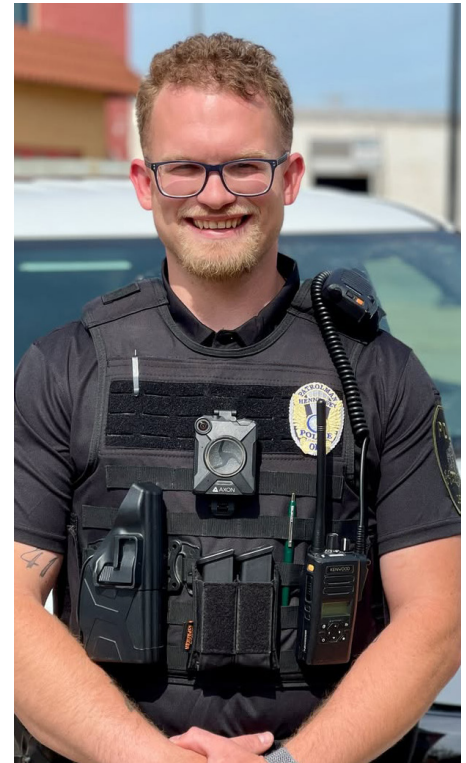

For questions or more information, contact Commissioner Mike Sparks at 405-853-5113.

HENNESSEY PD PROUDLY CONGRATULATES OUR NEWEST OFFICER, JOHN GAY II

The Hennessey Police Department is proud to welcome its newest officer, John Gay II, who graduated from the police academy on November 7th.

John has had his sights set on law enforcement for a while. He earned an associate degree in Criminal Justice, giving him a solid start before joining the department in April of this year. After months of training and hard work, he's now officially certified and ready to hit the streets.

Chief Solis stated, "I couldn't be more proud of Officer Gay II for completing the academy. It takes hard work, discipline, and a strong sense of purpose to earn that badge. He's shown all of that and more. I look forward to watching him grow into his role and continue serving the people of Hennessey with pride."

KINGFISHER COUNTY 1/2 SALES TAX CONTINUATION

The Kingfisher County fire departments are asking for you to vote Yes, on the continuation of the half cent sales tax. Since it began in 1991 the half cent sales tax has proven to be very beneficial to the county departments. It is very vital to the fire departments to purchase and maintain equipment, gear, and for training. It also assists with being able to pay normal bills to keep the fire departments in operation. The purchase of a new brush truck, equipped, is around \$180,000-\$200,000. The cost to outfit a firefighter in bunker gear is around \$5000 per firefighter. The Self Contained Breathing Apparatus(SCBA) is also around \$8000 per set. We try to take advantage of as much free training as we possibly can but not all training is free. For example, an Extrication A class is around \$6000. An extrication B class is another \$6000, and we have to provide the vehicles for each. Sometimes we are very fortunate to have donors help with this. Through grants obtained by various departments or from the Oklahoma State Firefighters Association, we are able to do a lot of this training at no cost. Please show your support to your county fire departments and other various agencies that are able to benefit and stay in operation with this tax.

From inspections and maintenance to repairs and installations, Hennessey Septic has you covered. Trust their experienced team to keep your septic system running smoothly so you can have peace of mind knowing your home is in good hands. Contact them today for all your septic system needs.

LIONS CLUB LENDS A HAND TO LOCAL FOOD BANK

The Hennessey Lions Club has once again shown their commitment to helping the community by donating \$500 to the Hennessey Methodist Church Food Bank.

The contribution comes at a crucial time as many local families are feeling the effects of the ongoing SNAP assistance issue. The food bank has seen an increase in need over the past few weeks, and this donation will help restock shelves and keep food on the table for those struggling to make ends meet.

The club meets every Thursday at noon at the Family Cafe, and all are welcome to attend a meeting or join the club.

MASONS DONATE LIFE-SAVING EQUIPMENT TO HENNESSEY SCHOOLS

Tuesday evening, November 4th, the Hennessey Masons donated a new Automated External Defibrillator (AED) to Hennessey Public Schools. An AED is a portable, battery-powered device that can quickly analyze a person's heart rhythm and deliver an electric shock if needed to restore a normal heartbeat, a vital tool in treating sudden cardiac arrest.

The district already has one AED in every building, and thanks to the Masons' generosity, there is now one available for every athletic team as well. Accepting the donation were School Nurse Shelley Muzny and High School Principal Josh Faulkner.

Laura (Deckard) Dobbins

by AAH Shelley Muzny

Laura (Deckard) Dobbins grew up in Carthage, Missouri, the daughter of Greg and Caryn Deckard, and sister to Kayla Hyland. She graduated from Carthage High School in 2006, then attended the University of Arkansas before transferring to Missouri Southern State University, where she earned her bachelor's degree in Secondary English Education in December 2010.

After graduation, Laura worked as the high school principal's secretary at Joplin High School's 11–12 Grade Center during the challenging year following the 2011 tornado. She later taught eighth-grade reading at East Middle School in Joplin before shifting careers into real estate. From 2015 to 2021, she worked with Paramount Homes, and since September 2021, she has been a Realtor with RE/MAX in Enid.

