Hennessey Hall of Fame Welcomes Two Distinguished Inductees

HOF inductees Teresa Thomas Dillon and Ramon Renteria-Lara

Two Hennessey graduates were added to the Hennessey Hall of Fame during the 2026 HHS graduation ceremony, honoring **Teresa Thomas Dillon** and **Ramon Renteria-Lara** for their outstanding professional achievements, community service, and continued connection to Hennessey.

Teresa Thomas Dillon, a member of the Hennessey High School Class of 1977, built a remarkable career rooted in service to her country. During her school years, Dillon was active in sports, 4-H, student council, and FHA. After graduating, she earned a degree in food and nutrition from Oklahoma State University before beginning a 20-year active-duty career in the United States Army.

Her military service included assignments across the United States and overseas in Germany, along with deployment to Saudi Arabia during Desert Shield and Desert Storm. Dillon later earned a master's degree in Community Nutrition from the University of Maryland and spent more than two decades working as a Department of Defense contractor and U.S. Army civilian employee. Her work focused on medical countermeasures and protective systems designed to defend against chemical and biological warfare threats.

Ambulance and Emergency Services: What Hennessey Voters Need to Know

Residents across the Hennessey School District will head to the polls June 16 to vote on a proposed ambulance and emergency services levy that community leaders say could determine the future of local ambulance coverage.

The proposal would create what is commonly called a "522 district," a special taxing district allowed under Oklahoma law that is designed to fund one specific service. In this case, the district would be used solely for ambulance and emergency medical services.

Supporters say the measure is intended to help secure ambulance coverage for both town residents and rural areas within the Hennessey School District.

What the 522 District Would Do

If approved, the proposal would add 3 mills to local property taxes. Hennessey property owners currently pay a combined tax rate of 76 mills. The additional levy would increase that total to 79 mills.

HENNESSEY HIGH SCHOOL CLASS OF 2026 GRADUATES

Thursday evening, May 14 the Hennessey High School Class of 2026 officially crossed the stage during commencement ceremonies held inside the Eagle Event Center. Family, friends, faculty, and community members packed the venue to celebrate the graduating seniors and their accomplishments.

Leading the Class of 2026 were Valedictorians Jocelyn Matousek, Kallie Rapp, Yaritsa Rascon, Tayler Franklin, Leilie Vadder, Kaden Kennedy, Kate Curran, Camdyn Lott, Brylie Haas, and Jaryn Dowell.

Honor Program Graduates included Ruby Valles, Jesi Pickle, and Emily Goff.

Class officers included Kate Curran as President, Ivonne Fraire as Vice President, Eduardo Alvarez as Secretary, Kaden Moulton as Treasurer, and Daniela Oropeza as Student Council Representative.

The Class Motto for the Class of 2026 was, "Is this due at 11:59 PM too?"

The evening featured performances by the HHS Choir, remarks from school leadership, presentation of diplomas, and recognition of the 2026 Hall of Fame Inductees, Teresa Thomas Dillon and Ramon Renteria Lara.

A special Memoriam of Jarett Smith was read by Amiley Tuell.

HHS Baccalaureate Service

Wednesday, May 13, the Hennessey Ministerial Alliance hosted the annual Baccalaureate Service honoring the Hennessey High School Class of 2026. Family, friends, and community members gathered for a special

evening of reflection, encouragement, music, and prayer as the seniors prepare for graduation.

The service opened with a recorded processional by Allison Ferrell, followed by the invocation given by Ish Engle of First Christian Church. Jaryn Dowell led "The Lord's Prayer (Forgive Us Our Trespases)," and Tayler Franklin presented the scripture reading.

Jocelyn Matousek performed "Be Thou My Vision," arranged by Faye Lopez, and Pastor Sandra Shepherd of Hennessey United Methodist Church delivered the inspirational message. Guests also enjoyed a senior slide show recognizing the graduating class.

The benediction was given by Tucker Fuxa of the Hennessey Church of Christ, followed by the recorded recessional by Allison Ferrell.

Following the service, the Ministerial Alliance hosted a reception in the seminar room for graduates, families, and guests.

-HENNESSEY'S HOMETOWN NEWSPAPER-

GERRI RUSSELL RETIRES AFTER 45 YEARS

After 45 years in the classroom, Hennessey Elementary School recently celebrated the retirement of longtime teacher **Mrs. Gerri Russell** with a special party in her honor. Over the years, Mrs. Russell became known for her caring heart, strong work ethic, and the way she truly cared about both her students and coworkers. Her smile and kindness made a lasting impact on so many people who walked through the school doors.