Laura and her son, Jasper (12), moved to Oklahoma in 2013. Jasper now attends Hennessey Middle School. In addition to her busy real estate career, Laura enjoys reading, writing, and flipping houses. She's also a published author—her book *The Twenty-Four Weeker: Bentley's Story* shares a powerful personal journey.

The Dobbins family attends Hennessey United Methodist Church, and Laura is well known for her generosity and community spirit. Whether volunteering her time or lending a helping hand, she's always ready with a warm smile and kind words. Hennessey is lucky to have her!

SUPER MOON!

Not to be confused with Super Man, though both are known for making evening appearances.

A Supermoon happens when the moon's orbit brings it closest to Earth just as it's showing off a full moon face. That point, called perigee, is when the moon cozies up to just 224,895 miles away, basically, next-door in cosmic terms. The result? A moon that looks bigger, brighter, and about twice as judgmental when you go back for seconds at dinner.

HENNESSEY FIRST RESPONDERS HONORED WITH APPRECIATION DINNER

The Hennessey Masons rolled out the red carpet, along with plenty of gravy, at a First Responders Appreciation Dinner held Tuesday evening, November 4th, at the Hennessey Coronado Lodge #56 on 3rd Street.

About 14 first responders enjoyed a hearty chicken fried steak dinner complete with all the fixings, as a small token of gratitude for the big jobs they do every day. Guests included members of the Hennessey Fire Department, Hennessey Police Department, Kingfisher County Sheriff's Office, and the Oklahoma Highway Patrol.

The event was a warm reminder that while these men and women spend their days serving the community, the community hasn't forgotten to serve them once in a while, especially when it comes with mashed potatoes. Photos by AAH's Jack Quirk.

Timothy Wayne Michelsen Obituary

A come and go celebration of life for Timothy Wayne Michelsen, 53 will be from 2:00-4:00 PM Saturday November 1, 2025, at Cordry-Gritz Funeral Home.

Tim was born in San Diego, California on March 21, 1972, to Lyle and Sandra

Morgan Michelsen and died Sunday October 19, 2025, at his home south of Hennessey,

Tim graduated from Covington-Douglas High School in 1991 and attended Northwestern Oklahoma State University in Alva.

Most of his life he worked as a wireline operator or engineer in the oilfield industry. Those jobs took him all over including Oklahoma, Kentucky, Texas, Kansas, North Dakota and Wyoming. Tim always dreamed of owning his own wireline company and in 2020, he founded Eagle Wireline, LLC. in Hennessey, OK.

If you knew Tim, you knew what was important to him. It was wireline, Shopsmiths and his friends but above all of these, it was his daughter Gracie Jo. Owning a business gave him the flexibility to spend more time with her. Their weekends together were always spent doing something fun and exciting together. They went to the movies, dug up crystals, rode ATVs, enjoyed going to thrift stores, went to car races & to the monster trucks, and one Halloween they shot paintballs at clowns & zombies at the Haunt in Harrah. She was his whole world.

Tim is survived by his daughter Gracie Michelsen, ex-wife Deanna Grace, two sisters Yvonne Hudson and husband Melvin of Midland, Arkansas, Amanda Shelito and husband Mark of Enid; two nieces Christina Pugh and husband Alan, Sara Nall; two nephews Rodney Hudson and wife Lindsey, Joseph Shelito, and one great-niece Morgan Pugh.

Tim was preceded in death by his parents. In lieu of flowers, memorial donations may be made to the Gracie Michelsen College Fund with the funeral home serving as custodian.

Shirley was born at Loyal on January 30, 1937, to Clyde and Dora Lorenz Hosins and died Thursday October 30, 2025, at Hennessey Care Center.

Shirley married Earl Hall in Hennessey in 1956. She attended 132 Bible Church.

She is survived by three sons, Larry Hall of Enid, Terry Hall of Hennessey. Mark Hall and wife Phyllis of Guthrie; three grandsons Bruce Hall, Robert Hall, Stephen Hall; one sister Janice Scheffler, one brother Jerry Hoskins, and several great-grandchildren.

Bill was born in Parnell, Texas on October 24, 1931, to Hollis and Estelle Hale, and died Friday October 31, 2025, at St. Mary's Regional Medical Center in Enid.

He married Geneva Collins in Clovis, New Mexico October 1, 1955. Bill proudly served in the U. S. Army during the Korean War.

Bill is survived by two daughters Ronda Terrell and husband Steve of Flower Mound, Texas, Suzanne Hale of Enid; eight grandchildren Molly Bonham of Hennessey, Marty Moulton of Arkansas City, Kansas, Kelli Livingston of Dover, Dustin Jackson of Aubrey, Texas, Robbie Barnett of Hennessey, Matt Moulton of Sherman, Texas, Kerri Johnson of Texas, Kandi Venable of Oklahoma; seven great-grandchildren Abbi, Daigen, Cameron, Christian, Andi Harris, Grace, and Gentry.