Mrs. Russell leaves behind some very big shoes to fill, and she will definitely be missed by students, staff, and families alike. While everyone is sad to see her go, they are also excited for her as she begins a well-earned retirement. Thank you, Mrs. Russell, for 45 wonderful years of teaching, caring, and being such a blessing to the Hennessey community. photos by AAH, Shelley Muzny

Ambulance Levy (522) continued

Under Oklahoma's property tax system, homeowners are taxed on 11% of a property's market value.

For example:

A home valued at \$150,000 would see an increase of about \$50 per year, or roughly \$4 per month.

A \$250,000 home would pay about \$83 more annually.

Funds collected through the district could only be used for ambulance and emergency medical services.

Who Can Vote?

Anyone living within the Hennessey School District boundaries is eligible to vote on the measure, including residents outside town limits.

That includes many rural residents who rely on Hennessey-area ambulance coverage.

What Happens if the Levy Fails?

Community leaders say ambulance coverage could be reduced if the measure does not pass.

According to organizers, service could potentially be limited to town residents only, leaving some rural areas without guaranteed ambulance coverage.

Officials also note that ambulance providers now have the legal ability to decline service calls in areas that do not provide local funding support.

Some residents have discussed ambulance membership programs as a possible alternative. However, organizers say those programs only help cover a patient's personal costs and do not pay the full cost of operating an ambulance service.

At this time, leaders say no other long-term funding plan has been identified.

Community Meeting Planned

All About Hennessey will hold a public meeting ahead of the June 16 election to explain the proposal and answer questions from residents.

Topics expected to be discussed include:

How the community reached this point

What the proposed district would fund

Possible impacts if ambulance service is reduced

Residents are encouraged to attend the meetings, ask questions, and learn more before casting their vote.

Polls will be open June 16 from 7 a.m. to 7 p.m.

Marilyn Buckner Obituary

1941-2026

Our most inspiring, energetic and beloved mother and grandmother, Marilyn Kay Buckner, was born February 5, 1941 to Clyde and Virginia (Nusz) Waters. She peacefully passed away in her home on May 9, 2026 at the age of 85 with her two children holding each hand.

Marilyn was born in Oklahoma City and, along with her mom, lived at her grandparents' home west of Loyal, Oklahoma until her dad returned from World War II. They moved to a home not far from her grandparents where she loved wading in the creek and playing with her animals. During summers, her whole family traveled to Wyoming, Colorado and other states to custom harvest. Her dad made sure she always had a job at every stop, most often as a café waitress.

Marilyn attended Loyal Public Schools and graduated as salutatorian of her senior class in 1959. English was her favorite subject, and she was the pitcher on the 1959 state winning softball team. She was very proud of her school years and treasured the lifelong friendships she made there. After graduation, Marilyn moved to Kingfisher where she worked at People's National Bank. The next year she began work at Farmer's & Merchants Bank in Hennessey,

In December 1959, Marilyn married Lloyd "Pete" Buckner in Loyal. They built their home in 1960 and, during their 65 years together, they spent a wonderful life farming, gardening, raising their kids and having the absolute best life. She was an expert wheat hauler, chore doer, piglet puller, gardener, cook and most importantly, mother & grandmother.

While being a farmer's wife, Marilyn began what was probably the most impactful part of her life when she accepted employment as the Hennessey High School Secretary in 1974. Over those 41 years there, she loved being an inspiration, friend, confidante and second mom to thousands of teenagers. She adored the students and missed it so very much after retiring in 2015. She was inducted into the Hennessey High School Hall of Fame and received the Lifetime Eagle Award.

Always wanting to have fun, Marilyn had some of her best times dancing with Pete, at card parties, at school athletic events and giving her time to the community that she loved so much. She was a long-term and valued member of Hennessey Child Study Club, First United Methodist Church & American Legion Auxiliary Girls State. Marilyn will be lovingly remembered by her son Steve (Diann), daughter Melanie, grandchildren Olivia (Kaden), Brok (Kim), Staci (Dustin), Cody (Chelsea), Colby (Kenna), Ryan, Sailor, Casen & Kross, brother Charlie & sister-in-law Kristy Waters of Loyal and a host of extended family and friends.

Greeting her in Heaven are her parents, her husband Pete, an unborn child, extended family and many friends who were like family to her.

Memorial services are planned for 10:00 am Saturday, May 30, 2026 at the Hennessey High School Auditorium with Cordry-Gritz Funeral Home handling the cremation arrangements.

The family has chosen to create a scholarship for a Hennessey High School Senior who exemplifies Eagle Spirit in the way she did. In lieu of flowers, donations may be made to the Marilyn Buckner Eagle Spirit Scholarship Fund with the funeral home serving as custodian.

Terry Joe Sedlak Obituary

The funeral for Terry Joe Sedlak, 81 will be at 10:00 AM Wednesday May 20, 2026, at Kingfisher Church of The Nazarene officiated by Pastor Zack Smithson and Jeff Liles. Burial will follow at Calvary Cemetery in Hennessey under the direction of Cordry-Gritz Funeral Home.

Terry was born in Enid on April 17, 1945, to Joe and Marcella Pacula Sedlak and died Friday May 15, 2026, at Oklahoma Heart Hospital in Oklahoma City.

He graduated from Hennessey High School and attended Oklahoma State University and later earned his bachelor's degree from Central State College in Edmond.

Terry married Donna Meier in Hennessey October 2, 1999. The couple made their home on the family farm east of Hennessey prior to moving to Kingfisher.

Terry is survived by his wife Donna of the home, four daughters Heather Vanhouten and husband Ben of Grand Rapids, Michigan, Cortney Cribari of California, Stephanie Peterson and husband Allen, Melissa Finley and husband Brent, all of Piedmont; seven grandchildren Jack Vanhouten, Alex Vanhouten, Kingston Cribari, Nathaniel Peterson, Addison Peterson, Carissa Finley, Aiden Finley, and one sister Debra Holder of Jenks.

Terry was preceded in death by his parents Joe and Marcella Sedlak.

Hall of Fame continued

After retiring from the Pentagon in 2022, Dillon returned home to Hennessey with her husband, Arthur LaMott. Today she remains active in the community while enjoying gardening, genealogy, travel, and cheering on local sporting events.

Also inducted was **Ramon Renteria-Lara**, a respected leader in Oklahoma tourism and community development. Renteria-Lara currently serves as Director of Sponsorship and Sales for the Oklahoma Tourism and Recreation Department, where he has helped promote Oklahoma attractions and landmarks to wider audiences across the region and beyond.

Among his many accomplishments was leading the translation of the Oklahoma Route 66 Guide and Passport into Spanish, helping make the state's tourism opportunities more accessible to a broader and more diverse audience.

Renteria-Lara has also dedicated countless hours to community service through various boards and organizations, including serving as one of Oklahoma City's Golf Commissioners. His leadership and charitable work have earned him numerous honors, including the Hispanic Institute's Top 40 Leadership Award, a Young Professionals Excellence Award, and recognition as an Honorary Commander of the U.S. Air Force for his advocacy and support efforts benefiting Oklahomans experiencing homelessness.

The City of Warr Acres also honored his impact by proclaiming June 19 as Ramon Renteria-Lara Day.

While both inductees have achieved success on a national and statewide level, organizers noted their strong ties to community and service made them fitting additions to the Hennessey Hall of Fame. Photo by AAH Jack Quirk

TRUCK FIRE

Hennessey firefighters responded to a pickup truck fire behind 113 W. 4th Street at approximately 4:30 p.m. on May 12.

When crews arrived, they encountered thick black smoke and several loud explosions that could be heard throughout the area. Firefighters quickly brought the blaze under control.

The truck was parked close to nearby structures, but firefighters were able to contain the fire before it spread, preventing additional property damage.

The truck, owned by Bo and Bobbie Townley, was declared a total loss. No injuries were reported.

Hennessey Police assisted at the scene. photo by AAH Jack Quirk

Hennessey Firefighters work to contain the fire parked close to structures.

To the Graduates of 2026 That's a Wrap!

You have completed a chapter in your journey. I hope the memories you've made are cherished, laughed about, and shared for many years to come. As for the bad ones learn from them and grow. The next generation needs you, and they're counting on you more than you know.

Your graduation got me reminiscing about my own senior year. Even though it's been a couple of years yes, do the math those memories still hold a very special place in my heart. There are so many!

First things first: "We were super, we were great, we were the Class of '78!"

If I could have told that girl back in 1978 that she'd one day be a single mom, retired after 31 years of working, sitting on her couch writing a story about days gone by, I would have just laughed. But here we are!

Looking at the girl in the picture accepting her diploma, I think about my parents and what it truly meant for us to graduate from high school. I was the second sibling in my family to walk across that stage, and neither of my parents had been able to do the same. My dad quit school after the 8th grade, lied about his age, and went to work in the oilfield to help support his family. My mom quit in the middle of her senior year to marry my dad and move to California while he finished his time in the Marines. Years later, after all her children had left home, she went back and earned her GED taught by the very same teacher who had taught all three of us: Marjorie Anderson.

The girls in our class chose white caps and gowns. The boys wore Hennessey Blue. And looking at that picture, I get a full-on flashback of those pantyhose you know the ones, the kind that came in the little plastic eggs!

That fall of 1978, I loaded up my '63 Chevy Impala four doors, all tank and headed off to college. I named her Myrna. I have absolutely no idea why, but Myrna just fit her. She got me everywhere I ever dared to drive. Cell phones didn't exist yet, so my dad had installed a CB radio for safety. I had to make it to school before the switchboard shut down for the night, and most of the time I called home collect after 6:30, when the long-distance rates finally dropped.

The people who signed our diplomas have all passed on now, but their memories are still very much with me. Jack Funderberg was our only principal through all our school years when we moved from one building to the next, he just tagged right along. Paul Babiak was our superintendent. Years later, after I had lost both my parents and the weight of being an orphan hit hard even at that age Paul Babiak pulled me into a hug and told me he would adopt me. Both my brothers were standing behind him, frantically mouthing

"Nooooo!" He laughed, and I knew it was one of those hugs where you just feel the love. Dr. Fast was our local doctor in Hennessey, she pierced my ears, took out my tonsils, and took care of just about every ailment we had. Dr. Nickolas was our eye doctor, and it seemed like we all ended up in glasses.

Forty-eight years has brought the loss of many. Most recently, we lost Marilyn Buckner. Marilyn was our high school secretary, the one who kept the front office running like clockwork and cheered on every single student who walked through that door. Not to mention, she was the biggest Elvis Presley fan you ever met.

If I could give that girl in 1978 any words of wisdom from the woman sitting here in 2026, I'd tell her: Don't settle. Hold tight to your faith. And know that you are worthy.

Man, I sure wish Myrna was still sitting in my driveway. We'd have to go for a cruise.

Transitions by Bonny Flesher

FROM THE GROUND UP.

Construction on S Mitchell Rd is progressing as Rudy's Construction crews are literally starting at the bottom.

Crews are currently digging out the entire road down to the dirt and will be building a completely new road base to start the new road on a solid foundation.

This covers the area of S Mitchell Road between 7th Street and Conoco Road. The Town of Hennessey is using a series of grants to help fund the multi-phase improvement project.

Originally planned in three separate phases, Town Administrator Tiffany Rowen said funding arrived sooner than expected, allowing two phases to be completed at the same time. This phase of the project will cover a little more than three-quarters of a mile of roadway.

The remaining portion of the roadway will be completed in the next grant cycle. Photos by AAH Jack Quirk

Hennessey Farmerettes -- May 14 Meeting Report

The Hennessey Farmerettes met on May 14 at the home of Marge Patocka, where Maxine Helgeson led an engaging lesson on the History of Route 66. Members enjoyed sharing personal memories tied to the highway's 400-plus miles across Oklahoma. Helgeson also distributed 2026 Oklahoma maps, Route 66 booklets, and an updated Oklahoma Events Book to each member, with Cheryl McClendon sharing one set of materials.

President Paula Nicholson called the meeting to order. Vice President Margie McConnell led the Pledge of Allegiance, and Mary Curry offered the devotional, titled "Good Soil in God." The minutes and treasurer's report were both presented.

Nicholson reported on the recent Red Carpet Honor Night, where Jamie Aikenhead was recognized as the Outstanding Member of 2026, with eight members in attendance. The group also presented the Billy Melendy Memorial Scholarship to Trent Choate at the High School Awards Event. Additionally, three members attended the OHCE Open House at the new Extension Building.

Planning began for the Fall County Council, scheduled for October 15 at 1:00 p.m. at the County Fair Building. Further details will be finalized at the July meeting. Dot Miller shared information regarding the club scrapbook and asked each hostess to prepare a page representing her assigned month, with additional activities to be included as well.

For the June outing, members agreed to tour the Center of Family Love in Okarche, as many are unfamiliar with the organization's work. McConnell will coordinate the trip. Pansy Wheeler, Reporter

ABIDING HOME HEALTH

Family-owned and operated since 2007

Abiding Home Health has been dedicated to providing **professional, high-quality, compassionate care** to patients in the comfort of their own homes.

Our mission is simple: to make a meaningful difference in both the **short-term recovery** and **long-term well being** of every patient we serve.

AMBULANCE DISTRICT

TAX INFORMATION MEETING

All About Hennessey will host a town hall-style public meeting on **Tuesday, May 26**, at the **Hennessey Senior Citizens Center** to help inform residents about the upcoming Ambulance District vote. This issue will affect all property owners within the Hennessey School District.

Residents are encouraged to attend this informative meeting to learn how the proposed EMS district could impact you, your family, and emergency medical services in our community.

A 522 Ambulance District is a funding method used by cities and towns across Oklahoma to support Emergency Medical Services (EMS).

Currently, Hennessey is the only town in Kingfisher County without one in place.

This funding is dedicated to ensuring reliable, local emergency medical services—when every second counts.

THE MEETING WILL FEATURE EMS PROFESSIONALS AND LOCAL LEADERS

David Macy
Pafford EMS

Duke Dixon
CEO of Mercy
Regional EMS

Brandon Scott
Hennessey
Fire Chief

Members of the
Hennessey Board
of Trustees

Tiffany Rowen
Hennessey Town
Administrator

They will explain how the district would work, answer questions from the public, and discuss what emergency medical services could look like if the measure **does not** pass.

TOPICS INCLUDE:

- How much will this tax cost us
- Who can vote
- Who gets ambulance service
- Who gets the money and why
- What if it fails
- Ambulances are required to come, right?
- How ambulance services get paid
- Why does it cost so much

THE ELECTION WILL BE HELD

**TUESDAY,
JUNE 16TH**

for anyone in the
Hennessey School District.

SMILES, SPARKLES & SWEET MEMORIES AT HENNESSEY NURSING HOME PHOTO BOOTH EVENT

At the Hennessey Nursing Home & Rehab, residents enjoyed a little extra sparkle and fun on Friday, May 15th, when Sadie Simpson, a representative from Sterling Dental, stopped by to set up a photo booth. Residents had the chance to pick out their favorite accessories and strike their best poses. The event brought joy, confidence, and a fun change of pace to everyone involved. Photos by Amy Townsend

Lights, camera, confidence! Wilma Adams shows off her glam.

LEARNING TO MAKE THE MOST OF EVERY MOMENT BECAUSE YOU OFTEN DON'T KNOW WHAT YOU HAVE UNTIL IT'S GONE.

Okseasonedsisters here just ruminating in all the feels left after Mother's Day and the many end of the year celebrations. Some of those celebrations can be a little bittersweet *cough* we're especially talking to you mothers that will be sending your babies out into the world...

Anyone that attended a graduation in the early 2000s has probably heard the song 'Graduation (Friends Forever)' by Vitamin C (if you weren't alive then but have been on TikTok this month, you've probably heard about 15 seconds of it...look up the whole song!) Did you know that she wasn't intentionally writing about graduation when she started writing the song? She was actually writing about how life changes/progresses... "As we go on, we remember all the times we had together."

Our advice for grads: Don't put too much pressure on yourself to have an answer for everything right away. Be brave and take a risk; try something new. Oh, and be sure to take pictures!

~ Actually, everyone. Not just graduates. ~ Please remember to take pictures! Take pictures of the people you're with, of what you're doing, of where you are. Don't worry about if you're "presentable." You're present and that's what matters. Not your hair, weight or outfit. What matters is that you're together and you will want this picture for your memories down the road.. So smile for the camera and trust us that you won't regret it. You WILL regret not having a picture when the moment becomes a memory. Especially when you lose the opportunity to have more moments with someone. To have a life with less regret we have to really appreciate all the blessings, all the people and all the moments we're given. Thank God for the people in your lives. Be present in their presence. Soak up the moment as it happens and take pictures to look back on. Hug them every chance you get. Hold on a second longer when you do. And, don't forget to call your mom!

Please hold on to God and seek His wisdom to guide you. We pray He'll open your eyes to those in your lives that are there to help you/love you now. But, most importantly, that your heart will recognize your need for Him. He'll never leave you. Nobody can love you like your Creator can! Those of you about to embark on a new journey in this big ole world: we hope you embrace that love and share it! Don't be afraid to go out and share your faith. Be willing to be used for and by God.

"Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." Matthew 9:37-38 NIV

A little PS for the moms- remember that all the everyday momming is actually Kingdom work. It may feel menial, but it's way bigger than you realize in the here and now. Remember that you are planting seeds in your children and one day those seeds will sprout and grow and you will get to bask in the shade of watching your children be who they were meant to be. So for now, face each day, each task, with gratitude, optimism, faith and fearlessness. You're doing great!

Big Tree Down!

A very large tree limb came crashing down this week across W. 8th Street at the entrance to Bull Foot Park, completely blocking the roadway.

The limb was so large that the Town didn't have equipment big enough to handle the job, so a call went out to Kingfisher County District 2 Commissioner Mike Sparks for backup. Mike answered the call by sending in the heavy equipment and crew to tackle the oversized mess.

After the County hauled away the giant limb, Town crews finished cleaning up the remaining debris and re-opened the area.

Thankfully, no injuries were reported, unless you count the tree's pride.
